Retirement Committee and Plan Participants
KraftCPAs PLLC Retirement Savings Plan
Nashville, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of KraftCPAs PLLC Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

KRAFTCPAS PLLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the KraftCPAs PLLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan covering all qualified employees of KraftCPAs PLLC and its affiliates (collectively, the Employer, Plan Sponsor, and Plan Administrator). The purpose of the Plan is to provide the benefits of a qualified employee retirement and savings plan for participants and their beneficiaries. The Plan covers employees of the following participating employers and/or affiliates:

KraftCPAs PLLC
Kraft Healthcare Consulting, LLC
Kraft Analytics, LLC
Kraft Technology Group, LLC
Kraft Asset Management, LLC

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Retirement Committee is responsible for oversight of the Plan, and it determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Through February 20, 2024, all employees were eligible after attaining six months of service with 1,000 hours and reaching age 21. Effective February 21, 2024, eligibility changed to full-time employees eligible after 6 months of service with no hours requirement and reaching age 21. Part-time, seasonal and temporary employees are eligible after 12 months of service with 1,000 hours of service and reaching age 21.

Investment Options

Participants may direct the investment of their contributions into various investment options offered by the Plan.

Contributions

Each eligible participant is allowed to make pre-tax and after-tax Roth elective deferral contributions up to the maximum allowable percentage of compensation during a Plan year under applicable tax laws. The Employer shall make a matching contribution equal to 50% of the participant's elective deferrals up to 6% of a participant's compensation. The Employer may also make certain discretionary contributions, as defined by the Plan Document. Contributions are subject to certain limitations in accordance with applicable regulatory requirements. Eligible employees may also make rollover contributions from another qualified plan in accordance with Plan provisions.

KRAFTCPAS PLLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of Employer contributions, Plan earnings, and reduced by an allocation of administrative expenses, any distributions and Plan losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their pre-tax and Roth employee elective deferral and rollover accounts. Employer accounts vest on a five-year graded schedule: 20% after two years of service, 40% after three years of service, 60% after four years of service, and 100% after five years of service. A participant must complete at least 1,000 hours of service during a Plan year to receive credit for a year of service for vesting computations. Employer accounts become fully vested upon normal retirement, death, disability or termination of the Plan.

Notes Receivable from Participants

Notes receivable from participants are not permitted.

Payment of Benefits

Benefit distributions equal to a participant's vested account balance are payable to the participant or his/her beneficiaries upon normal retirement (age 65) or upon death, disability or termination of employment. The method of distribution shall be determined by the Plan Administrator in accordance with the provisions of the Plan. Through February 20, 2024, an account with a vested balance of \$5,000 or less will be paid out as a lump sum upon termination of the eligible employee. Effective February 21, 2024, an account with a vested balance of \$7,000 or less will be paid out as a lump sum upon termination of the eligible employee.

Withdrawals

A participant may receive funds from their elective deferral account in the event of immediate and heavy financial need in accordance with the provisions of the Plan. In-service withdrawals are permitted by participants who have reached the age of 59 1/2.

Forfeitures

Forfeitures result from termination of employment under circumstances which do not entitle the participant to be fully vested in their Employer accounts. Forfeitures may be used to reduce any Employer contribution. As of December 31, 2024 and 2023, there were no forfeited nonvested accounts. Participant forfeitures amounted to \$54,133 for the year ended December 31, 2024, all of which were used to reduce employer contributions for the year ended December 31, 2024.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Interest Bearing Cash Equivalents

Participants may elect to have all or part of his or her funds deposited into a money market deposit account (MMDA) at Charles Schwab Trust Bank (Schwab). Funds in the MMDA are eligible for Federal Deposit Insurance Corporation (FDIC) insurance up to \$250,000, subject to FDIC rules concerning aggregation of a participant's other deposit accounts with Schwab. For purposes of the FDIC's \$250,000 coverage limit, a participant's funds, if any, in deposit accounts (including certificates of deposit) at Schwab held through certain other self-directed retirement plan accounts and individual retirement accounts will be aggregated with funds from a participant's Plan account deposited in the Plan MMDA at Schwab. Each Plan participant is responsible for monitoring all deposits held with Schwab in order to determine the extend of FDIC coverage available for their accounts.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determines the valuation policies utilizing information provided by the investment manager and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

Excess Contributions and Deferrals Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS), if any, are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefit payments to participants are recognized in the year paid.

Expenses

The Plan is responsible for its administrative expenses unless paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

Subsequent Events

The Plan management has evaluated subsequent events for accounting and disclosure requirements through July 21, 2025, the date that the financial statements were available to be issued.

3. Information Certified or Provided by Trustee

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplementary information, including investments held at December 31, 2024 and 2023, and investment income for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified by Schwab, the current Trustee of the Plan, and Newport Trust Company (Newport), the former Trustee of the Plan. Effective February 21, 2024, the Plan changed trustees from Newport to Schwab.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

4. Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31:

	Level 1	Level 2	Level 3	Total
<u>2024</u>				
Mutual funds	\$ <u>36,604,988</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>36,604,988</u>
Total investments at fair value	\$ <u>36,604,988</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>36,604,988</u>
<u>2023</u>				
Mutual funds	\$ <u>33,770,395</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>33,770,395</u>
Total investments at fair value	\$ <u>33,770,395</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>33,770,395</u>

5. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2024, the Plan had a concentration of an investment in one fund which represented approximately 13% of total investments at Plan year end. At December 31, 2023, the Plan had a concentration of investments in three funds which represented approximately 32% of total investments at Plan year end.

6. Income Tax Status

The Plan uses a prototype plan document sponsored by Schwab Retirement Plan Services and has received an opinion letter from the IRS, dated September 21, 2020 which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS.

KRAFTCPAS PLLC RETIREMENT SAVINGS PLAN

Notes to the Financial Statements, continued

6. Income Tax Status, continued

The Plan has been amended to comply with current laws since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified as of the financial statement date and no provision for income tax has been included in the Plan's financial statements.

7. Related Party and Party-in-Interest Transactions

Parties-in-interest are defined under United States Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Plan investments are shares of mutual funds managed by Schwab, the Plan's current Trustee and recordkeeper. Prior to February 21, 2024, Newport was the Plan Trustee. Transactions with these parties qualify as party-in-interest transactions. Fees paid by the Plan for investment operating expenses ranging from 0.04% to 0.43% are included in net appreciation in fair value of investments, rather than a direct payment. Fees paid directly by the Plan related to participant record keeping expenses and Trustee and custodial fees totaled \$32,296 for the year ended December 31, 2024.

These party-in-interest transactions are exempt from the prohibited transaction provisions of ERISA and the IRC.

8. Plan Termination and Subsequent Events

As of the date these financial statements were available to be issued, the Plan Sponsor has entered into a Letter of Intent (LOI) to combine with Baker Tilly US, LLP, another public accounting firm. The transaction is anticipated to become effective August 1, 2025, upon final execution of the asset purchase and contribution agreement. In connection with this combination, the Plan Sponsor intends to vote to terminate the Plan subject to the provisions set forth in ERISA and would begin the process of distributing balances in participants' accounts. At the time of the Plan termination, participants would become 100% vested in any Plan Sponsor contributions in which they were not fully vested.
