(1) Name: **CHERRY BEKAERT LLP**

(2) EIN: **56-0574444**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)		X	
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	X		
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No

To the Plan Administrator and Participants
Kentucky Organ Donor Affiliates 401(k) Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Kentucky Organ Donor Affiliates 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of January 1, 2025, December 31, 2024, and December 31, 2023 and the related statements of changes in net assets available for benefits for the one-day period ended January 1, 2025 and year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in *the Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As further discussed in Note 1 to the financial statements, the Plan was merged into the Network for Life 401(k) Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

KENTUCKY ORGAN DONOR AFFILIATES 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JANUARY 1, 2025, DECEMBER 31, 2024, AND DECEMBER 31, 2023

Note 1—Description of the Plan

The following description of the Kentucky Organ Donor Affiliates 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan was a defined contribution plan covering all eligible employees of Kentucky Organ Donor Affiliates (the “Organization” or “Employer”). Eligible employees could participate in the elective deferral provisions of the Plan on the first day of the month following date of hire. To be eligible to receive Organization contributions, employees must have completed one year of service and attained age twenty-one. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

In October 2024, the Organization merged with another Organ Procurement Organization based in Ohio and the combined entity was re-branded as Network for Hope. Effective January 1, 2025, the Plan was merged into the Network for Life 401(k) Plan and all eligible participants of the Plan became eligible participants of the Network for Life 401(k) Plan on that date.

Administration – The Organization had designated certain employees, who serve without additional compensation, to administer the Plan. The Plan administrator had the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and could designate one or more individuals to perform those responsibilities.

Contributions – Upon meeting eligibility requirements as defined in the Plan Agreement, participants could elect to contribute on a pre-tax or after-tax Roth basis up to the maximum compensation permissible under the Internal Revenue Code (“IRC”). Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan provides for Employer safe harbor matching contributions equal to 100% of participant elective deferrals not exceeding 4% of eligible Plan compensation. The Organization could also elect to make additional matching or profit sharing contributions to the Plan. For the Plan year ended December 31, 2024, the Organization allocated a profit sharing contribution totaling \$714,247. Contributions were subject to certain limitations.

Participant Accounts – Individual accounts were maintained for each Plan participant. Each participant's account is credited with the participant's contributions and Employer safe harbor and discretionary matching contributions, as well as an allocation of the Employer's profit sharing contribution and Plan earnings. Participant accounts were charged with their withdrawals and an allocation of administrative expenses paid by the Plan. Allocations were based on participant earnings, specific participant transactions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants were immediately vested in their voluntary and Employer safe harbor contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant becomes 100% vested after three years of credited service.

Investment Options – Upon enrollment in the Plan, participants could direct the investment of their accounts into various investment options offered by the Plan. They could change their investment options among those investments provided at any time during the Plan year.

Payment of Benefits – Upon termination of service or attaining normal retirement age, a participant could elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In-service and hardship withdrawals were also allowed as defined in the Plan Agreement.

KENTUCKY ORGAN DONOR AFFILIATES 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JANUARY 1, 2025, DECEMBER 31, 2024, AND DECEMBER 31, 2023

Note 1—Description of the Plan (continued)

Forfeited Accounts – The nonvested portion of former participants' accounts could be used to pay administrative expenses of the Plan or to reduce the amount of Employer contributions. Forfeited accounts totaled \$4,271 and \$26,495 at December 31, 2024 and 2023, respectively. During 2024, forfeitures totaling \$26,353 were used to reduce the amount of Employer profit sharing contributions allocated at December 31, 2023.

Note 2—Summary of significant accounting policies

Basis of Presentation – The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments were reported at fair value (except for fully benefit-responsive investment contracts, which were reported at contract value). U.S. GAAP defines fair value as the exchange price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Investment Management Fees and Operating Expenses – Investment management fees and operating expenses charged to the Plan for certain investments were deducted from income earned on a daily basis and were reflected as a component of net appreciation in fair value of investments.

Payments of Benefits – Benefits were recorded when paid. There were no benefit payments requested and not yet disbursed as of December 31, 2024 and 2023.

Administrative Expenses – Certain administrative expenses of the Plan were paid by the Plan or Organization as defined in the Plan Agreement.

Note 3—Information certified by the qualified institutions (unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC and Empower Annuity Insurance Company of America ("Empower Annuity"), qualified institutions, have certified to the completeness and accuracy of the following data included in the accompanying financial statements.

- Investments at fair value, and investments at contract value as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments, and interest and dividends as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

At the request of the Plan administrator, the Plan's independent auditor did not perform auditing procedures with respect to this certified information, except for comparing such information to the related information included in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

JANUARY 1, 2025, DECEMBER 31, 2024, AND DECEMBER 31, 2023

Note 4—Fair value measurements

U.S. GAAP provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There had been no changes in the methodology used at December 31, 2024 and 2023.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded and were therefore classified within Level 1 of the valuation hierarchy.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method was appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31, 2024 and 2023:

	Assets at Fair Value at December 31, 2024

KENTUCKY ORGAN DONOR AFFILIATES 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

JANUARY 1, 2025, DECEMBER 31, 2024, AND DECEMBER 31, 2023

Note 5—Fully benefit-responsive investment contract with insurance company

The Plan entered into a fully benefit-responsive guaranteed investment contract (“GIC”) with Empower Annuity (the “issuer”). The issuer maintained the contributions in a general account and was contractually obligated to repay the principal and a specific interest rate that was guaranteed to the Plan. Because the GIC was fully benefit-responsive, contract value was the relevant measurement attributed for that portion of net assets available for benefits attributable to the GIC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The credited interest rate was based on a formula agreed upon with the issuer but could not be less than 0%. Such interest rates were reviewed on a quarterly basis for resetting. There were no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events could limit the ability of the Plan to transact at contract value with the issuer. Such events included the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan) (ii) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The contract was transferred to the Network for Life 401(k) Plan as further discussed in Note 1.

Note 6—Related party and party-in-interest transactions

Certain administrative services were provided by the Organization at no cost to the Plan and certain administrative costs incurred by the Plan were paid by the Organization. The Plan had entered into various service agreements with parties-in-interest. It invested in a GIC managed by Empower Annuity, a custodian of the Plan. The Plan paid fees to Empower Annuity totaling \$47,040 during the Plan year ended December 31, 2024. These transactions and related activity qualified as party-in-interest.

Note 7—Plan termination

The Organization had the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 8—Income tax status

The Internal Revenue Service (“IRS”) ruled on June 30, 2020, that the non-standardized pre-approved plan upon which the Plan was based, is designed in accordance with applicable sections of the IRC. The Plan had been amended since receipt of the opinion letter. However, the Plan administrator believes the Plan was designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified and the related trust was tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of January 1, 2025, December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9—Risks and uncertainties

The Plan invested in various investment securities. Investment securities, in general, were exposed to various risks, such as interest rate, market and credit risks. All assets were transferred into the Network for Life 401(k) Plan as further discussed in Note 1.

Note 10—Subsequent events

The Plan has evaluated all subsequent events through June 30, 2025, which is the date these financial statements were available to be issued and has determined there are no subsequent events that require disclosure.
