INDEPENDENT AUDITOR’S REPORT

Board to Trustees of The Commercial & Savings Bank 401(k) Retirement Plan  
Millersburg, Ohio

**Opinion**

We have audited the financial statements of The Commercial & Savings Bank 401(k) Retirement Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024, and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

### **Responsibilities of Management for the Financial Statements (Continued)**

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4i – Scheduled of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA

THE COMMERCIAL & SAVINGS BANK  
401(k) RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS

**NOTE 1 - DESCRIPTION OF PLAN**

The following brief description of The Commercial & Savings Bank 401(k) Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering the employees of The Commercial and Savings Bank (the “Bank”), who have completed three months of service, attained age 21, and completed required service hours. The Plan includes both a 401(k) before-tax and after-tax savings features, which permit participants to defer compensation under Section 401(k) of the Internal Revenue Code. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

Contributions

Plan participants may defer and contribute up to 100 percent of their annual compensation, as defined in the Plan’s agreement, subject to certain limitations as specified in the Internal Revenue Code. The Plan presently offers twenty-one mutual funds, a money market fund, and CSB Bancorp, Inc., common stock as investment options for Plan participants.

Beginning January 1, 2018, the plan is designed to qualify as a “Safe Harbor 401(K) Plan”. The Bank has agreed to make periodic Safe Harbor Matching Contributions of 100 percent of each participant’s elective deferral contribution, up to a maximum of 4 percent of eligible compensation (as defined). The Plan also stipulates the Bank may make discretionary profit-sharing contributions. To receive the annual profit-sharing contributions, generally a participant must be employed at the Bank on the last day of the Plan year and must have worked at least 1,000 hours during the Plan Year. The Bank’s profit-sharing contributions are generally made in the first quarter subsequent to the Plan’s year end. At December 31, 2024 and 2023 the Plan had recorded a receivable for the profit-sharing contribution of \$241,347 and \$327,722, respectfully, which the Plan believes are fully collectible.

Participant Accounts

Each participant’s account is credited with the participant’s compensation deferral contribution, an allocation of the Bank’s matching and profit-sharing contributions, and an allocation of the investment earnings or loss of the funds in which the participant chooses to invest.

The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately 100% vested in their voluntary contributions and the Bank’s contributions plus or minus actual earnings or losses thereon. Participants are fully vested for matching and profit-sharing contributions when they are paid.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant’s account and bear fixed interest rates of 4.25 to 9.50 percent, which is commensurate with local prevailing rates at the loan origination date, as determined by the plan administrator. For active employees, principal and interest is paid ratably through bi-weekly payroll deductions. Principal and interest become due and payable in full upon the Participant’s termination of employment.

## **NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

### Payment of Benefits

The normal retirement date is the date a participant reaches age 59.5. When a participant reaches the normal retirement date, terminates employment with the Bank, becomes totally disabled, or dies while participating in the Plan, they are entitled to receive the vested amount in their individual account.

If a participant dies before receiving all of the benefits in their account, the surviving spouse will receive the remainder in the participant's account as, a lump sum or in installments. If the participant is not married at the time of death, the participant's beneficiary may elect to receive the remainder in the account in either a lump sum or in installments.

If benefits are elected to be received in installments, the installments may be made monthly, quarterly, or annually over a period not to exceed the participant's life expectancy or the joint life expectancy of the participant and designated beneficiary at the time the election is made.

### Forfeitures

There was no forfeiture activity for the years ended December 31, 2024, and December 31, 2023.

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of the significant accounting and reporting policies applied in the presentation of the accompanying financial statements follows:

### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

### Use of Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ significantly from those estimates.

### Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024, or 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

### Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. The fair value of mutual funds is determined using the quoted net asset value of the specified fund. The fair value of CSB Bancorp, Inc. common stock is determined based on a quoted market price. Cash equivalents are valued at cost, which approximates fair value.

The net appreciation (depreciation) in fair value of investments includes gain and loss on investments purchased and sold, as well as held during the year. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

### Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions on December 31, 2024, and 2023.

### Payment of Benefits

Benefits are recorded when paid.

### Administrative Expenses

Certain administrative functions are performed by officers and employees of the Bank. No such officer or employee receives compensation from the Plan. Certain other administrative expenses relating to participant record keeping, investment trust services, plan audit and Form 5500 preparation are paid directly by the Bank. Such costs amounted to \$222,491 and \$194,689 for the years ended December 31, 2024, and 2023, respectively.

## **NOTE 3 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Bank has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100 percent vested in their accounts.

## **NOTE 4 - TAX STATUS**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021. On June 30, 2020, the Internal Revenue Service issued a letter to Retirement Direct LLC., provider of the Bank's Prototype Plan, that the form of Plan submitted was acceptable for use by employers for the benefit of their employees in accordance with applicable sections of the Internal Revenue Code. As a result, the Plan Administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

## **NOTE 5 – RELATED-PARTY TRANSACTIONS**

The Plan investments are administered by The Commercial & Savings Bank Trust Department (Trustee).

The Plan invests in the common stock of the Bank parent. Therefore, any transactions involving CSB Bancorp, Inc. common stock, including dividend income qualify as party-in-interest transactions. Other transactions which may be considered parties-in-interest transactions relate to normal Plan management and administrative services. Additionally, the expenses paid by the Bank on behalf of the Plan, as described in the Administrative Expenses section of Note 2, qualify as related-party transactions.

## NOTE 6 – FAIR VALUE MEASUREMENTS

The Plan provides disclosures about assets and liabilities carried at fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three broad levels of the fair value hierarchy are described below:

Level I: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Money Market Mutual Funds:* Valued at \$1, as reported on deposit for the Plan at the Trustee and as reported on the securities exchange on which the Funds are traded.

*Common stock:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual funds:* Valued at the daily closing price as reported by the Fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## NOTE 6 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of:

	December 31, 2024			
	Level I	Level II	Level III	Total
Money Market Mutual Funds	\$ 1,456,087	\$ -	\$ -	\$ 1,456,087

Total assets at fair value	\$ 28,929,286	\$ -	\$ -	\$ 28,929,286

## NOTE 7 - FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses the estimated fair value of its financial instruments. Financial instruments are defined as cash, evidence of ownership interest in an entity, or a contract, which creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. Fair value is defined as the amount at which a financial instrument could be exchanged in a current transaction between willing parties other than in a forced liquidation or sale. If a quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument.

Participant-directed investments, employer profit sharing contributions receivable, notes receivable from participants, interest receivable, and cash and cash equivalents would be considered financial instruments. On December 31, 2024, and 2023, the participant directed investments are carried at fair value and the carrying amounts of the remaining financial instruments approximate fair value.

## NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statement of Net Assets Available for Benefits. As of December 31, 2024, and 2023, 14.26% and 15.02% of the Plan’s net assets were invested in shares of CSB Bancorp, Inc. common stock, respectively.
