INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Peterson Properties, Inc., 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Peterson Properties, Inc., 401(k) Profit Sharing Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Peterson Properties, Inc., 401(k) Profit Sharing Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Notes 4 and 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Peterson Properties, Inc., 401(k) Profit Sharing Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Peterson Properties, Inc., 401(k) Profit Sharing Plan's** ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Peterson Properties, Inc., 401(k) Profit Sharing Plan**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Peterson Properties, Inc., 401(k) Profit Sharing Plan**'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets Held at Year End as of December 31, 2024 and 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PETERSON PROPERTIES, INC., 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administrative Expenses – The majority of administrative expenses incurred in maintaining the Plan are paid by the plan participants. These include the cost for Great West Life & Annuity Insurance Company to manage the funds and serve as the third-party administrator. The Plan furnished participants with quarterly statements which summarize the activity in their accounts during the year.

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

The Plan discloses fully benefit-responsive investment contracts at contract value for the years ended December 31, 2024 and 2023.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Expenses – Investment related expenses are included in the net appreciation of the fair value of investments.

Investment Valuation and Income Recognition – Investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company. See Notes 3, 4, and 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits – Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events – Management has evaluated events and transactions that have occurred since December 31, 2024, and reflected their effects, if any, in these financial statements through July 22, 2025, the date the financial statements were available to be issued.

2. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. The Plan document contains a more complete description of the Plan's provisions.

General – The Plan is a contributory defined-contribution plan covering all employees of **Peterson Properties, Inc.** and subsidiaries' (the "Company"), who have completed two months of service and who are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). **Peterson Properties, Inc.** is the Plan sponsor and administrator. The management of **Peterson Properties, Inc.** is responsible for oversight of the Plan. Management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions – Participants may make salary deferrals in whole percentages from 1% to 25% of pretax annual compensation. Participants may contribute to a traditional 401(k) or a Roth 401(k). Participants, with the consent of the administrator, may also contribute amounts representing contributions from other qualified plans. The Company contribution consists of matching 25 percent of the employee's contributions up to 10 percent of the employee's compensation. The Company may make discretionary contributions to the Plan as determined by Company management. Contributions to a participant's account are not to exceed limits as defined in the Internal Revenue Code. Upon enrollment, a participant may direct employee and employer contributions to any of the twenty investment options.

Eligibility – All full-time employees are eligible to participate in the Plan upon reaching age 21 and completing two months of service. Participants will then enter the Plan on the first month coinciding with or next follows the date on which the participants satisfy the eligibility requirement for employer matching and nonelective contributions.

Forfeitures – Forfeited balances of terminated participants' non-vested accounts can be used to reduce Plan expenses or reduce employer contributions. The forfeited non-vested accounts totaled \$8,079 and \$7,328 at December 31, 2024 and 2023, respectively. In 2024, \$255 of forfeiture funds were used to pay participant fees and \$20,873 of participant fees were paid directly from participant accounts. In 2023, \$649 of forfeiture funds were used to pay participant fees and \$19,294 of participant fees were paid directly from participant accounts.

PETERSON PROPERTIES, INC., 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

2. DESCRIPTION OF THE PLAN (continued)

Investment Elections – Participants may direct the investment of all contributions into various investment options offered by the Plan. The Plan allows participants to direct their contributions and account balances amount various investment options offered.

Participant Accounts – Each participant’s account is credited with (a) the participant’s salary deferral contribution, (b) the allocation of the employer discretionary contribution, (c) Plan earnings, and (d) contributions and forfeitures of terminated participants’ non-vested accounts. Participant accounts are debited with an allocation of administrative expenses. Allocation is based on participant compensation or account balances, as defined in the Plan agreement.

Payment of Benefits – Upon termination of service or at retirement age or age 59 ½, a member may elect to either receive a lump-sum amount equal to the value of the member's vested benefit or leave any vested benefit in the Plan. Withdrawals prior to attaining age 59 ½ are not permitted, except in the event of retirement, disability, or as a hardship distribution. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. Vested benefits of former participants totaled \$74,815 and \$139,236 at December 31, 2024 and 2023, respectively.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. A participant's vesting in Company contributions and the related earnings is based upon years of continuous service.

A participant’s vesting percentage is shown in the following schedule opposite the number of whole years of his vesting service:

<u>Vesting Service</u> <u>(whole years)</u>	<u>Vesting</u> <u>Percentage</u>
Less than 2	0
2	25
3	45
4	65
5	85
6 or more	100

However, the vesting percentage for a participant who is an employee on or after the earliest of (i) the date he reaches his normal retirement age, (ii) the date of his death, or (iii) the date he becomes totally and permanently disabled, shall be 100% vested on such date.

3. PLAN FAIR VALUE MEASUREMENTS OF ASSETS AND LIABILITIES

The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three-tier hierarchy of inputs is summarized in the three broad levels below:

- Level 1 – inputs are unadjusted quoted market prices in active independent markets for identical assets and liabilities;
- Level 2 – inputs are directly or indirectly observable estimates from quotes for similar but not identical assets and liabilities, market trades for identical assets not actively traded, or other external independent means;
- Level 3 – inputs are unobservable and reflect assumptions on the part of the reporting entity.

The following table sets forth information about the levels within the fair value hierarchy at which the Plan's assets and liabilities are measured on a recurring basis at December 31:

4. INVESTMENTS

The Plan administrator has elected the method of compliance as permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for the years ended December 31, 2024 and 2023. As permitted under such election, the Plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following investment information certified by Great West Life & Annuity Insurance Company in 2024 and 2023, the Trustee of the Plan, except for comparing such information certified by the trustee included in the Plan's financial statements and supplemental Schedule H, line 4i – Schedules of Assets (Held at Year End):

	2024	2023
Mutual funds	\$ 988,589	\$ 2,115,480
Collective trust funds	3,400,983	1,905,756
Investment contract with insurance company	483,456	1,287,383
Total	\$ 4,873,028	\$ 5,308,619

The trustee also certified to the completeness and accuracy of \$668,900 and \$790,379 of net appreciation in fair value of mutual funds and common collective trusts, \$7,505 and \$11,414 of interest income from investment contracts, and \$24,970 and \$30,954 of interest and dividends from mutual funds related to the aforementioned investments for the years ended December 31, 2024 and 2023, respectively.

PETERSON PROPERTIES, INC., 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

5. INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan entered into guaranteed investment contracts with Great West Life & Annuity Insurance Company (“Great West”) to participate in the Key Guaranteed Portfolio Fund. Great West maintains the contributions in its general account. The account is credited with earnings on the underlying investments and forfeitures, and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented at contract value on the face of the statements of net assets available for benefits. Contract value, as reported to the Plan by Great West, consists of contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the Plan to qualify under 401(a) of the Internal Revenue Code (“IRC”) or the failure of the trust to be tax exempt under Section 501(a) of the IRC, or (5) premature termination of the contract. The Plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer, and that also would limit the ability of the Plan to transact at contract value with participants.

PETERSON PROPERTIES, INC., 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

5. INVESTMENT CONTRACTS WITH INSURANCE COMPANY (continued)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

6. INCOME TAX STATUS

The IRS has determined and informed the Company by a letter dated May 25, 1999, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, members will become 100% vested.

PETERSON PROPERTIES, INC., 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of those securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. PARTIES – IN – INTEREST TRANSACTIONS

Parties-in-interest include fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization or relatives of such persons. The Plan made a direct payment to the third-party administrator of \$20,874 and \$19,294 in 2024 and 2023, respectively.

11. PLAN AMENDMENT

Effective July 1, 2023, the Plan was amended to include mandatory distributions of a participant's vested account balance following severance of employment. Any vested balance less than \$5,000 will be automatically distributed. If the mandatory distribution exceeds \$1,000, the funds will be automatically rolled over to an individual retirement account.
