Independent Auditors' Report

To the Plan Administrator of
HAM–TMC Library 403(b) DC Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of HAM–TMC Library 403(b) DC Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the HAM–TMC Library 403(b) DC Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of HAM–TMC Library 403(b) DC Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As discussed in Note 7, HAM–TMC Library 403(b) DC Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HAM–TMC Library 403(b) DC Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of HAM–TMC Library 403(b) DC Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of HAM–TMC Library 403(b) DC Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

Independent Auditors' Report

To the Plan Administrator of
HAM–TMC Library 403(b) DC Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of HAM–TMC Library 403(b) DC Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the HAM–TMC Library 403(b) DC Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of HAM–TMC Library 403(b) DC Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As discussed in Note 7, HAM–TMC Library 403(b) DC Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HAM-TMC Library 403(b) DC Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of HAM-TMC Library 403(b) DC Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of HAM-TMC Library 403(b) DC Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

HAM–TMC Library 403(b) DC Plan

Notes to Financial Statements for the year ended December 31, 2024

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the HAM–TMC Library 403(b) DC Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan established May 19, 1972, covering substantially all employees of The Houston Academy of Medicine–Texas Medical Center Library (the Library). Employees are eligible to participate in the Plan upon the attainment of age 21 and the completion of one year and at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The Plan provides for both participant contributions and employer contributions as follows:

- *Participant contributions* – All eligible employees are required to make a mandatory pre-tax employee contribution in the amount of 1.5% of their compensation once the employee satisfies the eligibility requirements. Participants also may elect to contribute additional amounts up to 100% of their compensation, as defined by the Plan, subject to annual dollar limitations under the Internal Revenue Code (the Code). Participants aged 50 and older may elect to make additional catch-up contributions which increase the annual limitations they can contribute each year. Participants also may rollover any amounts they receive as distributions from another qualified retirement plan.
- *Employer contributions* – For all eligible employees, the Library makes an employer contribution equal to 8.5% of the participant’s compensation.

Participants direct the investment of all contributions into various investment options offered by the Plan.

Vesting – Participants are immediately 100% vested in all contributions plus actual earnings thereon.

Participant accounts – Each participant’s account is credited with the participant’s contribution, the employer contribution, and an allocation of the investment earnings for each fund in which their account is invested. Allocations of investment income are based on the proportion that each participant’s balance bears to the total of all participant account balances. The only benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Distribution of benefits – The Plan provides for benefit distributions to plan participants, or their beneficiaries, equal to the balance of their accounts upon death, disability, retirement, or other termination of employment. Participants may withdraw a portion or all of their elective participant contributions, while still employed, upon reaching the age of 59½. In-service withdrawals of rollover contributions also are permitted.

Plan termination – Although it has not expressed any intent to do so, the Library has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The Plan’s financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s management determines the Plan’s valuation policies utilizing information provided by the investment advisers and insurance companies. See Note 6 for discussion of fair value measurements.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Contributions from Plan participants and employer contributions are recorded in the year in which the participant contributions are withheld from compensation.

Benefit payments – Benefit payments to participants are recorded upon distribution.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Library and are excluded from these financial statements. Certain investment-related expenses are included in net appreciation in fair value of investments.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions. Actual results could vary from the estimates that were used.

NOTE 3 – TAX STATUS

The Library has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated August 7, 2017, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Code. Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified.

NOTE 4 – INVESTMENTS

At December 31, 2024 and 2023, all assets of the Plan were invested in funds managed by Teachers Insurance and Annuity Association of America (TIAA) and College Retirement Equities Fund (CREF), as insurance companies. These transactions qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of ERISA.

Individual investments that represent 10% or more of the Plan’s net assets as of December 31 are as follows:

	<u>2024</u>	<u>2023</u>
TIAA Traditional Annuity Account	\$4,192,693	\$4,200,122
CREF Stock Account	\$2,897,760	\$2,532,724

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

NOTE 5 – INFORMATION CERTIFIED BY INSURANCE COMPANIES

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of December 31, 2024 and 2023 and interest income and net appreciation in fair value of investments for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA and CREF, qualified institutions.

NOTE 6 – FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a hierarchy that prioritizes inputs used to measure fair value. The three levels of the fair value hierarchy are as follows:

- *Level 1* – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.
- *Level 2* – Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.
- *Level 3* – Inputs are not observable and are based on the reporting entity’s assumptions about the inputs market participants would use in pricing the asset or liability.

Assets measured at fair value at December 31, 2024 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
CREF accounts	\$ 6,363,693			\$ 6,363,693
Fixed annuity contracts			\$ 4,192,693	4,192,693
TIAA Real Estate Account	<u>364,546</u>			<u>364,546</u>
Total assets measured in the fair value hierarchy	<u>\$ 6,728,239</u>	<u>\$ 0</u>	<u>\$ 4,192,693</u>	10,920,932
Investments measured at net asset value as practical expedient:				
TIAA Access accounts (a)				<u>1,045,409</u>
Investments at fair value				<u>\$ 11,966,341</u>

Assets measured at fair value at December 31, 2023 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
CREF accounts	\$ 5,892,386			\$ 5,892,386
Fixed annuity contracts			\$ 4,200,122	4,200,122
TIAA Real Estate Account	<u>392,997</u>			<u>392,997</u>
Total assets measured in the fair value hierarchy	<u>\$ 6,285,383</u>	<u>\$ 0</u>	<u>\$ 4,200,122</u>	10,485,505
Investments measured at net asset value as practical expedient:				
TIAA Access accounts (a)				<u>948,381</u>
Investments at fair value				<u>\$ 11,433,886</u>

- (a) The investment accounts included in TIAA Access accounts consist of (1) U. S. equity accounts, (2) global equity accounts, (3) lifecycle accounts, and (4) U. S. fixed-income accounts. U. S. equity accounts seek a favorable rate-of-return through capital appreciation and investment income by investing primarily in a broadly diversified portfolio of U. S. common stocks. Global equity accounts seek a favorable long-term rate-of-return through capital appreciation and income from broadly diversified portfolios that consist primarily of foreign and domestic equity securities. Lifecycle accounts seek high total return over time through a combination of capital appreciation and income by investing in an asset allocation strategy designed for investors planning to retire at certain intervals. U. S. fixed-income accounts seek a favorable long-term total return primarily through income by investing in investment-grade fixed-income securities and inflation-indexed bonds whose returns are designed to track a specified inflation index over the life of the bond. There are no participant-directed redemption restrictions; however, the Plan is required to provide a notice 60 days in advance, but no more than 90 days, to liquidate its entire share in the accounts. Redemptions can be made daily and there are no unfunded commitments.

Following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methods used at December 31, 2024 and 2023.

- *CREF accounts* invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives. Account investments are primarily valued using market quotations or prices obtained from independent pricing sources who may employ various pricing methods to value the investments, including matrix pricing. CREF Money Market Account holdings are generally valued at amortized cost. Each account determines its unit value each day. Unit values are published each day the New York Stock Exchange (NYSE) is open and are the basis for current transactions.
- *Fixed annuity contracts* are valued using a quantitative model based on assumptions of future interest rates and related discounted cash flows. Since the annuity is not available for sale or transfer on any securities exchange, transactions in similar investment instruments are not observable. These non-benefit responsive contracts contain liquidity restrictions on redemptions by participants, which could impact the value realized upon exiting the contracts.
- *TIAA Real Estate Account* generally invests in real estate properties and real estate-related investments. The account's value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. Securities held are priced using quoted prices in active markets or values obtained from independent pricing sources. Unit values are calculated and published each day the NYSE is open and are the basis for current transactions.

- *TIAA Access accounts* are variable annuities funded through the TIAA Separate Account VA-3 (VA-3), a separate investment account of TIAA registered under the Investment Company Act of 1940. VA-3 invests in mutual funds through various subaccounts. The subaccounts are valued at the net asset value (NAV) of the shares held by the Plan. The NAV is used as a practical expedient to estimate the fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

Purchases of Level 3 investments totaled \$446,409 for the year ended December 31, 2024. The following table represents the Plan’s Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs.

<u>INSTRUMENT</u>	<u>FAIR VALUE</u>	<u>VALUATION TECHNIQUE</u>	<u>SIGNIFICANT UNOBSERVABLE INPUTS</u>	<u>RANGE OF SIGNIFICANT INPUT VALUES</u>
Fixed annuity contracts	\$4,192,693	Discounted cash flow	Risk-adjusted discount rate applied	4.00% to 6.75%

NOTE 7 – NET ASSETS AVAILABLE FOR BENEFITS

The provisions of ERISA for plan years beginning after January 1, 2009 related to 403(b) plans were amended to include an audit requirement for large plans (generally those with 100 participants or more). Prior to that time, the Library did not routinely receive participant account records from the third-party administrator. Further, the Library’s record retention policies did not result in the maintenance of payroll records dating to the inception of the Plan. As a result, adequate documentation was not available for the Plan to verify the proper balance of net assets available for benefits at December 31, 2009, which was the first year an audit was required.

NOTE 8 – SUBSEQUENT EVENTS

Effective January 1, 2025, the Plan was restated to merge the HAM–TMC Library 403(b) TDA Plan into the Plan. Assets of approximately \$3.9 million were merged into the Plan on January 1, 2025. In conjunction with this restatement, the Plan’s name was changed to the HAM–TMC Library 403(b) Retirement Plan. Effective June 1, 2025, Pentegra Services, Inc. will become the named fiduciary and administrator of the Plan and Roth contributions will be allowed under the provisions of the Plan.

Management has evaluated subsequent events through June 17, 2025, which is the date that the financial statements were available for issuance. As a result of this evaluation, no other events were identified that are required to be disclosed or would have a material impact on reported net assets available for benefits or changes in net assets available for benefits.
