(1) Name: FUSTCHARLES LLP

(2) EIN: 16-1226221

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
SRC Ventures, Inc. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SRC Ventures, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SRC Ventures, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SRC Ventures, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SRC Ventures, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements, Continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SRC Ventures, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about SRC Ventures, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(Continued)

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SRC VENTURES, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2024 and 2023

(1) Description of the Plan

The following description of the SRC Ventures, Inc. (Company) 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering substantially all employees of SRC Tec, LLC, a wholly owned for profit subsidiary of SRC Ventures, Inc., who are at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). SRC Ventures, Inc. is both the Plan sponsor and Plan administrator.

(b) Contributions

Each year, participants mandatorily contribute five percent of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans as well as additional salary deferrals, subject to certain limitations.

At the option of the participating employer's board of directors, the Company may make discretionary contributions amounting to 10% of eligible compensation earned by the participant during the Plan year. Such contributions will be allocated in the proportion that each participant's compensation bears to all participants' compensation.

Participants direct the investment of all contributions into various investment options offered by the Plan.

Participants who make elective deferrals over the mandatory five percent have the option to contribute to a Roth IRA fund.

SRC VENTURES, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

(1) Description of the Plan, Continued

(c) Participant Accounts

The Plan administrator maintains separate accounts in the name of each participant. Each participant's account is credited with the participant's contribution, allocations of the Company's contribution and respective allocations of net Plan earnings. The custodian's expenses are paid from each participant account, as a reduction of investment income, according to formulas established each year with the objective of keeping the reimbursements as close as possible to each account's actual expenses. Allocations are based on participant earnings or account balances, as defined. All other expenses are paid by the Plan sponsor. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance that is comprised of salary reduction contributions. Loan terms range from one to five years. Loans are secured by the balance in the participant's account and bear interest commensurate with local prevailing rates as determined quarterly by the Plan administrator which range from 4.25% to 9.50%. Principal and interest is paid ratably through monthly payroll deductions.

(f) Loans to Participants

Prior to July 1, 2019, participants could borrow directly from Teachers Insurance and Annuity Association (TIAA), formerly known as Teachers Insurance and Annuity Association/College Retirement Equities Fund (TIAA-CREF), the Plan custodian, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 45 percent of the combined accumulations attributable to their retirement plan under the originating CREF Certificate and the companion TIAA contract. Collateral for the loan is held in the TIAA Traditional Annuity at 110% of the outstanding loan amount.

The loans are not shown in the Plan's statements of net assets available for benefits as the loans are not made from Plan assets and are, therefore, not considered assets of the Plan. Loan interest rates are fixed at prevailing interest rates. Principal and interest is paid ratably by the participant directly to TIAA over a maximum of 5 years (up to 10 years for the purchase of the participant's primary residence). At December 31, 2024 and 2023, loans to participants amounted to \$34,989 and \$40,798, respectively.

Notes to Financial Statements

(1) Description of the Plan, Continued

(g) Payment of Benefits

Upon retirement or disability at any age, the participant shall be entitled under the terms of the Plan to receive a monthly or periodic income under one of the annuity options, or the participant may choose a lump-sum distribution.

In the event a participant dies prior to commencement of retirement benefit payments, the full current value of the annuity accumulation is then payable to the beneficiary or beneficiaries named by the participant in a single sum or under any one of the income options offered by TIAA. In-service distributions of fully vested employer contributions are permitted upon attainment of age 62.

A participant terminating employment for reasons other than retirement or disability may choose a lump-sum distribution or choose to wait until he or she reaches retirement age as defined by the Plan.

The Plan will make a mandatory distribution following severance of employment if the participant's accumulated benefit does not exceed \$5,000.

Benefits are recorded when paid.

(h) Forfeited Accounts

At December 31, 2024 and 2023, forfeited non-vested balances were \$17,138 and \$11,778, respectively. All forfeitures by Plan participants will be used to reduce future employer contributions. During 2024 and 2023, \$58,729 and \$101,658, respectively, of forfeitures were used to reduce employer contributions.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

SRC VENTURES, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

(2) Summary of Accounting Policies, Continued

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policy utilizing information provided by investment advisors and the custodian. See note 5 for discussion of fair value measurements.

Participants who have elected the Traditional Annuity contract have entered into benefit responsive contracts with TIAA, which consist of both fully benefit responsive and non-fully benefit responsive contracts. TIAA maintains contributions in general accounts and accounts are credited with earnings on the underlying investments and charged with participant withdrawals and administrative expenses. The non-fully benefit responsive contracts, consisting of fixed return contracts, are included in the financial statements at fair value as reported by TIAA. Contract value represents contributions made under the contract, plus earnings less withdrawals and administrative expenses. The contracts buy a contractual or guaranteed amount of future benefits, which are subject to certain withdrawal limitations.

SRC VENTURES, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

(2) Summary of Accounting Policies, Continued

(c) Investment Valuation and Income Recognition, Continued

Withdrawal fees represent fees incurred if a participant separates from service and elects to withdraw accumulations from the traditional annuity within 120 days of separation.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in the fair value of investments, consists of the realized gains (losses) and the unrealized appreciation (depreciation) on those investments.

(d) Subsequent Events

Subsequent events have been evaluated through June 27, 2025, which is the date the financial statements were available to be issued.

(3) Investment Contracts with Insurance Company

Participants who have elected the Traditional Annuity contract have entered into benefit responsive contracts with TIAA. TIAA maintains contributions in general accounts and accounts are credited with earnings on the underlying investments and charged with participant withdrawals and administrative expenses.

Certain annuity contracts underlying the Traditional Annuity contract are fully benefit responsive and therefore reported at contract value. Accordingly, as described in note 2(c), contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the annuity contract. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the non-fully benefit responsive contracts through TIAA at December 31, 2024 and 2023 was \$3,274,330 and \$2,941,868, respectively, and the contract value of the fully benefit responsive contracts at December 31, 2024 and 2023 was \$2,937,613 and \$2,077,270, respectively.

SRC VENTURES, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

(3) Investment Contracts with Insurance Company, Continued

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The annuity contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The approximate average yield and crediting interest rate was as follows for 2024 and 2023:

Traditional Annuity - non-fully benefit responsive	1.0% - 3.0%
--	-------------

(4) Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA - required supplementary schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA.

SRC VENTURES, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

(5) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Annuity contracts: Valued based on accumulated cash contributions and earnings on the contract, less any withdrawals and administrative expenses.

Pooled separate accounts: Units of pooled separate accounts are valued at each accounts net asset value (NAV) as determined by TIAA as a practical expedient to estimate fair value.

(6) Party-in-Interest Transactions

Plan investments include shares of mutual funds and annuities managed by TIAA. TIAA is the custodian and recordkeeper, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

SRC VENTURES, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100 percent vested in their employer contributions.

(8) Tax Status

The Internal Revenue Service (IRS) has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan utilizes a non-standardized prototype document. The IRS issued an opinion letter to the prototype sponsor on October 7, 2020. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations prior to 2021.

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
