## Independent Auditor's Report

To the Snapdocs 401(k) Plan  
and Participants  
San Francisco, California

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Snapdocs 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Snapdocs 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Snapdocs 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Snapdocs 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

### ***Auditor's Responsibilities for the Audit of the Financial Statements (Continued)***

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Snapdocs 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Snapdocs 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter — Supplemental Schedules Required by ERISA***

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2024 and the schedule of assets (held at end of year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

***Other Matter — Supplemental Schedules Required by ERISA (Continued)***

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of Snapdocs 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a safe harbor defined contribution plan covering all eligible classes of employees of Snapdocs, Inc. (the "Plan Sponsor") who are 18 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator is responsible for oversight of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan administrator.

**Contributions**

Each year, participants may contribute up to 50% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make qualified Roth contributions to the Plan and may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and will increase annually by an increment of 1% up to a maximum deferral rate of 15% of eligible compensation, unless otherwise elected by the participant. Effective January 1, 2024, Plan management amended the Plan to reduce the automatic deferral rate from 4% to 3%. Contributions are invested in the Plan's designated default investment fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor makes safe harbor contributions equal to 100% of the first 4% of the participant's eligible compensation. The Plan Sponsor may also make discretionary profit sharing contributions. There were no discretionary profit sharing contributions made by the Plan Sponsor for the year ended December 31, 2024. Contributions are subject to certain limitations as determined by the Internal Revenue Code ("IRC").

**Participant Accounts**

Each participant's account is credited with the participant's contributions, including amounts rolled over from other qualified plans, and Plan Sponsor contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**SNAPDOCS 401(K) PLAN**  
**Notes to Financial Statements**

---

NOTE 1 - DESCRIPTION OF PLAN (Continued)

**Vesting**

Participants are vested immediately in their contributions, including amounts rolled over from other qualified plans, and Plan Sponsor discretionary profit sharing contributions, plus actual earnings thereon. Effective January 1, 2024, Plan management amended the Plan to add a two-year cliff vesting schedule for the Plan Sponsor's safe harbor matching contributions in which participants are 100% vested after two years of credited service.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant may have up to one outstanding loan at a time. The loans are secured by the balance in the participant's account and bear interest at rates that are prime plus 1% at the time the loan is requested, which is commensurate with local prevailing rates as determined periodically by the Plan administrator. Principal and interest are paid ratably through regular payroll deductions.

**Payment of Benefits**

The Plan permits withdrawals upon attainment of the age 59 1/2 or upon disability, retirement, death or termination of service. Benefits are payable in lump-sum or partial payments.

**Forfeited Accounts**

Forfeited nonvested accounts totaled \$44,766 and \$24,800 as of December 31, 2024 and 2023, respectively. These accounts may be used to pay administrative expenses or to reduce future Plan Sponsor contributions. During 2024, \$3,773, of forfeitures were used by the Company to reduce Company contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**SNAPDOCS 401(K) PLAN**  
**Notes to Financial Statements**

---

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

**Investment Valuation and Income Recognition (Continued)**

The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

**Contributions**

Contributions from Plan participants and the safe harbor matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation of fair value of investments. Expenses relating to specific transactions, such as loan set up, loan maintenance and distributions fees, are paid directly by the participant and are included in administrative expenses.

**Subsequent Events**

The Plan has evaluated events and transactions for potential recognition or disclosure through July 18, 2025, which is the date the financial statements were issued.

**SNAPDOCS 401(K) PLAN**  
**Notes to Financial Statements**

NOTE 3 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation/depreciation in fair value of investments, and interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC ("Empower").

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

*Collective investment trust funds:* Valued at the NAV of units of a collective investment trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2024 and 2023:

	Fair Value Measurements at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 8,912,281</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,912,281</u>
Total assets in the fair value hierarchy	<u>\$ 8,912,281</u>	<u>\$ -</u>	<u>\$ -</u>	<u>8,912,281</u>
Investments measured at NAV as a practical expedient (a)				<u>15,279,900</u>
Investments, at fair value				<u>\$24,192,181</u>

  

	Fair Value Measurements at December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$19,257,928</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$19,257,928</u>
Total assets in the fair value hierarchy	<u>\$19,257,928</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$19,257,928</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE AS A PRACTICAL EXPEDIENT

The following summarizes investments for which fair value is measured using NAV per share as a practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions over withdrawals for this investment; the redemption notice period is applicable only to the Plan. The following table provides liquidity information for the *collective investment trust funds*:

Year-end	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
December 31, 2024	\$15,279,900	None	Daily	30 days
December 31, 2023	\$ -	None	Daily	30 days

**NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan holds a separate investment contract that meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. The Contract issuer maintains the contributions in a general account. The contract value of the fully benefit-responsive investment contract at December 31, 2024 and 2023 is \$138,558 and \$96,874, respectively.

The investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than -0-% as specified by the contract. Such interest rates are declared on a quarterly basis by the contract issuer. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Withdrawals caused by the Plan Sponsor with a 60 day notice may either be paid out within 7 business days (subject to a market value adjustment) or at the full contract value 12 or 36 months following contract termination date or in 20 quarterly installments over 5 years. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no participant redemption restrictions for the investment with respect to exchanges in investment options.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

**NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments within the Plan's portfolio consist of a guaranteed interest contract held in general accounts managed and guaranteed by Empower Annuity Insurance Company of America, and related affiliates, therefore, these investment transactions qualify as party-in-interest transactions. Plan recordkeeping, transaction processing, custodial services and loan maintenance services were provided by Empower Retirement, and related affiliates. Investment advisory services were provided by Compass Financial Partners and Pensionmark Financial Group, LLC.

**NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (Continued)**

Fees associated with these services qualify as party-in-interest transactions. The Company pays directly any other fees related to the Plan's operations.

**NOTE 8 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Plan Sponsor contributions.

**NOTE 9 - TAX STATUS**

Effective January 1, 2022, the Plan adopted a pre-approved plan document of Great-West Trust Company, LLC. The pre-approved plan document has received an opinion letter from the Internal Revenue Service dated June 30, 2020, that the pre-approved plan document and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 10 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to net assets per the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	<b>\$24,597,194</b>	\$19,668,106
Employer contributions receivable	<b>(114,533)</b>	(205,554)
Participant contributions receivable	<b>(32,459)</b>	(54,128)
Notes receivable from participants deemed distributed	-	(3,174)
Net assets per the Form 5500	<b><u>\$24,450,202</u></b>	<b><u>\$19,405,250</u></b>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to net income per the Form 5500 for the year ended December 31, 2024:

Change in net assets available for benefits per the financial statements	\$ 4,929,088
Employer contributions receivable	91,021
Participant contributions receivable	21,669
Notes receivable from participants deemed distributed	3,174
Rounding	1
Net income per the Form 5500	<b><u>\$ 5,044,953</u></b>

NOTE 12 - NONEXEMPT TRANSACTIONS

During 2024, the Company inadvertently failed to remit \$32,459 of participant contributions within the required timeframe prescribed by DOL regulations. The Plan intends to remit lost earnings for the late contributions and intends to file Form 5330 to pay the applicable excise taxes in 2025. The lost earnings will be made from the Company's assets and not from assets of the Plan. These are deemed prohibited transactions in accordance with ERISA and IRC.
