Reasonable cause letter

To Whom It May Concern,

This letter is to explain why our 2023 5500 SF was filed late. We have been with ADP Run for years for our payroll processing and never had an issue. In March 2023, we switched over to ADP TotalSource and our 401k plan was rolled over to a new plan, both with Voya. In January 2024, I was asked to file our 5500SF for our plan for 2023 and it showed on my portal as submitted on January 10, 2024 and I thought it was complete.

It wasn't until June 2025 that I received a letter from the IRS that stated that my 5500SF had not been filed for the year ending 2023. I immediately called ADP and asked about this, showing them my proof of submission and they researched it and got back to me to let me know that because we had rolled our plan from ADP Run to ADP TotalSource and that they were different companies, that we were supposed to have called ADP Run to tell them to file a final return. No one told us about this. I figured ADP was ADP and that we were rolling it over and I filed a return with ADP so I truly thought it was handled.

Our long time CPA also tragically passed away earlier this year so we have not been able to have guidance on this matter from him.

We are requesting that the fees or fines be waived for this case if possible. We would truly appreciate it.

Sincerely,

Jennifer Trastelis
