## INDEPENDENT AUDITOR'S REPORT

To the Trustee and Plan Administrator  
Cogent Communications, Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cogent Communications, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cogent Communications, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT (continued)**

### **Basis for our Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cogent Communications, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cogent Communications, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## **INDEPENDENT AUDITOR'S REPORT (continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cogent Communications, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cogent Communications, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) – Schedule H, line 4i, as of and for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COGENT COMMUNICATIONS, INC. 401(K) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

1. *DESCRIPTION OF THE PLAN*

The following description of the Cogent Communications, Inc. (the "Company" or "Sponsor") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective May 1, 2023, the Plan's participants increased significantly with the acquisition of approximately 850 US employees from the Company's acquisition of T-Mobile's Wireline Business. On this date, the Plan was also amended to exclude residents of Puerto Rico.

Contributions

Each year, participants may contribute up to 100% of their eligible compensation up to the statutory allowable limit, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other eligible retirement plans except for Roth and after-tax contributions (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common/collective trust as investment options. The Company may make a discretionary qualified matching contribution that is allocated equally as a percentage of 401(k) deferrals made during the Plan year. For 2023, the Company made a 2% discretionary matching contribution. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's matching contribution and the Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and the Company's contribution plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 and are limited to one outstanding loan at a time. The Plan does not allow loans to be refinanced. Participants must have a minimum vested balance of \$2,000 to be eligible for a loan.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

1. *DESCRIPTION OF THE PLAN (continued)*

Notes Receivable from Participants (continued)

Under regulations provided by the Department of Labor and provisions of the Internal Revenue Code, loans to Plan participants have been restricted. Generally, loans will be limited to the lesser of \$50,000 or one-half of the employee's vested account balance. The loans must be repaid within five years, unless the loan is used to purchase the participant's principal residence.

The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 8.00%, which is the prevailing rate. Principal and interest are paid ratably through semi-monthly payroll deductions through June 2022. Effective July 2022, the loans were re-amortized based on bi-weekly payroll deductions when the Plan Sponsor changed its payroll frequency.

Payment of Benefits

Upon normal retirement age (65), death, disability, or termination of service, a participant receives a lump-sum amount equal to the value of the participant's vested interest in their account.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to a mix of investment funds made available to the Plan by the custodians and as selected by the Company from time to time.

Forfeited Accounts

At December 31, 2023, the balance of the forfeited non-vested accounts totaled \$4,032. Activity in forfeited accounts arises from employer matching forfeitures on corrective distributions of Excess Deferrals.

SECURE and CARES Acts

In 2020, certain provisions under the SECURE and CARES Acts relating to participant distributions were enacted. The SECURE and CARES Acts allow for utilization of these provisions immediately but require formal adoption of the amendments no later than the last day of the plan year beginning on or after January 1, 2022. The Plan has adopted these provisions.

2. *SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES*

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the common/collective trust, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator, as defined in the Plan Document, determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for discussion of fair value measurements.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

2. *SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)*

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net increase in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are deducted directly from loan proceeds. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The plan distributed the 2023 and 2022 excess contributions to the applicable participants.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included as a reduction of net increase of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through January 16, 2025, the date the financial statements were available to be issued.

3. *FAIR VALUE MEASUREMENTS*

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

COGENT COMMUNICATIONS, INC. 401(K) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

3. *FAIR VALUE MEASUREMENTS (continued)*

Level 2: Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

| <u>Assets at Fair Value as of December 31, 2023</u> |                      |                |                |                      |

4. *INVESTMENTS MEASURED USING NET ASSET VALUE PER SHARE*

The Plan offers the option to invest in a common/collective trust ("CCT"), Capital Preservation Fund (the "Fund"), with Federated Investors Trust Company, a provider of investment management products. The CCT is valued at the net asset value per share and consists of guaranteed investment contracts, separate account guaranteed investment contracts, and synthetic guaranteed investment contracts. The net asset value, as provided by the trustee, is based on the fair value of the underlying investments held by the fund less its liabilities. Participants may purchase units of the CCT daily, based on the established unit value of \$10.00, and may redeem units of the CCT for the purpose of obtaining a benefit payment, participant loan, or transferring the participant's interest in the plan to another investment election that is a noncompeting investment, or paying fees.

The redemption notice period is 12 months for other purposes. All participants of the fund have a proportionate undivided interest in all assets of the Fund. Net investment income is distributed to participants monthly and is reinvested to purchase additional units.

Guaranteed investment contracts (traditional GICs) represent deposits which guarantee a stated interest rate for the term of the contract. The fair value of guaranteed investment contracts is determined based on the present value of the contract's expected cash flows, discounted by current market interest rates for like-duration and like-quality investments. Separate account guaranteed investment contracts (separate account GICs) consist of portfolios of securities (fixed-income securities or shares of open-end mutual funds) held in a separate account owned and managed by or on behalf of the insurance company issuing the investment. Synthetic guaranteed investment contracts (synthetic GICs) are portfolios of securities owned by the Fund.

The key difference between a synthetic investment contract and a traditional investment contract is that the Fund owns the underlying assets of the synthetic investment contract. A synthetic investment contract includes a wrapper contract, which is an agreement for the wrap issuer, such as a bank or insurance company, to make payments to the Fund in certain circumstances. The wrapper contract typically includes certain conditions and limitations on the underlying assets owned by the Fund. With traditional investment contracts, the Fund owns only the contract itself. Synthetic and traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers.

The synthetic investment contract held by the Fund includes wrapper contracts that provide a guarantee that the interest rate, also known as the crediting rate, will not fall below zero percent. The crediting rate is initially based on the yield of the underlying securities and changes based on the experience of the cash flow and market value of the underlying fixed-income securities. Formulas are provided in each contract that adjusts renewal crediting rates to recognize the difference between the fair value and the book value of the underlying assets. Interest crediting rates are typically reset on a monthly or quarterly basis according to each GIC.

Certain events may affect the interest crediting rate. For example, participant withdrawals and transfers from the Fund are paid at contract value but may be funded through the fair value liquidation of the underlying fixed-income securities, which could impact the interest crediting rate. The resulting gains and losses in the fair value of the underlying fixed-income securities relative to the contract are recorded as an adjustment from fair value to contract value on the Fund's financial statements. As of December 31, 2023 and 2022, the adjustment from fair value to contract value was 3.62% and 4.00%, respectively.

5. *PLAN TERMINATION*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

6. *TAX STATUS*

Effective January 1, 2021, the Plan was restated by adopting pre-approved prototype plan document sponsored by Empower Trust Company (Empower), formerly Great-West Trust Company, who received an opinion letter from the IRS dated November 14, 2022, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself did not receive a determination letter from the IRS. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been made in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of both December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken what would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. *RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS*

Certain Plan investments are shares of mutual funds, common/collective trusts, and accounts managed by Empower. Empower is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Under the Plan's administrative services agreement with Empower, effective July 1, 2021, an asset-based charge at an effective annual rate of 0.12% will be assessed for administrative costs associated with the Plan and is deducted from participant account balances. These fees are assessed on a quarterly basis.

Certain assets held in the Plan are invested in one or more non-proprietary mutual funds that pay fees to Empower. Empower will make certain amounts available for purposes of either paying reasonable and appropriate Plan expenses resulting from these fees in a separate plan expense reimbursement cash account known as the Plan Expense Account or crediting these balances directly to participants.

Other reasonable expenses incurred in the administration of the plan may be paid by the Plan. For the year ended December 31, 2023, the Plan paid \$84,536 for administrative fees. The excess amount in the Plan Expense Account as of December 31, 2023 and 2022 totaled \$119,392 and \$113,693, respectively. The Company provides certain accounting and administrative services to the Plan for which no fees are charged.

8. *RISKS AND UNCERTAINTIES*

The Plan invests in mutual funds that invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. *OTHER ADDITIONS*

Pursuant to the Plan Expense Agreement, revenue share deposits are credited to the Plan for each month where the Plan maintains a balance in one or more funds that results in fund fees being paid to Great-West Trust Company (Great-West). Great-West will credit the Plan Expense Account an amount in arrears equal to one hundred percent of the fund fees actually received. During the year ended December 31, 2023, total revenue share deposits from Great-West and Empower totaled \$26,592, which was paid to investment advisors as flow-through expenses.

Effective July 1, 2021, pursuant to the Fee Levelization agreement, the new fee structure states that revenue sharing is credited directly to participant accounts, not the Plan Expense Account. Recordkeeping and investment management fees are also paid from participant account balances. During the year ended December 31, 2023, net revenue share credited back to participant accounts totaled \$9,506.

During the year ended December 31, 2023, principal repayments were received by the Plan on deemed distributed loans in the amount of \$3,917.

10. *CERTIFIED INVESTMENTS*

Certain information related to investments and notes receivables from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net increase in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company (the custodian of the Plan).

11. *RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500*
