To Management
A & I Floor Covering, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of A & I Floor Covering, Inc. 401(k) Plan, and employee contribution plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements for net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of A & I Floor Covering, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. AS permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note A to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements Section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities in the Audit of the Financial Statements section of our report. We are required to be independent of A & I Floor Covering, Inc. Employee contribution Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A & I Floor Covering, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsible to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A & I Floor Covering, In. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A & I Floor Covering, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held for Investment at End of Year are presented for purposes of additional analysis and are not required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- Information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A & I FLOOR COVERING INC 401K PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the A & I Floor Covering, Inc. (“Company”) 401(k) (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined safe harbor contribution plan covering all full-time employees of the Company who have one year of service and are aged 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Israel Kingston and Adam DiFabrizio are trustees of the plan and oversees governance of the Plan. The Company has retained the services of United 401(K) Plans, Inc. to help in the administration of the Plan. The Company has also retained the services of Empower Annuity Insurance Company of America as the financial entity that manages and invests the assets of the plan.

Employees are prohibited from taking loans out against their 401 K participant balance.

Contributions. Each year, participants may make employee deferral contributions into the Plan up to but not to exceed the statutory amounts defined in the Internal Revenue Code. For Plan year 2024 the annual statutory contribution amount is \$23,000 for employees under 50 years of age and \$30,500 for employees over 50 years of age. Participants direct the investment of their contributions into various investments options offered by the Plan.

The Company contributes a 3% safe harbor non-elective contribution into the plan for all eligible participants regardless of employee deferral contributions made. In addition, the Company may elect to make a discretionary profit-sharing contribution into the Plan for the benefit of all employees included in the Plan.

Participant Accounts. Each participant’s account is credited with the participant’s contribution, the employer safe harbor non-elective 3% match, and the allocated portion of the employer’s profit-sharing contribution. In addition, plan earnings (losses) and an allocation of plan administrative expenses are charged against the participants accounts. Allocations are based upon participant earnings or account balances.

Vesting. Participants are immediately vested in their employee deferral contributions and the 3% safe harbor non-elective employer contribution. Vesting in the Company’s profit-sharing contribution is based on years of continuous service and an employee becomes fully vested after six years of credited service.

Payment of Benefits. On termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant’s vested interest in their account.

Forfeited Accounts. These accounts will be used to reduce future employer contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting as generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value.

Use of Estimates

The preparation of financial statements in accordance with the accrual basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Empower Annuity Insurance Company of America as the financial entity that manages and invests the assets of the plan is charged with the responsibility of assisting management of the company in determining the Plan's valuation policies. Historically, all assets held in the Plan have been mutual funds.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation of the fair value of investments. Fees for the administration are charged directly to the participant's account.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through July 18, 2025, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

This Plan qualifies to have its audit performed in accordance with ERISA Section 103(a)(3)(C) and DOL Reg. 2520.103-8 (formerly referred to as a DOL limited scope audit), since the Plans assets are held by a bank, similar financial institution or insurance company that is regulated and supervised and subject to periodic examination by a state or federal agency. Such an audit does not cover any information on the plan's investment assets and related transactions that is prepared and certified as both complete and accurate by the financial institution.

NOTE D – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan has not engaged in any related party transactions or party in interest transactions during the year.

NOTE E – PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F – TAX STATUS

The Company has contracted with United 401(K) Plans, Inc. to be the third-party administrator over their 401(k) plan. United 401(K) Plans, Inc. uses a master prototype plan that has been approved by the Internal Revenue Service. This master prototype plan is then customized to fit their individual client needs. Periodically, the Internal Revenue Service requires the master prototype to be amended to reflect tax law changes made thereby keeping all taxpayers using these master prototype plans in compliance with the Internal Revenue Code. Individual 401(k) plans update their plans for conformity by periodically signing an Adoption Agreement prepared by United 401(K) Plans Inc. The effective date of the most recent adoption agreement effective date signed by the Company was October 1, 2021.

With the signing of this adoption agreement, the Company is in current compliance with the Internal Revenue Code and the Plan is being administered by their third-party administrator so that compliance with ERISA, DOL, and the IRS is being met.

NOTE G – RISKS AND UNCERTANTIES

The Plan invests in various investment securities and is professionally managed by Empower Annuity Insurance Company of America (EAIC). These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The method of accounting used in the preparation of the audited financial statements is the accrual basis of accounting as generally accepted in the United States of America. Schedule H of form 5500 is presented as supplementary information.
