INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Administrator
Great Lakes Resources, Inc. Health and Welfare Plan
San Jose, California

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Great Lakes Resources, Inc. Health and Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits and of changes in Plan's benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of the Plan's benefit obligations of Great Lakes Resources, Inc. Health and Welfare Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and of changes in the Plan's benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Great Lakes Resources, Inc. Health and Welfare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Trustee and Plan Administrator
Great Lakes Resources, Inc. Health and Welfare Plan

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Great Lakes Resources, Inc. Health and Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 DESCRIPTION OF PLAN

The following description of Great Lakes Resources, Inc. Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 2019 to provide health and other benefits to eligible participants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

Employees are eligible to participate in the Plan on the first day of the month following one month of continuous employment.

Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Plan management makes contributions to the Plan on their behalf. The participants' coverage will end at midnight on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions

The Company (Great Lakes Resources, Inc.) makes monthly contributions for participating employees covered under the Plan. Employer contributions are recognized as income in the month the employees worked. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis. In addition to deductibles and copayments, participants may contribute specified amounts to extend coverage to their eligible dependents. These contributions are deducted bi-weekly from the employees' wages. The contributions from participants for the year ended December 31, 2024 was \$1,128.

Benefits

The Plan provides medical, dental, vision, prescription drug coverage, life insurance, and accidental death and dismemberment for eligible participants and their beneficiaries. The Plan provides these benefits through various contracts with insurance companies. The Plan purchases annual insurance contracts for these insured benefits. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan.

Retirement Plan Contributions

Participants can opt out of some plan benefits and have their contribution allocated to Great Lakes Resources, Inc. SCA Retirement Plan. After subtracting premiums and fees incurred by the Plan, the Plan forwarded the excess contributions to the Company's retirement plan. The retirement plan payable represents excess contributions received from the Company that have not been forwarded to the Company's retirement plan by the end of the year. For the year ended December 31, 2024, total retirement plan contributions totaled \$33,782. Retirement plan contributions payable as of December 31, 2024 and 2023 were \$2,714 and \$2,363, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan maintains its demand deposits in commercial bank accounts which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan management does not believe the Plan was exposed to any significant credit risk on cash.

Contributions Receivable

Company contributions due but not paid at year-end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2024 and 2023.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Benefits are recorded when paid.

Administrative Expenses

All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2024, the Plan paid for substantially all administrative expenses, which consisted of administration fees, trustee fees, and other miscellaneous expenses.

Insurance Premiums Payable

Insurance premiums payable are based upon the actual premiums due for December 31, 2024 and 2023, but paid by the Plan after year-end.

Income Taxes

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan was required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan administrator believes the Plan does not have any net taxable income for the years ended December 31, 2024 and 2023, therefore, no tax liability was reflected in these financial statements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through July 16, 2025, the date the financial statements were available to be issued.

NOTE 3 TAX STATUS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan was subject to routine audits by taxing jurisdictions; however, there were currently no audits for any tax periods in progress.

NOTE 4 PLAN TERMINATION

The Plan shall remain in existence from year-to-year unless written termination notice is given by the Plan management or Plan administrator to the other at least 60 days prior to the anniversary date of effective coverage under the Plan.

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.
