# HPI HEALTH CARE AND BENEFITS PLAN

Financial Statements  
December 31, 2024 and 2023

## **Independent Auditor's Report**

To the Board of Directors  
HPI Health Care and Benefits Plan  
Austin, Texas

### ***Opinion***

We have audited the financial statements of HPI Health Care and Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of HPI Health Care and Benefits Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States (GAAP).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HPI Health Care and Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the basis of accounting and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HPI Health Care and Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Emphasis of Matter - Change in Accounting Method and Prior Period Adjustment***

As more fully described in Note 2 to the financial statements, the Plan has adjusted its 2023 financial statements to retrospectively apply the change in accounting to GAAP from a modified DOL basis of accounting. Our opinion is not modified with respect to that matter.

We draw attention to Note 2 to the financial statements, which details a prior period adjustment related to the prior year rebate receivable. Our opinion is not modified with respect to that matter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HPI Health Care and Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HPI Health Care and Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Notes to Financial Statements

### **Note 1: Description of Plan**

The following description of the HPI Health Care and Benefits Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan was established by LeadingAge Texas Health Plan, Inc. (the Plan Sponsor) on June 12, 2019, with plan coverage first effective January 1, 2020, to provide health and other benefits to eligible employees and covered dependents of the member employers of the Plan. Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is funded by its participating employers (member employers) and their employees and governed by a Board of Directors elected by the member employers. The Directors are voluntary, unpaid persons.

#### **Benefits**

The Plan provides health and other benefits including medical and prescription drug to eligible participants and covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA). Health benefit claims for participants and their dependents are processed by the claims administrator. The responsibility for payments to providers is retained by the Plan.

Current health claims of active participants and their dependents are provided by funding payments made into the Plan by the member employers and participants. In addition, the Plan has entered into a stop-loss insurance contract to protect the Plan for health claims over specified amounts.

#### **Contributions**

The expected cost of coverage and contribution rates for the coverages available under the Plan are actuarially determined. The member employer and participant portion of the contributions is based on the coverage option selected. In the event the Plan does not have funds available to pay benefits, the member employers will be required to make additional contributions to pay for the benefits.

In addition, under COBRA, participants have the right to choose continuation of coverage in instances where coverage under the Plan would otherwise end. COBRA participants are required to pay their entire premium for the continuation of coverage.

#### **Administrative Expenses**

The various services performed for the support of the Plan are contracted. LeadingAge Texas, Inc. also provides services to the Plan in accordance with an agreement to share services and reimburse expenses. The Plan pays all administrative expenses of the Plan.

## Notes to Financial Statements

---

### **Note 1: Description of Plan (Continued)**

#### **Plan Termination**

Although they have not expressed any intention to do so, the Plan's Board of Directors has the right under the Plan to terminate or dissolve the Plan, by delivering to the member employers and the Texas Insurance Commissioner written notice of such plan of termination or dissolution. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the satisfaction of liabilities and the provision of benefits for or on account of member employers and their employees.

### **Note 2: Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States (GAAP).

#### **Change in Accounting Method**

During 2024, the Plan changed its basis of accounting from a modified DOL basis of accounting (which is a comprehensive basis of accounting other than GAAP) to GAAP. This change required a restatement of the Statement of Net Assets Available for Benefits as of December 31, 2023. The change resulted in decreasing claims payable to \$0 as of December 31, 2023 on the Statement of Net Assets Available for Benefits and an overall increase in net assets available for benefits of \$402,341 as a change in accounting method on the Statement Changes in Net Assets Available for Benefits.

#### **Prior Period Adjustment**

The Plan received rebate income of \$252,704 in 2024, which related to 2023 and was not previously accounted for in the 2023 rebate receivable. As a result of this transaction, the Plan has made a prior period adjustment by increasing the beginning net assets available for benefit by \$252,704 and increased the rebate receivable as of December 31, 2023 by the same amount.

#### **Use of Estimates**

The preparation of financial statements, in conformity with the basis of accounting, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and the changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from estimated amounts.

#### **Cash and Cash Equivalents**

Cash and cash equivalents consist of cash held in bank accounts.

# HPI Health Care and Benefits Plan

## Notes to Financial Statements

---

### **Note 2: Summary of Significant Accounting Policies** (Continued)

#### **Receivables**

Contributions are billed monthly to the member employers on the first of the month. Amounts outstanding from member employers are listed as contributions receivable. The Plan records credit losses using the direct write-off method, which for the Plan is deemed to not be materially different than GAAP. Delinquent receivables are written off based upon a review of outstanding receivables, historical collection information, and existing economic conditions. There was no bad debt expense for the year ended December 31, 2024. Member employers remit the contributions to the claims administrator. Amounts received by the claims administrator, but not yet remitted to the Plan's bank account due to timing are presented as due from the claims administrator, when applicable.

During the year ended December 31, 2024, it was discovered that the claims administrator had paid claims that were submitted after the health care provider's claim submission cutoff. In 2025, the claims administrator reimbursed the Plan \$284,892 for these claims paid during 2024 in error. As a result, the Plan has recorded an overpaid claims receivable of \$284,892 as of December 31, 2024.

#### **Claims**

Claims are recorded when paid.

#### **Claims Review**

Claims processed and paid by the claims administrator are subject to further review at the discretion of the Plan. Refunds received or additional claims paid as a result of any reviews are reflected in the year when the claims review has been completed by the Plan.

#### **Benefit Obligations**

The Plan obligations for claims incurred but not reported at December 31, 2024 and 2023, are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

#### **Subsequent Events**

Management has evaluated subsequent events through March 31, 2025, the date of the independent auditor's report, the date the financial statements were available to be issued.

Effective January 1, 2025, the Plan transitioned its health claim processing services to a new third party administrator.

### **Note 3: Stop Loss**

In an effort to limit its exposure, the Plan maintains a stop-loss policy for incurred claims beyond the deductibles. The maximum exposure for aggregate losses per policy year and per covered person is \$1,000,000 and \$125,000, respectively. Premiums for stop loss insurance are included in insurance premiums in the accompanying statement of changes in net assets available for benefits. Stop loss reimbursements totaling \$479,332 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

### **Note 4: Risk Concentration**

The Plan at times has cash deposits which exceeded the \$250,000 insured limit provided by the Federal Deposit Insurance Corporation (FDIC). The Plan has not experienced any losses on such accounts for balances in excess of the FDIC insurance. Management believes the Plan is not exposed to any significant credit risk related to those accounts.

The Plan has four member employers who account for approximately 63% of total revenue at December 31, 2024.

### **Note 5: Tax Status**

The VEBA trust funding benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated February 3, 2021, and effective June 12, 2019, stating that the trust is tax-exempt under the provisions of Section 501 (c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
