Dear Sir or Madam:

This representation letter is provided in connection with your audits of the financial statements of Don Miller Group Employee 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes the financial statements (collectively, the "financial statements").

The purpose of the audit is to express an opinion as to whether the financial statements presented fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023 and changes in its net assets available for benefits for the year ended December 31, 2024 in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

 - A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - The certification meets the 29 CFR 2520.103-5 requirements.
 - The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.

5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

7. The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP. Among other things, relevant information may include completeness and availability of all minutes of the meetings of all relevant boards and committees, or summaries of actions of recent meetings for which minutes have not yet been prepared as well as communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
 - A substantially complete draft of Form 5500.
 - Additional information that you have requested from us for the purpose of the audit.
 - Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
20. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
21. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
22. We have no knowledge of any fraud or suspected fraud that affects Don Miller Group Employee 401(k) Plan and involves:

 - Employees who have significant roles in processing transactions or safeguarding assets (internal control), or
 - Others where the fraud could have a material effect on the financial statements.

23. We have no knowledge of any allegations of fraud or suspected fraud affecting Don Miller Group Employee 401(k) Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
24. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

26. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related party and party-in-interest relationships and transactions, including any side agreements.
27. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
28. We have no—
 - Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - Intentions to terminate the Plan.
29. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.
30. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
31. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:
 - Registered investment companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
 - Collective investment and common trust funds are composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the

collective or common trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported net asset value.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

32. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (*FASB*) *Accounting Standards Codification (ASC) 820, Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
33. The Empower Retirement, LLC Defined Contribution Pre-Approved Plan that the Plan has adopted effective January 6, 2022, obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code for us by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
34. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
35. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
36. The Plan has complied with the fidelity bonding requirements of ERISA.
37. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

38. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
39. In regard to the nonattest services performed by you, including summarization of financial information from our trustee and asset custodians' statements into a working trial balance and the preparation of financial statements in accordance with generally accepted accounting principles of the United States, we have:
- Assumed all management responsibilities.
 - Designated an individual (within senior management) with suitable skill, knowledge, or experience to oversee the services.
 - Evaluated the adequacy and results of the services performed.
 - Accepted responsibility for the results of the services.
 - Ensured that the plan's data and records are complete and received sufficient information to oversee the services.

ERISA Required Supplemental Schedules

40. We believe the form and content of the supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The above representations related to your audits are made to you as of 7/23/2025 | 8:40:55 AM CDT, the date of your audit report.

Sincerely,

Don Miller Group Employee 401(k) Plan
