To the Administrative Committee of:

Br & Sons Co-401k Plan
Glendora, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Br & Sons Co-401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Br & Sons Co-401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Br & Sons Co-401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Br & Sons Co-401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Br & Sons Co-401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Br & Sons Co-401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year December 31, 2024 and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BR & SONS CO-401k PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Br & Sons Co-401k Plan (the Plan) provides only general information. Participants should refer to the Plan and Trust Agreement (Plan Document) for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan established on January 1, 2020. Employees of B.R. Building Resources Company (the Company or Plan Sponsor) are eligible to participate in the Plan once they have completed two months and have attained the age of eighteen. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make voluntary salary reductions (participant contributions) up to the maximum amount allowed by the IRS. For 2024 this deferral limit was \$23,000. Participants may also rollover amounts from other qualified plans. Participants over the age of 50 are eligible for catch up contributions. Participants are automatically enrolled in the Plan upon satisfaction of eligibility requirements at a deferral rate of 1% of eligible gross compensation.

The Company may make discretionary matching contributions, an amount the Company in its sole discretion may determine. Participants must be employed on the last day of the Plan year in order to receive discretionary matching contributions. During 2024, the Company did not make any discretionary matching contributions.

The Company may also make discretionary profit sharing contributions to the Plan, an amount the Company in its sole discretion may determine. Participants must be employed on the last day of the Plan year in order to receive discretionary profit sharing contributions. Such discretionary contributions will be allocated or divided among participants eligible to share in the contribution for the Plan year. During 2024, the Company did not make any discretionary profit sharing contributions.

Participant Accounts

Individual accounts are maintained to record participant contributions, rollover contributions, discretionary matching contributions, discretionary profit sharing contributions, and earnings thereon for each participant. The benefit to which a participant is entitled is the total benefit, which can be provided from the vested portion of these individual accounts.

See Independent Auditor's Report.

NOTE 1 - DESCRIPTION OF THE PLAN, CONTINUED

Vesting

Upon entry into the Plan, participants are 100 percent vested in their participant contributions, rollover contributions and earnings thereon. Vesting for the discretionary matching contributions, discretionary profit sharing contributions, and earnings thereon is based on years of service as follows:

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants

Participants may borrow from their accounts upon written application to and approval by the Plan Administrator. Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or one-half of the participant's vested account balance. Loans must be repaid within 5 years and bear a reasonable rate of interest. Loans used to acquire a primary residence may be repaid over a longer period, not to exceed ten years, as permitted by the Plan.

Payment of Benefits

The Plan is designed to provide benefits at the time of retirement. On termination of service due to death, disability, or retirement, a participant may request a distribution of their vested account balance from the Plan Administrator. Furthermore, upon approval of the Plan Administrator, participants may be entitled to take hardship distributions. Participants may elect to withdraw all, or a portion of their account while still employed, upon attainment of age 59 1/2. Participants that have terminated employment and have a vested balance less than \$5,000 will receive a distribution as soon as administratively feasible. Benefits are recorded when paid.

Forfeited Accounts

Forfeitures will be used to either pay Plan expenses or reduce future contributions. As of December 31, 2024 and 2023 the Plan had forfeiture balances of approximately \$0. During 2024, the Plan did not use forfeitures to reduce employer contributions or pay Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Market Risk

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Furthermore, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes, could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See Independent Auditor's Report.

DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Administrative Costs

All expenses of maintaining the Plan are paid out of the Plan assets or by the Plan Sponsor. Investment related expenses are included in net appreciation of fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

Subsequent Event

Management has evaluated subsequent events through July 18, 2025, the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (Reliance), a qualified institution.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobserved inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

See Independent Auditor's Report.

BR & SONS CO-401k PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 4 – FAIR VALUE MEASUREMENTS, CONTINUED

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund - Valued using the NAV of the collective trust times the number of units held by the Plan. The NAV is used as a practical expedient to estimate fair value based on the fair value of the underlying assets held by the und less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There are no unfunded commitments related to its investment, or significant restriction on redemptions. The Plan may redeem its investment on a daily and immediate basis.

See Independent Auditor's Report.

NOTE 4 – FAIR VALUE MEASUREMENTS, CONTINUED

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 717,303	\$ -	\$ -	\$ 717,303

Total investments	\$ 533,774	\$ -	\$ -	\$ 533,983

- a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits and notes to the financial statements.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023:

BR & SONS CO-401k PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 5 – TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020 stating that the form of the preapproved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held by Reliance. ADP, Inc. performs the plan administration and recordkeeping. Investment advising is provided by Blue Cedar Financial and Insurance Solutions. Therefore, any administrative fees paid during the year to them qualify as party-in-interest transactions.

NOTE 8 – DELINQUENT CONTRIBUTIONS

During 2024, the Company remitted employee contributions for thirty-eight pay periods after the date required during the year by the Department of Labor. The Company will determine the amount of lost earnings and contribute the amount to the participant accounts in 2025.

NOTE 10 – SECURE 2.0

The SECURE 2.0 Act of 2022 introduces several changes to qualified retirement plans, with various implementation dates ranging from 2023 to future years. Key provisions include enhanced catch-up contribution limits for participants ages 60-63 (effective 2025), requirements for higher-income participants to direct catch-up contributions to Roth accounts (effective 2026), increases to required minimum distribution ages (phasing up to age 75), and the option to increase the automatic rollover threshold for force-out distributions from \$5,000 to \$7,000.

The Plan Administrator is currently evaluating these changes to determine which optional provisions may benefit plan participants. Any required amendments will be implemented by their respective deadlines, and participants will be notified of adopted changes that affect their accounts or options under the Plan.
