Seacoast Mental Health Center, Inc. Tax-Deferred Annuity Savings Plan  
FINANCIAL STATEMENTS  
December 31, 2024

NOTE A DESCRIPTION OF PLAN

The following description of the Seacoast Mental Health Center, Inc. Tax-Deferred Annuity Savings Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of the Company.

Employees are eligible for deferral contributions as of their first day of employment with the Company. Employees who have attained age 21 and are scheduled for 20 hours or more are eligible for matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participant contributions to the Plan are made in the form of salary deferrals of up to 100% of qualified compensation, as described in the Plan document, subject to IRS dollar limitations. The Company may contribute a discretionary matching contribution equal to a percentage of the amount of the employee contributions. The percentage shall be determined each year by the Employer. During the year ending, December 31, 2024 and 2023 there were discretionary matching contributions of \$618,989 and \$598,184, respectively.

Participant Accounts

Each participant’s account is credited with allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account, which is immediate.

Vesting

Participants are immediately vested in employee and employer contributions plus actual earnings thereon.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant’s account and bear interest at 4.25% - 9.50%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant’s vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Allowance for Doubtful Accounts

The Plan considers allowance for doubtful accounts to be amounts that would not be collectible by the plan. All participant loans are secured by vested participant balances. Therefore, there is no allowance for doubtful accounts at December 31, 2024, and 2023.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Excluded Contracts and Accounts

The Plan administrator has elected to exclude certain contracts and accounts from Plan assets in accordance with DOL FAB 2009-02 due to the fact that:

- The contract or account was issued to a current or former employee before January 1, 2009;
- The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact stopped making contributions to the contract or account before January 1, 2009;
- All the rights under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the employer; and
- The individual owner of the contract is fully vested in the contract or account.

NOTE D FAIR VALUE MEASUREMENTS

Fair Value Measurements establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation techniques used for recurring fair value measurements of assets:

*Mutual Funds:* The market value of the mutual funds is determined by Fidelity Management Trust Company and is based upon quoted market prices (when available) of the underlying assets held in the investment portfolio. If the value of any asset is not readily determinable, it is valued by Fidelity Management Trust Company at its estimated fair value using accepted valuation practices.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2023, and 2022. As required by GAAP, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE E PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

NOTE F RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

There were no reconciling items from the financial statements to Schedule H of Form 5500.

NOTE G TAX STATUS

The Plan is a non-standardized prototype plan sponsored by Fidelity. The Record keeper has obtained an opinion letter as a volume submitter on the Plan dated August 7, 2017, stating that the form of the plan is acceptable under the Internal Revenue Code (Code).

Generally, the Plan administrator and the Plan may rely on the opinion letter received by the Record keeper as to the form of the Plan qualifying under the Code (except as otherwise noted in the opinion letter). Additionally, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Code and accordingly is tax-exempt.

Seacoast Mental Health Center, Inc. Tax-Deferred Annuity Savings Plan  
FINANCIAL STATEMENTS  
December 31, 2024

NOTE G TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or derecognize an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRC. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or de-recognition of an asset) or disclosure in the financial statements. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The federal tax returns for the years ended after December 31, 2020, remain open for potential examination by the Department of Labor. The plan administrator believes it is no longer subject to income tax examination for years prior to 2020.

NOTE H RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE I RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Administrative expenses are paid directly by the sponsor on behalf of the Plan.

Certain plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the custodian of the plan and performs recordkeeping services for the plan and therefore, these transactions qualify as party in interest transactions. Fidelity Management Trust Company receives indirect compensation for providing these services.

NOTE J SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 16, 2025, which is the date these financial statements were available to be issued. All subsequent events requiring recognition as of December 31, 2024, have been incorporated into these financial statements herein.
