INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Falconi Dealerships
Falconi Dealerships 401(k) Plan
Moon Township, Pennsylvania

Opinion

We have audited the accompanying financial statements of Falconi Dealerships 401(k) Plan (“Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), which comprise the statements of assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“U.S. GAAS”). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT

(continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT

(continued)

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

FALCONI DEALERSHIPS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the Falconi Dealerships 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution plan covering all employees of The Civic Automobiles Group, Runway Ford, Inc., and Ambridge Motors, Inc. (collectively, the "Companies" and/or "Plan Sponsor"). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provision of the Internal Revenue Code ("IRC") and similar state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan covers all eligible employees who have worked at least 1,000 hours in a consecutive 12-month period and are age 21 or older.

Contributions

An employee participating in the Plan may defer the maximum allowable under IRC Sections 415(c) and 402(g) of his or her salary through payroll deductions. Salary reduction contributions for any calendar year are subject to certain IRC limitations of \$23,000 and \$22,500 in 2024 and 2023, respectively. Eligible employees automatically defer 4% of their salary into an American Funds Retirement Fund commensurate with the participant's projected retirement date unless they chose a different percentage or decline to participate in the Plan. Deferral contributions are pre-tax elective deferral contributions unless the participant designates all or a portion as Roth elective deferral contributions by completing an elective deferral agreement. The Plan provides for the matching of pre-tax and Roth contributions by the Companies equal to a maximum of 50% of the first 6% of the participant's elected deferrals. In addition, participants who receive qualified distributions from another qualified plan may be able to rollover such distributions into the Plan. Rollover contributions for 2024 and 2023 were \$208,128 and \$0, respectively.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (limited by the IRC to \$7,500 in 2024 and 2023). Internal Revenue Service ("IRS") guidelines restrict the total contributions for participants over the age of 50 for years ended December 31, 2024 and 2023 to \$30,500 and \$30,000, respectively.

FALCONI DEALERSHIPS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Companies' discretionary contribution (profit sharing portion)

At the Companies' discretion, they may elect to contribute additional amounts out of earnings to all eligible salaried employees. Eligible salaried employees are those who were employed as of the last day of the Plan year or have resigned during the year and have completed at least 500 hours of service during the Plan year, or who were terminated by reason of retirement, death, or permanent disability. Eligible employees share in the allocation of the discretionary profit sharing contribution based on a fraction as defined in the Plan document. There were no discretionary profit sharing contributions during the years ended December 31, 2024 and 2023.

Participant accounts

Each participant's account is (a) credited with the participant's contributions, the Companies contributions, and earnings (losses); (b) reduced by the participant's withdrawals; and (c) reduced by administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations to individual participant accounts are based upon unit values at specified valuation dates.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Companies' discretionary profit sharing and matching contributions is based on years of continuous service as noted below:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| 1 | 20% |
| 2 | 40% |
| 3 | 60% |
| 4 | 80% |

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Payment of benefits

A participant who has terminated service, has incurred a hardship (as defined in the Plan document), or has become disabled may receive a distribution from the Plan. Upon termination of service due to death, disability, or retirement, if the participant's account balance is \$7,000 or less during the year ended December 31, 2024 and \$5,000 or less during the year ended December 31, 2023, the terminated participant's account balance will be automatically rolled into a qualified individual retirement account. If the participant's account balance is greater than \$7,000 during the year ended December 31, 2024 and \$5,000 during the year ended December 31, 2023, the participant may elect to receive either a lump-sum amount or installments over a period of not more than their assumed life expectancy. In determining whether the \$7,000 threshold for the year ended December 31, 2024 and \$5,000 threshold for the year ended December 31, 2023 has been exceeded, rollovers and applicable earnings will not be taken into account.

If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date which is April 1 following the year in which the 5% owner attains the age of 73. For all other participants, the required beginning date is April 1 following the year in which the participant attains the age of 73 or terminates employment with the employer, if later.

Hardship distributions can only be made from accounts which are 100% vested and the participant must be employed at the time of taking the hardship distribution.

Forfeited accounts

Forfeitures of nonvested employer discretionary contributions arising from employee terminations and withdrawals are used to pay Plan expenses, supplement discretionary profit sharing contributions, or reduce matching contributions. Forfeited accounts totaled \$7,050 and \$2,760 as of December 31, 2024 and 2023, respectively. Forfeited nonvested accounts in the amount of \$909 and \$0 were used to reduce employer matching contributions made during the years ended December 31, 2024 and 2023, respectively. Unused forfeited amounts of \$4,698 and \$0 were used to pay Plan expenses for the years ended December 31, 2024 and 2023, respectively. Unused forfeited amounts are recorded within the money market fund on the statements of assets available for benefits.

Investment options

Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocations on a daily basis.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies followed by the Plan and the method of applying those policies which materially affect the determination of the assets available for benefits and changes in assets available for benefits are as follows:

Basis of presentation

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets available for Plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are presented at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes gains on investments bought and sold as well as held during the year and is reported within the statements of changes in assets available for benefits.

The underlying investment securities are exposed to various risks, such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits and participants' individual account balances.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Expenses incurred in administering the Plan are paid by the Plan Sponsor or the Plan, as permitted by the Plan document.

Subsequent events

In preparing these financial statements, the Plan evaluated events that occurred through July 22, 2025, the date the financial statements were available to be issued, for potential recognition or disclosure.

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market observability:

Level I - Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments reported as Level I include listed mutual funds and the money market fund.

Level II - Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments.

Level III - Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

Following are the descriptions of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the closing price reported in the active market in which the individual funds are traded.

Money market fund: Valued at \$1 per unit based on the number of units held by the Plan at year-end.

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 3 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

| | 2024 | | | |
|------------------------------------|----------------------|-----------------|------------------|----------------------|
| | <u>Level I</u> | <u>Level II</u> | <u>Level III</u> | <u>Total</u> |

| Total | <u>\$ 11,402,231</u> | <u>\$ --</u> | <u>\$ --</u> | <u>\$ 11,402,231</u> |

NOTE 4 - RELATED PARTY TRANSACTIONS

Plan investments are mutual funds and a money market fund managed by the Custodian, American Funds. American Funds is the Custodian as defined by the Plan and, therefore, transactions with those accounts qualify as party-in-interest transactions.

Fees paid by the Plan for administrative services amounted to \$24,748 and \$20,743 for the years ended December 31, 2024 and 2023, respectively. Certain administrative functions are performed by officers or employees of the Companies. No such officers or employees receive compensation from the Plan. Certain other administrative expenses are paid directly by the Companies for which they are not reimbursed.

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 6 - TAX STATUS

The Plan has adopted a volume submitter plan. The sponsor of the volume submitter plan has received an opinion letter dated June 30, 2020 from the IRS as to the volume submitter plan's qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designated, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the appropriate taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, tax returns for the years ended December 31, 2021 and thereafter remain subject to examination by the appropriate taxing authority.
