INDEPENDENT AUDITORS' REPORT

Trustee and Plan Administrator
Power Works Industries, Inc. Health & Welfare Plan
San Jose, California

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Power Works Industries, Inc. Health & Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in Plan's benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of the Plan's benefit obligations of Power Works Industries, Inc. Health & Welfare Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and of changes in the Plan's benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Power Works Industries, Inc. Health & Welfare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Power Works Industries, Inc. Health & Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Power Works Industries, Inc. Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Power Works Industries, Inc. Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

POWER WORKS INDUSTRIES, INC. HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN

The following description of Power Works Industries, Inc. Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan and Trust were established on December 1, 2012 to provide health and other benefits to eligible employees of Power Works Industries, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Company elected to terminate the current Trustee and third-party administrator of the Plan effective December 31, 2024. The stop loss insurance policy provides for payment of claims through December 31, 2025 for claims incurred through December 31, 2024. Any residual funds remaining after all claims and expenses are paid will be transferred to the successor trustee.

Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company makes monthly contributions for participating employees covered under the Plan. For employees covered under contracts issued by federal, state, municipal or other contracting authorities which require the payment of specified fringe dollar amounts, the Company contributes to the Plan based upon an hourly funding formula. Employer contributions are recognized as income in the month the employees worked. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis. In addition to deductibles and copayments, participants may contribute specified amounts to extend coverage to their eligible dependents.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefits

The Plan provides medical, vision, life, accidental death and dismemberment, and prescription drug coverage for eligible participants and their beneficiaries. The Plan provides these benefits through various contracts with insurance companies. The Plan purchases annual insurance contracts for these insured benefits. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan. The Plan provides dental and short-term disability through a self-insured arrangement. The Plan provides medical and prescription drug coverage benefits on both a level-funded basis and through contracts with insurance companies, depending upon participant classification. The Plan carries a stop-loss insurance policy which covers aggregate claims in excess of the funding factor as specified in the contract.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan maintains its demand deposits in commercial bank accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan management does not believe the Plan is exposed to any significant credit risk on cash.

Contributions Receivable

Employer contributions due but not paid at year-end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2024 and 2023.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Benefits are recorded when paid. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of plan's benefit obligations.

POWER WORKS INDUSTRIES, INC. HEALTH & WELFARE PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Insurance Premiums Payable

Insurance premiums payable are based upon the actual premiums due for December 31, 2024 and 2023, but paid by the Plan after year-end.

Benefit Claims Incurred But Not Reported

The obligation for benefit claims incurred but not reported is an estimate for self-funded benefits incurred on or prior to December 31, 2024 and 2023, but reported to and paid by the Plan after year end. The estimates were calculated based on the funding factor as noted in the insurance contract, with a maximum exposure limit. The funding factor contains certain assumptions pertaining to claims lag and historical claims data.

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2024, the Plan paid for substantially all administrative expenses, which consisted of administration fees and accounting fees, and other miscellaneous expenses.

Income Taxes

The trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan administrator believes the Plan does not have any net taxable income for the years ended December 31, 2024 and 2023, therefore, no tax liability is reflected in these financial statements.

Subsequent Events

The Plan has evaluated subsequent events through July 14, 2025, the date the financial statements were available to be issued.

NOTE 3 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 PLAN TERMINATION

The Plan shall remain in existence from year to year unless written termination notice is given by the Plan management or Plan administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 5 RE- INSURANCE LOSS COVERAGE

The Plan has entered into an excess loss insurance arrangement in an effort to limit its exposure for self-insured benefits. The Plan maintained an insurance policy with Fidelity Security Life Insurance Company during the year ended December 31, 2024. The policy provides reimbursement to the Plan for claim amounts paid in excess of the monthly funding factor for each participant. There is no limit on the maximum eligible claim expense per covered person under the policy. The insurance company is responsible for paying claims incurred in excess of the funding factor account balance, which was \$7,995 as of December 31, 2024.

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants from Plan assets and the Plan is subsequently reimbursed by the insurance company if the funding factor is exceeded. During the year ended December 31, 2024, there were \$102,382 of stop loss recoveries netted against medical and other benefit claims paid in the accompanying Statement of Changes in Net Assets Available for Benefits. There is \$50,239 of reimbursements due from the insurance company as of December 31, 2024.

NOTE 6 RISKS AND UNCERTAINTIES

The estimate for claims incurred but not reported is based on certain assumptions pertaining to claims lag and historical claims data. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
