Part I

Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1

Information on Persons Receiving Only Eligible Indirect Compensation

- a

Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).....

X

**Part I Service Provider Information (continued)**

**3.** If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

## **Independent Auditors' Report**

To the Plan Administrator and Participants of  
University Physicians and Surgeons, Inc., Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of University Physicians and Surgeons, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter with Regard to Restatement of 2021 Financial Statements**

As discussed in Note 10 to the financial statements, the 2021 financial statements have been restated to correct an error related to the exclusion of investments held by Teachers Insurance and Annuity Association and College Retirement Equities Fund. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

#### **Other Matter - 2021 Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter - Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**Note 1. Description of Plan and Significant Accounting Policies**

**Plan description:** The following description of the University Physicians and Surgeons, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for more complete information.

**General:** The Plan is a contributory defined contribution plan available to regular full-time, regular part-time and supplemental employees of University Physicians and Surgeons, Inc. (the Plan Sponsor) as defined in the employee handbook, but excluding residents and those who were employed prior to June 30, 1996, but who elected irrevocably by July 1, 1996 not to participate in the Plan. An eligible employee shall begin participation in this Plan on their first day of employment, or upon reaching the age of 18. The Plan was established October 1, 1981, last restated January 1, 2019 (to amend the Plan to allow participant loans within the Plan and to implement hardship distribution provisions of the Bipartisan Budget Act of 2018), and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law, which includes provisions relating to retirement plans. The Employer implemented certain changes provided for under the CARES Act including allowing certain eligible individuals to receive CARES Act related distributions and loans.

**Contributions:** Participants are required to defer a portion of their compensation, as defined in the Plan document, limited to the maximum allowed under the Internal Revenue Code (IRC) for such Plan year.

**Participant investment options:** Each Plan participant has the right to direct all contributions and earnings of their account among investment funds provided under the Plan. Participants should refer to the most recent annual report of each investment fund for information on risk factors, asset concentrations and other financial data. Participants may transfer funds between investment options at any time.

**Participant accounts:** Each participant's account is a daily valued account. Allocation of investment earnings and administrative expenses occurs daily. Participant contributions are allocated to their respective accounts based on eligible wages, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their deferral and rollover contributions, as well as earnings which are credited to their respective account.

**Benefit payments:** Upon retirement (normal retirement age of 65), death, disability, or other termination of employment, as defined in the Plan Document, participants or their spouses and/or beneficiaries receive benefits in accordance with their selected benefit options, as described in the Plan Document, which include:

- Single life annuities
- Joint and survivor annuities
- Lump-sum and systematic cash withdrawals
- Fixed period annuities
- Retirement transaction benefits

During the year ended December 31, 2020, the Plan implemented the mandatory provision of the CARES Act which waived the required minimum distribution (RMD) in 2020. Additionally, under the CARES Act, qualified participants of the Plan could receive coronavirus-related distributions of up to \$100,000 through December 31, 2020, that are exempt from the 10% early withdrawal tax and for which the income tax is deferred over a three-year period. Participants receiving these distributions could repay the distributions over a three year period without incurring any additional income tax burden. The Plan paid coronavirus-related distributions to qualified participants in the amount of \$805,365 through December 31, 2020. The Plan has not received any repayments of these distributions through December 31, 2021, and it is unknown as to whether or not any of these distributions will be repaid to the Plan.

**Significant Accounting Policies**

**Use of estimates:** The preparation of these financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. The principles and policies which significantly affect the determination of net assets and the changes in net assets are summarized below.

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

**Investments:** The Teachers Insurance and Annuity Association (TIAA) and College Retirement Equities Fund (CREF) are the trustees under a group annuity contract for funds invested within them.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

See Note 6 for discussion of fair value measurements.

**TIAA:** TIAA Traditional Annuity is a guaranteed fixed annuity offered through a contract with TIAA and is backed by TIAA's general account. TIAA Traditional Annuity contract is considered to be an unallocated insurance contract. The contract provides for guarantee of principal, a guaranteed minimum interest rate, and the potential for additional interest when declared by TIAA. The additional interest, if declared, is effective March 1 of each year and the rate is determined annually. The total interest crediting rate was 3.70% and 3.00% for years ending December 31, 2021 and 2020, respectively.

The TIAA Real Estate Account is an investment in an insurance company pooled separate account, recorded at the net asset per unit value.

**CREF:** The CREF investments are investments in registered investment companies for which fair value is readily determinable. The CREF accounts are investment options in variable annuities held pursuant to the terms of the Plan. Contributions to variable annuities purchase units, the value of which is calculated daily. The changes in unit values reflect the gains, losses, dividends and interest received by the entire account. The unit value is determined by dividing the total value of the fund by the number of units invested in each respective fund.

**TIAA-CREF:** The TIAA-CREF investments are investments in registered investment companies for which fair value is readily determinable. The funds invest principally in equity securities, fixed-income instruments, other mutual funds and short-term instruments in accordance with each fund's investment objectives. Fund holdings are generally valued using market quotations or prices obtained from independent pricing services, except those held by the TIAA-CREF Money Market Fund, whose holdings are valued at amortized cost. Each fund determines its share price or net asset value (NAV) each day.

**Payment of benefits:** Benefit payments to participants are recorded upon distribution.

**Administrative expenses:** The majority of administrative expenses of maintaining the Plan are paid by the Plan Sponsor. Administrative expenses paid by the Plan Sponsor are excluded from the Plan's financial statements. Fees related to the administration of distributions and notes receivable are charged directly to the participant's account and are included in administrative expenses in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

---

**Notes receivable from participants:** Participant loans are subject to a maximum amount which is the lesser of one-half of a participant's vested account balance or \$50,000. The participant's account balance serves as collateral for the loan. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Terms range up to five years or greater for the purchase of a primary residence.

Additionally, the CARES Act also permitted suspension of loan repayments for new and existing Plan loans for a period of up to a year and for extension of the term of the loan for a period of up to a year without violating the maximum five-year term for qualified individuals through December 31, 2020. The Plan made loans of \$2,300 and altered the repayment terms of loans in the amount of \$85,881 as permitted by the CARES Act through December 31, 2020.

**Significant New Authoritative Accounting Guidance:** On October 29, 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-10, *Codification Improvements*, which affects a wide variety of Topics in the Codification. The amendments apply to all reporting entities within the scope of the affected accounting guidance. More specifically, this ASU, among other things, contains amendments that improve the consistency of the Codification by including all disclosure guidance in the appropriate Disclosure Section (Section 50). Many of the amendments arose because the FASB provided an option to give certain information either on the face of the financial statements or in the notes to financial statements and that option only was included in the Other Presentation Matters Section (Section 45) of the Codification. The option to disclose information in the notes to financial statements should have been codified in the Disclosure Section as well as the Other Presentation Matters Section (or other Section of the Codification in which the option to disclose in the notes to financial statements appears). Those amendments are not expected to change current practice. The amendments of ASU 2020-10 are effective for annual periods beginning after December 15, 2020, for public business entities. For all other entities, the amendments are effective for annual periods beginning after December 15, 2021, and interim periods within annual periods beginning after December 15, 2022. Early application of the amendments is permitted for and varies based on the entity. The amendments should be applied retrospectively and at the beginning of the period that includes the adoption date.

On June 30, 2022, the FASB issued ASU 2022-03, *Fair Value Measurement (Topic 820): Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions*. The amendments of this Update clarify that a contractual restriction on the sale of an equity security is not considered part of the unit of account of the equity security and, therefore, is not considered in measuring fair value. This ASU is effective for public business entities for fiscal years, including interim periods within those fiscal years, beginning after December 15, 2023. Early adoption is permitted. For all other entities, it is effective for fiscal years, including interim periods within those fiscal years, beginning after December 15, 2024. Early adoption is permitted for both interim and annual financial statements that have not yet been issued or made available for issuance.

Plan management has evaluated the potential effects of this new accounting and financial reporting standard updates and has determined that they should not have a significant impact on the Plan's financial reporting.

**Subsequent events:** The Plan has evaluated subsequent events through September 28, 2022, the date on which the financial statements were originally issued, and through May 29, 2025 the financial statements were reissued.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

---

**Note 2. Income Tax Status**

The Plan has been designed to meet the requirements of Section 403(b) of the IRC. The terms of the Plan have been prepared to be in conformity with the sample language provided by the Internal Revenue Service (IRS) in the draft Listing of Required Modifications issued April 4, 2009. The Plan received a determination letter dated August 7, 2021 that states the Plan qualifies under IRC 403(b). The Plan is required to operate in conformity with the IRC to maintain the tax-advantaged status for plan participants under Section 403(b) and therefore, believes that the Plan is qualified, and the related trust is tax exempt. The Plan Administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 3. Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

**Note 4. Party in Interest and Related-Party Transactions**

Parties in interest are defined under Department of Labor's Rules and Regulations (DOL) as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Administrative expenses for legal, accounting and other professional services are paid directly by the Plan Sponsor and are not charged to the Plan. Certain administrative functions are performed by officers or employees of the Plan Sponsor at no cost to the Plan. Administrative fees attributable to the TIAA Traditional Annuity are withdrawal fees allocated to the participant. Fees for the years ended December 31, 2021 and 2020 were \$63,424 and \$18,314, respectively.

TIAA issues plan loans to participants in the Plan. Plan loans are issued directly from funds owned by TIAA and not directly from participant accounts. A portion of the participant's account is held as collateral to cover 110% of the outstanding loan in case of default. Plan loans are not assets of the Plan. Outstanding plan loans at December 31, 2021 and 2020 approximated \$485,702 and \$870,056, respectively.

**Note 5. Information Certified and Provided by TIAA and CREF**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA for 2021 and 2020. Accordingly, TIAA and CREF, the Trustees of the Plan, have certified to the completeness and accuracy of all investments including notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the Statement of Changes in Net Assets available for benefits for the years ended December 31, 2021 and 2020.

**Note 6. Fair Value Measurements**

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

**Registered Investment Companies:** Valued using market quotations. Valued at closing accumulated unit value held by the Plan.

**Separate Accounts:** Valued at net asset value (NAV), which is used as a practical expedient for the determination of fair value. The use of net asset value as fair value is deemed appropriate as there are no imposed redemption restrictions and the Plan does not have any contractual obligations to further invest in the account.

**TIAA Traditional Annuity Contract:** The TIAA Traditional Annuity Contract is valued at contract value, which equals cash contributions, plus interest credited to the Plan's contract, less any withdrawals. TIAA has represented that contract value approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### Note 7. Fully Benefit-Responsive Investment Contracts

The Plan holds a traditional fully benefit-responsive guaranteed investment contract, for which contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the sponsoring trustee, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 2.40%. The crediting rate is reviewed on an annual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. These events may be different under each contract. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or, (5) premature termination of the contract.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. These events may be different under each contract. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation or (4) a material amendment to the agreement without the consent of the issuer.

**Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 9. Concentrations**

The Plan had concentrations of individual investments with reported values exceeding 10% of net assets available for benefits. As of December 31, 2021 and 2020, the Plan had investments of \$43,310,025 and \$39,259,034, respectively, that were concentrated in two funds for both 2021 and 2020.

**Note 10. Restatement**

The accompanying 2021 financial statements have been restated to correct an error related to the exclusion of investments held by TIAA and CREF. This error resulted in an understatement of net assets available for benefits of \$37,549,423 as of December 31, 2021. A summary of the effects of the correction of this error on the Plan's financial statements as of December 31, 2021 is presented below.
