Independent Auditor's Report

To the Plan Administrator
Hillenbrand, Inc. Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the accompanying financial statements of Hillenbrand, Inc. Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets in liquidation available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets in liquidation available for benefits for the years then ended.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hillenbrand, Inc. Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

T 317.580.2000 | F 317.580.2117 | W ksmcpa.com

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hillenbrand, Inc. Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hillenbrand, Inc. Pension Plan's ability to continue as a going concern within one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hillenbrand, Inc. Pension Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hillenbrand, Inc. Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Plan Termination and Basis of Accounting

As discussed in Note 1 to the financial statements, on March 6, 2023, the Board of Directors of the Employer approved a resolution and amendment to terminate the Plan, effective June 30, 2023. In accordance with accounting principles generally accepted in the United States, the Plan has used the liquidation basis used in presenting the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, and schedule of reportable transactions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HILLENBRAND, INC. PENSION PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of Hillenbrand, Inc. Pension Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General: The Plan was organized effective April 1, 2008, as a noncontributory defined benefit retirement plan covering all eligible employees of Hillenbrand, Inc. and certain related entities (the Employer and Plan Sponsor). The Plan is closed to non-bargaining employees hired on or after June 30, 2003. Non-bargaining employees hired before July 1, 2003, were offered a one-time option to freeze their pension benefit as of December 31, 2003, and to participate in an enhanced 401(k) plan. Additionally, the Plan is closed to bargaining unit employees hired on or after March 23, 2009 in Vicksburg, and on or after August 18, 2009 in Manchester. Effective December 31, 2009, the Plan also covers remaining inactive participants of the Batesville Casket Company, Inc. and Local 1460 Amalgamated Clothing and Textile Workers Union, AFL-CIO Retirement Plan. The Plan is closed to bargaining unit employees hired on or after June 28, 2010, as Batesville Drivers in Batesville, Indiana, and on or after May 8, 2012, as Batesville Steelworkers in Batesville, Indiana. Effective August 31, 2012, the Rotex Global, LLC and the United Steel Workers of America Pension Plan and effective December 31, 2012, the Pension Plan for the Employees of Coperion Corporation were merged into the Plan for which the Plan now provides benefits to active and inactive participants who had a frozen accrued benefit relating to those plans.

Effective December 31, 2016, benefits were frozen for all non-bargaining non-Grandfathered participants in the Plan. Non-bargaining Grandfathered participants' benefits were frozen as of December 31, 2019. Effective December 31, 2017, benefits were frozen for all bargaining non-Grandfathered participants in the Plan in Vicksburg and in Manchester. Effective December 31, 2020, benefits were frozen for all bargaining Grandfathered participants in Vicksburg and Manchester. Effective December 31, 2018, benefits were frozen for all bargaining non-Grandfathered Batesville Drivers in Batesville. The benefits of Grandfathered bargaining Batesville Drivers will be frozen as of December 31, 2021. Effective December 31, 2019, benefits were frozen for all bargaining non-Grandfathered Steelworkers in Batesville. The benefits of bargaining Grandfathered Steelworkers in Batesville were frozen as of December 31, 2022.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Pension Finance and Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors of the Employer.

Plan Termination: On March 6, 2023, the Board of Directors of the Employer approved a resolution and amendment to terminate the Plan, effective June 30, 2023. As a result of the Plan's termination, all Plan participants became 100% vested in their respected account balances.

All Plan assets were distributed to the respective participants in the form of a lump-sum cash distribution, a rollover into another qualified plan or Individual Retirement Account (IRA), or through the purchase of an annuity contract from an insurance company, per each participant's election in accordance with the Plan agreement. Unlocated participants had their account balances transferred to the Pension Benefit Guaranty Corporation.

All Plan assets were distributed by March 26, 2025, at which time the Plan and its related trust ceased to exist. See Note 8.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Contributions: Each year, the annual funding of the Plan was provided by the Employer and was based on an actuarial determination of the annual normal cost, the amortization of prior service costs, and the amortization of actuarial gains and losses. This could result in Employer contributions which exceed the minimum funding requirements of ERISA. At December 31, 2024 and 2023, the Plan had met all ERISA minimum funding requirements.

Vesting: All Plan participants were 100% vested in their account balances due to the Plan's termination.

Benefits: Prior to the Plan's termination, benefits under the Plan were based on the participant's years of credited service and average compensation for some participants or years of credited service times a flat dollar rate for other participants. Participants with five or more years of service were entitled to annual pension benefits beginning at the later of normal retirement age (65) or Social Security retirement age. The Plan permitted early retirement at age 55 with five years of service with a reduced benefit. Participants could elect to receive pension benefits in the form of a life annuity with a minimum two-year guarantee or as a joint and survivor annuity. The Plan could also provide for certain death and disability benefits and other forms of benefit payments as more fully described in the Plan Agreement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: Due to the Plan's termination and in accordance with accounting principles generally accepted in the United States of America, the Plan's financial statements are prepared on the liquidation basis of accounting.

Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, the actuarial present value of accumulated plan benefits and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Pension Finance and Administration Committee determines the Plan's valuation polices utilizing information provided by the Plan's investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits were recorded when paid.

Expenses: Administrative expenses for maintaining the Plan could be paid by the Employer or the Plan, at the Employer's discretion.

Actuarial Present Value of Accumulated Plan Benefits: Accumulated plan benefits were those future periodic payments, including lump-sum distributions, that are attributable under the Plan's provisions to the service employees have rendered.

The actuarial present value of accumulated plan benefits was determined by the Plan's independent actuary by applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. The actuarial valuation dated January 1, 2023, was the last actuarial valuation that was prepared due to the Plan's termination (see Note 1). There were no actuarial valuations prepared for the years ended December 31, 2024 and 2023.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Tax Status: The Internal Revenue Service (IRS) has determined and informed the Employer by a letter dated January 27, 2016, that the Plan and related trust are designed in accordance with applicable sections of the United States Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The Plan's management received a favorable determination letter dated June 25, 2024 from the IRS in response to its submission of Form 5310, *Application for Determination for Terminating Plan*. Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

The Puerto Rico Department of Treasury determined and informed the Employer by a letter dated March 10, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code of 2011, as amended (PR Code). The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the PR Code. Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other taxing authorities.

The Plan is subject to routine audits by taxing authorities. The Plan was under examination by the U.S. Department of Labor's Employee Benefits Security Administration and received a closing letter for the examination dated August 30, 2022.

Subsequent Events: The Plan Administrator has evaluated the financial statements for subsequent events occurring through July 18, 2025 the date the financial statements were available to be issued. See Note 8.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan has categorized its assets and liabilities that are measured at fair value into a three-level fair value hierarchy. The hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observed for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. In situations where there is little or no market activity for the asset or liability, the Plan makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used by the Plan for assets that are measured at fair value on a recurring basis. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Money Market Fund Shares: Valued at the daily closing price as reported by the fund. This fund is required to publish its daily net asset value (NAV) and to transact at that price. This fund held by the Plan is deemed to be actively traded.

Collective Trust Funds: Valued at the NAV of units of each trust company collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. These funds may invest in equity securities, fixed income securities, and derivatives, including, but not limited to futures, options, swap contracts and forward currency exchange contracts. In certain instances, the assets of a fund may be invested in another investment vehicle, such as a mutual fund, other collective investment fund, privately offered investment fund, other pooled investment vehicle, or another fund offered under the Trust.

Following is a summary, within each level of the fair value hierarchy, of the Plan's assets that are measured at fair value on a recurring basis as of December 31, 2024 and 2023:

2024	**Level 1**	**Total**
Money market fund shares	$29,643,421	$ 29,643,421
Total Investments at Fair Value	$29,643,241	$ 29,643,241
2023	**Level 1**	**Total**
Money market fund shares	$29,269,067	$ 29,569,067
Total Assets in the Fair Value Hierarchy	$29,569,067	29,569,067
Investments measured at Net Asset Value [(1)]		157,403,565
Total Investments at Fair Value		$186,972,632

[(1)] In accordance with Subtopic 820-10, certain investments that are measured at net asset value (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the total investments at fair value presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023. There were no investments for which fair value was measured using the NAV per share practical expedient at December 31, 2024.

2023	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Aon Collective Investment Trust:				
Long Credit Bond Fund	$66,551,864	N/A	Daily	15 days
Long Government Bond Index Fund	11,609,228	N/A	Daily	15 days
20+ Year U.S. Treasury STRIPS Index Fund	47,796	N/A	Daily	15 days
Mid Duration Long Credit Bond Fund	21,903,993	N/A	Daily	15 days
Intermediate Government Bond Index Fund	57,290,684	N/A	Daily	15 days

NOTE 4 - INVESTMENT INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED INFORMATION)

All information related to investments held at December 31, 2024 and 2023, and net appreciation or depreciation in fair value of investments, interest and dividends for the years then ended, disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information provided to the Plan Administrator and certified as complete and accurate by JPMorgan Chase Bank, N.A., the Plan's trustee, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 5 - PLAN AMENDMENT

On March 6, 2023, the Board of Directors of the Employer approved a resolution and amendment to terminate the Plan, with a termination date of June 30, 2023. See Note 1.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan has arrangements with several third-party service providers. The Plan pays certain expenses related to the Plan's operation, administration, and investment activity. The Plan's expenses may be paid directly to the respective service provider or indirectly through the Plan's investments returns. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

The Employer provides certain accounting, administrative and investment management services to the Plan for which it receives no compensation.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan's investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Plan's financial statements.

NOTE 8 - SUBSEQUENT EVENTS

Due to the Plan's termination in June 2023, all Plan assets were distributed by March 26, 2025, at which time the Plan and its related trust ceased to exist.

Based on the Plan's funding status and in conjunction with the Plan's termination, it was determined that the Plan was overfunded. As such, during 2025, a transfer totaling $29,442,810 was transferred from the Plan to the Process Equipment Group 401(k) Savings Plan, an affiliated plan of the Employer, which will be allocated according to its contribution provisions.

As part of the Plan's termination process, the Plan Sponsor has filed required forms with the Pension Benefit Guaranty Corporation (PBGC). The Plan Sponsor has received an acknowledgement letter dated May 6, 2025 from the PBGC that it is conducting an audit relating to the Plan's termination and related submission.
