Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.
Fort Myers, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

Basis for Opinion (continued)

We are required to be independent of Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor’s Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE A – DESCRIPTION OF PLAN

The following description of the Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General

Health Planning Council of Southwest Florida, Inc. (the “Council”) formed a Flexible Annuity Plan and Tax Deferred Annuity Plan on April 1, 2000. On July 1, 2015, the Council formed the Plan (a 401(k) plan). On August 13, 2015 and July 31, 2015, respectively, the Flexible Annuity Plan and Tax Deferred Annuity Plan were merged into the Plan. The Plan is a participant-directed defined contribution plan covering substantially all of the Council’s employees. Employees are eligible to participate in the Plan after 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

In April 2020, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) relating to participant distributions and participant loans were enacted. The CARES Act allowed for utilization of these provisions immediately. The Plan elected to implement the provisions related to participant distributions and participant loans and has until December 31, 2025 to formally adopt the provisions through an amendment to the Plan.

2. Contributions

Participants may elect to defer up to 100% of total compensation each year up to the limitations of the Internal Revenue Code (IRC) for the Plan year which was \$23,000 for 2024. Participants who are age 50 or older may make catch-up contributions up to \$7,500 in 2024. The Council contributes up to 10% of each participant’s compensation received during the Plan year. Any participant who completed one year of service and at least 1,000 hours in accordance with the Plan entry date criteria set forth in the aforementioned “General” section and was actively employed during the Plan year shall be eligible for the matching contributions. Participants, with the consent of the plan administrator, may make rollover contributions from another qualified plan to the Plan.

3. Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of: (a) the Council’s contributions and (b) Plan earnings or losses. Allocations are based on participant contributions and earnings on participant account balances, as defined in the Plan document. The benefit in which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

4. Vesting and Forfeitures

Participants are immediately vested in their own contributions and earnings and losses thereon. The Council contributions are subject to a vesting schedule with the participant being fully vested after five years of credited service. Full vesting also occurs in the event of retirement, death or disability.

Forfeitures shall be used to reduce employer contributions or pay the Plan’s ordinary and necessary administrative expenses. There were no forfeitures available at December 31, 2024 and 2023. During 2024, the Plan used \$20,592 of forfeitures to reduce employer contributions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE A – DESCRIPTION OF PLAN (continued)

5. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of 50% their vested account balance or \$50,000. Participant loans are required to be repaid within five years except for loans to purchase the principal residence of the participant, which are required to be repaid within 10 years. The loans are secured by a pledge of not more than 50% of the participant's vested amount. Interest is charged at a fixed rate based upon current commercial rates charged on similar loans. Interest rate on loans outstanding at December 31, 2024 were between 4.25% and 9.50%. Principal and interest are repaid ratably through bi-weekly payroll deductions.

6. Payment of Benefits

Upon termination of service, a participant is entitled to receive a lump-sum payment equal to his or her vested account balance. If the participant's account is less than \$1,000, the plan administrator will make a direct rollover to an individual retirement plan designated by the administrator equal to his or her vested account balance. Participants terminated for reasons other than death, disability, or retirement are entitled to receive their benefits as soon as administratively feasible. In-service withdrawals are available for participants over the age of 59 ½.

7. Investment Options

The Plan is participant directed and participants may invest their contributions in any of the investment funds offered by the Plan. Participants can change their contribution percentage at any time. Participants may change their investment options at any time with restrictions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting.

2. Payment of Benefits

Benefits are recorded when paid.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Valuation of Investments and Income Recognition

The Plan follows the fair value measurement requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, which defines fair value as the exchange price that would be received for the asset or paid to transfer a liability in an orderly transaction between market participants. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the gains and losses on investments bought and sold during the year as well as the change in the unrealized appreciation or depreciation on those investments during the year.

The Plan has invested in a fully benefit-responsive investment account with an insurance company. Fully benefit-responsive contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

5. Notes Receivable from Participants

In accordance with FASB ASU 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*, the Plan has classified loans to participants as notes receivable. The loans are recorded at principal plus any accrued and unpaid interest. Interest income is recorded when earned.

6. Plan Expenses

Expenses of the Plan are paid either by the Plan or the Council, as provided by the Plan document.

7. Subsequent Events

The plan administrator has evaluated subsequent events through July 25, 2025, which is the date the financial statements were available to be issued.

NOTE C – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a group annuity contract, which is a fully benefit-responsive guaranteed investment contract, with the trustee of the Plan. The investment in the group annuity contract provides the Plan with a medium for collective investment and reinvestment in one or more types of investments. The trustee maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE C – INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

Because the group annuity contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the trustee, represents contributions made under the contract plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value within the limits of the investment contract.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events, that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE D – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts (PSAs): Valued based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying assets values are based on quoted prices, the NAV of the PSAs is not publicly traded. The NAV is reported by Mutual of America Life Insurance Company as of the financial statement date based on recent transaction prices. The PSAs held by the Plan provide for daily redemptions at NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments. The investments in PSA's totaling \$10,050,895 and \$8,183,232 as of December 31, 2024 and 2023, respectively, are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and therefore have not been categorized in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Mutual of America Life Insurance Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31 and for the years then ended:

	2024	2023
Pooled separate accounts, at fair value	\$ 10,050,895	\$ 8,183,232
Fully benefit-responsive investment contract, at contract value	1,291,203	1,505,150
Notes receivable from participants	131,918	140,302
Net appreciation in fair value of investments	1,281,828	N/A
Other income	35,239	N/A
Interest on notes receivable from participants	10,055	N/A

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Mutual of America Life Insurance Company is the trustee of the Plan. Plan investments at December 31, 2024 and 2023 included shares of pooled separate accounts and the investment contract with the insurance company, managed by Mutual of America Life Insurance Company. Total fees paid by the Plan to the trustee for administration and investment advisory services were \$2,066 for the year ended December 31, 2024. Certain Plan investments included shares of pooled separate accounts managed by the trustee and, therefore, those transactions qualify as party-in-interest transactions.

Employee Benefit Plan of Health Planning Council of Southwest Florida, Inc.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE G – TAX STATUS

The Plan obtained its latest determination letter on November 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain position that are more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – PLAN TERMINATION

It is the intention of the Council to continue the Plan; however, the Council has the right to terminate the Plan at any time, subject to the provisions and penalties set forth by ERISA and the Internal Revenue Code. In the event the Plan terminates, participants would become 100% vested in the Council's contributions.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes of risk associated with certain investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of amounts reported in the 2024 Statements of Changes in Net Assets Available for Benefits to amounts reported in the 2024 Form 5500:

Total deductions per statement of changes in net assets available for benefits	\$ 642,929
Corrective distribution	<u>16,514</u>
Total expenses per the Form 5500	<u><u>\$ 659,443</u></u>
