INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
KSA Engineers, Inc. Employee Savings & Protection Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of KSA Engineers, Inc. Employee Savings & Protection Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets in liquidation (modified cash basis) as of December 31, 2024, the statement of net assets ongoing (modified cash basis) as of December 31, 2023, and the related statement of changes in net assets in liquidation (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the Plan Sponsor of KSA Engineers, Inc. Employee Savings & Protection Plan approved a plan for liquidation on September 27, 2024, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the modified cash basis used in presenting the 2023 financial statements to the liquidation basis of accounting used in preparing the 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KSA Engineers, Inc. Employee Savings & Protection Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KSA ENGINEERS, INC.
EMPLOYEE SAVINGS & PROTECTION PLAN
NOTES TO THE FINANCIAL STATEMENTS
MODIFIED CASH BASIS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the KSA Engineers, Inc. Employee Savings & Protection Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering eligible employees of KSA Engineers, Inc., and its subsidiaries, collectively (“the Company”), who have attained age 20½ and have completed one month of service. Employees of the Company are eligible to participate in the Plan on the first day of the month coinciding with or following the date eligibility requirements are met. Employees are not required to contribute in order to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”).

On September 27, 2024, the Company approved the termination of the Plan as the result of the acquisition by Pape-Dawson Engineers, Inc. Pursuant to this acquisition, the Company’s participant accounts were fully vested as of the Plan’s termination date. As of the termination date, no additional service benefits were accrued. The acquisition was finalized on September 30, 2024.

PLAN ADMINISTRATION

The Board of Directors of the Company appoints the Plan Administrator and Plan Trustees. The Plan Administrator is an employee of the Company. The Plan Trustee is Fidelity Management Trust Company (“Fidelity”). The Plan’s third-party administrator, Fidelity Workplace Services, LLC., performs the Plan’s administrative duties such as preparation of the Form 5500, participant recordkeeping, compliance testing and enrollment and transaction processing.

CONTRIBUTIONS

Prior to the acquisition, participants could contribute up to 75 percent of pretax annual compensation, not to exceed the limit of Internal Revenue Code (“IRC”) Section 401(k). Participants who had reached age 50 by the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover”). The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 6 percent of eligible compensation. The Company could make matching contributions equal to a discretionary percentage, to be determined by the Board of Directors, of the participants’ elective deferrals. The Company made matching contributions during 2024 and 2023 of \$495,137 and \$669,800, respectively. The Company could also make non-elective profit-sharing contributions in an amount, to be determined by the Board of Directors, equal to a percentage of participants’ eligible compensation. The Company made profit-sharing contributions in 2024 and 2023 of \$200,000. Eligible participants were able to participate in the Company matching contributions regardless of employment status at the end of the Plan year; however, participants had to be employed at the end of the Plan year to be eligible to participate in Company non-elective profit-sharing contributions. Contributions are subject to certain Internal Revenue Service limitations.

PARTICIPANT ACCOUNTS

Prior to the acquisition, each participant’s account was credited with the participant’s contributions and the Company matching contributions, as well as allocations of the Company’s profit-sharing contribution. Allocations of plan earnings and administrative expenses were based on participant account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. Loans bear a reasonable rate of interest as determined by the Plan Document based on prevailing interest rates. Principal and interest is paid ratably through payroll deductions.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>% Vested</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Upon termination of the Plan, participant accounts became fully vested.

PAYMENT OF BENEFITS

On termination of service due to death, disability, normal retirement age, and other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or substantially equal installments. Hardship and in-service distributions are permitted to be made only from accounts that are fully vested. Participants can elect to receive their distributions either in cash or as a direct rollover to another tax-qualified plan.

FORFEITURES

Forfeitures may be used to pay administrative fees or reduce employer contributions. If not used by the employer, forfeitures may be allocated to participants pro-rata based on their plan compensation. At December 31, 2024 and 2023, forfeited non-vested amounts totaled \$165,698 and \$73,788, respectively. These amounts are being used to pay administrative fees; any remaining funds will be allocated to participants in accordance with the Plan provisions. In 2024, no employer contributions were reduced from forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The cash basis method of accounting is modified with respect to investments and notes receivable, which are recorded at fair value.

USE OF ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan’s investments are reported at fair value. Under the liquidation basis of accounting at December 31, 2024, the fair value of investments has been determined to approximate estimated liquidation value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan’s valuation policies utilizing information provided by investment advisors and the plan trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

CONTRIBUTIONS

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

OPERATING EXPENSES

The Company, at its sole discretion, may pay the administrative expenses (i.e., trustee fees, fund fees, loan fees, recordkeeping fees and other similar expenses) of the Plan. If such expenses are not paid by the Plan Sponsor, they are paid out of plan assets. Investment related expenses are included in net investment appreciation (depreciation).

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	<p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"> • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Level 1 Fair Value Measurements

Mutual funds

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Participant-directed brokerage accounts

The self-directed brokerage accounts consist of interest-bearing cash, non-employee corporate common stock, and interest in registered investment companies. The fair value of these investments is based on quoted net asset values of the underlying investments.

Investments Measured at NAV as a Practical Expedient

Collective trust fund

The collective trust fund is composed primarily of fully benefit-responsive investment contracts that are valued at net asset value (“NAV”) of units of the collective trust fund. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur immediately. If the plan initiates a full redemption of the collective trust fund, no notice to the issuer is required.

The following table sets forth the fair value of the Plan’s investments as of December 31, 2024.

	Assets at Fair Value as of December 31, 2024			
	Total	Level 1	Level 2	Level 3

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity (the trustee of the Plan).

	2024	2023
Investments at fair value	\$ 10,641,414	\$ 25,744,742
Notes receivable from participants	-	195,413
	\$ 10,641,414	\$ 25,940,155
Investment income (including interest income on notes receivable from participants)	\$ 4,246,206	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedules.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Fidelity provides trustee and recordkeeping services to the Plan, which qualify as party-in-interest transactions, and are included within administration expenses. Fees incurred by the Plan for the brokerage services are included in net appreciation in fair value of investments.

NOTE 6 - TAX STATUS

The Plan Sponsor has adopted a volume submitter profit sharing plan which received an opinion letter from the Internal Revenue Service (“IRS”) that the form of the Plan is acceptable under Section 401(a) of the IRC and is, therefore, not subject to tax under present income tax law. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Modified cash basis requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets in liquidation.

NOTE 8 – DELINQUENT CONTRIBUTIONS

During the plan year ended December 31, 2024 and 2023, participant deferrals in the amount of \$139,916 and \$150,348, respectively, were not deposited into the Plan within the timeline required by the IRS and Department of Labor guidelines, which constitutes a nonexempt prohibited transaction. The late remittance is summarized in the supplemental Schedule of Delinquent Contributions. As of the date the financial statements were available to be issued, lost earnings had not yet been calculated or deposited into the Plan; therefore, the delinquent contributions remain on the schedule until they are fully corrected.

NOTE 9 - SUBSEQUENT EVENTS

The Plan has evaluated the subsequent events through July 16, 2025, the date the financial statements were available to be issued.
