RE: Explanation of Late Filing – Form 5500 for Health & Welfare Plan

Plan Year Ending: 05/31/2024

Plan Name: Neighborhood Assistance Corporation of America

Plan Number: 501

EIN: 04-3244616

Hello Department of Labor

We are writing to respectfully explain the circumstances that led to the late filing of the Form 5500 for our organization's employee health and welfare benefit plan for the plan year ending 05/31/2024.

Our organization has a strong history of compliance with federal filing requirements and takes seriously our responsibility to file timely and accurate Form 5500 reports. Unfortunately, due to an unforeseen systems issue within our benefits administration platform, the data required to complete the filing was not properly transferred or processed. Specifically, the automated data push function—used to generate and submit Form 5500 filings—malfunctioned, preventing the information from being sent to the appropriate filing channel in a timely manner. This technical error remained undetected until internal reconciliation procedures flagged the missing submission.

Upon discovery of the issue, our team worked swiftly and diligently with our vendor and technical personnel to resolve the system failure, verify the data integrity, and complete the filing as soon as possible. We have since taken corrective steps to ensure this error does not recur, including implementing manual oversight checkpoints and enhancing system alert protocols to flag failed transmissions immediately.

We sincerely regret the delay and respectfully request that our late filing be considered in light of the circumstances described. We remain committed to full compliance and the timely submission of all future filings.

Thank you for your understanding.

Sincerely,

Robert D. Jacobs
