Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **LEE CPA AUDIT GROUP**

(2) EIN: **81-4637885**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor of G-CON Manufacturing, Inc. 401(k) Plan
College Station, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of G-CON Manufacturing, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of G-CON Manufacturing, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of G-CON Manufacturing, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about G-CON Manufacturing, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of G-CON Manufacturing, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about G-CON Manufacturing, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

G-CON MANUFACTURING, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 1: DESCRIPTION OF PLAN

The following description of the G-CON Manufacturing, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan covering all eligible employees of G-CON Manufacturing, Inc. and G-CON Building Services, LLC (collectively, the "Company") with retirement benefits in accordance with section 401(k) of the Internal Revenue Code (the IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on January 1, 2023.

Effective January 1, 2024, the Plan documents were restated and the Plan amended to change the plan entry date to the first day of the month coinciding with or next following the date the eligibility requirements are met.

Effective November 12, 2024, the Plan was retroactively amended as of January 1, 2023 to change the plan entry date to the first day of the month coinciding with or next following the date the eligibility requirements are met.

Eligibility

To be eligible to participate in the Plan, employees must have reached 21 years of age. The plan excludes employees who are non-resident aliens or collectively bargained employees. Eligible employees shall enter the Plan on the first day of the calendar month coinciding with or next following the date the eligibility requirements are met.

Contributions

Participant Contributions: Participants elect to have amounts withheld from their paychecks and contributed to the Plan by the Company. Participants may contribute up to 90% of their plan compensation in pre-tax deferrals and Roth deferrals as defined in the Plan and by the Internal Revenue Service. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes post-severance compensation as eligible compensation.

Qualified Automatic Contribution Arrangement (QACA): The Plan includes QACA provisions for participants. Participants without an existing affirmative election shall be subject to the automatic deferral provisions of the Plan. The employer automatically withholds from a participant's compensation each payroll period based on the Plan Year of application to a participant as follows: 1-2 years-3%; 3 years-4%; 4 years-5%; 5 or more-6%.

- *Nonelective Contributions:* The Company may make discretionary nonelective contributions in an amount as determined by the Company.

G-CON MANUFACTURING, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Employer Contributions: (continued)

- *Safe Harbor QACA Matching Contributions:* The Company makes safe harbor QACA matching contributions in an amount equal to 100% of the first 1% of the participant's eligible compensation, plus 50% of the next 5% of the participant's compensation. The Company has made safe harbor matching contributions in the amount of \$626,410 during 2024.

All of the foregoing contributions are subject to limits as set by federal law.

Participant Accounts

Each participant's account is credited with the participant's own contributions and an allocation of net earnings from investments and changes in investment values. Allocations are based on each participant's contributions, earnings, or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's account. Participants select the investments into which their contributions are invested. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

Investment Options

Participants may direct the investment of all contributions into various investment options offered by the Plan and John Hancock Life Insurance Company (U.S.A.) ("John Hancock").

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or may elect to take partial payments. Terminated participants whose balances are less than \$5,000 will be automatically distributed. For such balances exceeding \$5,000, subject to certain requirements, participants may leave their account balance in the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request withdrawal from their contribution accounts for financial hardship or after attaining the age of 59½. The distribution of the participant's account must commence no later than April 1 following the calendar year in which the participant attains age 73.

Vesting

Participants are always fully vested in their own contributions and all earnings thereon. Participants vest in Company nonelective contributions at the rate of 20% for each year of service until fully vested, beginning on the second anniversary after the date of hire. Participants are fully vested in Company nonelective contributions after six years of credited service. Participants are fully vested in Company safe harbor QACA matching contributions after two years of credited service.

G-CON MANUFACTURING, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Participant Loans

Loans to participants consist of promissory notes received from participants in exchange for the distribution of cash from the Plan. A participant is allowed to borrow a minimum of \$1,000, up to one-half of the vested balance of their Plan account, up to a maximum of \$50,000. A participant may have 2 loans outstanding at any time. Loans must be repaid over no more than a five-year period with the exception of a loan for the participants' principal residence that may have a repayment period beyond five years. Principal and interest are paid not less frequently than quarterly or ratably through payroll deductions. Loans to participants are stated at the principal amount outstanding, which approximates fair value.

Forfeitures

Forfeitures of nonvested employer contributions, if any, shall be used to reduce employer contributions and can be applied to reduce administrative expenses charged to the Plan, for the plan year in which they occurred or thereafter. As of December 31, 2024 and 2023, there were \$54,016 and \$37,176, respectively, in forfeiture nonvested accounts available for future use.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Payment of Benefits

Benefits are recorded when paid.

G-CON MANUFACTURING, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investment contracts held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisors, custodians, and insurance company. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis.

Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, John Hancock the custodian of the Plan, has certified as being complete and accurate the following information as of December 31, 2024 and 2023, and for the year then ended December 31, 2024.

- Investments and notes receivable from participants are reflected on the accompanying statements of net assets available for benefits.
- Net appreciation in fair value of investments and interest income on notes receivable from participants are reflected on the accompanying statement of changes in net assets available for benefits.
- Investments are reflected on the schedule of assets (held at the end of year)

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

G-CON MANUFACTURING, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1) Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2) Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3) Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled separate accounts: These investments are public investment securities valued using the Net Asset Value (NAV) provided by the investment contract issuer. The NAV is quoted on a private market that is not active, however, the unit price is based on the underlying investments. A majority of the investments held by each fund are traded on an active market.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net appreciation in fair value of investments includes net unrealized and net realized gains and losses on investments during the year and is presented net of investment expenses. Investment income is allocated to individual participant accounts based upon the participant's share of the investment fund.

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

As of December 31, 2024, assets in the plan, as defined by ASC Topic 820, were as follows:

	<u>Assets at fair value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -	-	-	\$ 5,957,967 *
Total investments, at fair value	\$ -	-	-	\$ 5,957,967

As of December 31, 2023, assets in the plan, as defined by ASC Topic 820, were as follows:

	<u>Assets at fair value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -	-	-	\$ 5,599,920 *
Total investments, at fair value	\$ -	-	-	\$ 5,599,920

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023 are reported in the net change in fair value of investments.

NOTE 5: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invests in a fully benefit-responsive guaranteed investment contract with John Hancock. John Hancock maintains the contributions in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by John Hancock represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 5: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 6: PLAN TERMINATION

Although the Company expects to continue the Plan indefinitely, it has the right under the Plan to suspend its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accounts become fully vested and non-forfeitable. Plan assets would first be used to pay any expenses properly charged to the Plan. The remaining Plan assets would then be distributed to participants.

On October 31, 2024, the Company determined that employer-initiated events resulted in a decrease in Plan participation, resulting in a deemed partial plan termination. All participants who were affected by the terminations became fully vested in their account balances.

NOTE 7: TAX STATUS

The Company has adopted the Nova 401(k) Associates Inc Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA plan. The Internal Revenue Service ("IRS") has informed Nova 401(k) Associates Inc in a letter dated June 30, 2020, that its pre-approved defined contribution plan is designed in accordance with applicable sections of the IRC, and any Plan Sponsor adopting this form of the pre-approved defined contribution plan will be considered to have a plan qualified under applicable sections of the IRC. Therefore, the Plan and related trust are tax-exempt, and once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified as a tax-exempt trust.

NOTE 7: TAX STATUS (CONTINUED)

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock. John Hancock is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Any purchase and sale of investments in the custodian are open market transactions at fair market value. Fees incurred by the Plan for investment management services are included in the net appreciation in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue-sharing fees that are paid to John Hancock, other investment custodians, and investment advisors.

Additionally, the Plan Sponsor, G-CON Manufacturing, Inc., is also a party-in-interest to the Plan, however, there were no transactions with the Plan Sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan. The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to the Plan's Form 5500:

	2024	2023
Net assets available for benefits per the financial statements	\$ 6,220,656	\$ 5,841,409
Excess contributions payable	-	935
Net assets available for benefits per the Form 5500	\$ 6,220,656	\$ 5,842,344

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2024, to the Plan's Form 5500:

Change in net assets available for benefits per the financial statements	\$	379,247
Add: Excess contributions payable at December 31, 2023		(935)
Change in net assets available for benefits per the Form 5500	\$	378,312

NOTE 10: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11: SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The plan has evaluated subsequent events through May 27, 2025, the date the financial statements were available to be issued.
