ALLETE and Affiliated Companies
Retirement Savings and Stock Ownership Plan
Notes to Financial Statements
December 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN

The ALLETE and Affiliated Companies Retirement Savings and Stock Ownership Plan (RSOP or Plan) is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and qualifies as an employee stock ownership plan and profit sharing plan. At December 31, 2024, there were 2,312 participants in the RSOP. Participating affiliated companies (collectively, the Companies) at December 31, 2024, included:

- ALLETE, Inc., including doing business as Minnesota Power (ALLETE or Company);
- ALLETE Clean Energy, Inc. (ACE);
- ALLETE Renewable Resources, Inc. (ARRI);
- BNI Energy, Inc. (BNI);
- MP Affiliate Resources, Inc.;
- Superior Water, Light and Power Company (SWL&P); and
- New Energy Equity, LLC (NEE).

The RSOP provides eligible employees of the Companies an opportunity to save for retirement by electing to make before-tax and after-tax contributions through payroll deduction, directing the contributions into various 401(k) investment options, and roll other eligible retirement funds into this Plan. (See *Participant Investment Options*.) The RSOP also provides eligible employees of the Company's employee stock ownership benefits in ALLETE common stock (Common Stock).

On May 6, 2024, ALLETE and a partnership led by Canada Pension Plan Investment Board ("CPP Investments") and Global Infrastructure Partners ("GIP"), (the "partnership"), jointly announced that they have entered into a definitive agreement under which the partnership will acquire ALLETE for \$67.00 per share in cash, or \$6.2 billion including the assumption of debt (the "Merger"). Consummation of the merger is subject to various closing conditions including the approval of ALLETE's shareholders, the receipt of regulatory approvals including by the Minnesota Public Utilities Commission ("MPUC"), the Public Service Commission of Wisconsin ("PSCW") and the Federal Energy Regulatory Commission ("FERC"), and other customary closing conditions.

At the special meeting on August 21, 2024, the shareholders of ALLETE voted to approve and adopt the Merger Agreement and approve the transactions contemplated thereby, including the Merger, among other matters.

On July 19, 2024, ALLETE filed requests for approval of the Merger with the MPUC, PSCW and FERC. On October 7, 2024, the MPUC issued an order referring the docket to the Minnesota Office of Administrative Hearings for a contested case proceeding and requesting the Administrative Law Judge issue a report and recommendation by July 15, 2025. ALLETE received approval from FERC on December 19, 2024, and on March 13, 2025, the PSCW approved the acquisition. Approval of the Merger from these and other regulators is required for consummation of the Merger.

The ALLETE stock in the Plan will be sold as part of the transaction. Empower Retirement, LLC (Empower), a recordkeeping service provider will process the sale of the stock and allocate the proceeds from the sale to each impacted participants' account.

Basis of Presentation

Participant Funds represent the participants' 401(k) investment funds and shares allocated to participants in the ALLETE RSOP Stock Fund.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Administration

The Employee Benefit Plans Committee (Committee) administers the Plan for the Companies. The mailing address of the Committee is 30 West Superior Street, Duluth, Minnesota 55802-2093. The Committee consists of 10 members who are appointed by the Board of Directors of ALLETE. The Board of Directors of ALLETE has the power to remove members of the Committee from office. Members of the Committee are all employees of the Companies and receive no compensation for their services with respect to the Plan.

Committee responsibilities include the administration and payment of benefits in a manner consistent with the terms of the Plan and applicable law. The Committee has the authority to establish, modify, and repeal policies and procedures, as it deems necessary to carry out the provisions of the Plan. The Committee also has the authority to designate persons to carry out fiduciary responsibilities (other than trustee responsibilities) under the Plan. The Committee has the power to appoint an investment manager or managers (as defined by ERISA), attorneys, accountants, and such other persons as it shall deem necessary or desirable in the administration of the Plan. The Companies or the Plan pays administration fees and expenses of agents, outside experts, consultants, and investment managers. The Plan charges a participant who takes a participant loan, elects to have checks overnighted or use the Plan's self-directed brokerage account feature for expenses relating to such loans or accounts.

Empower, the service provider for the Plan which handles participant recordkeeping, asset custody, trustee, and certain other administrative responsibilities, allows the Plan to value accounts daily and provides a participant with online, call center, and voice response capabilities to direct the investment of their account balances. Empower Trust Company, LLC, located at 8515 East Orchard Road, Greenwood Village, CO 80111, provides trustee and asset custody services. Empower carries professional liability coverage of \$25 million per occurrence, and in aggregate, as well as errors and omissions coverage of \$50 million.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

A participant may also establish a self-directed brokerage account with Empower Brokerage (offered by Empower Financial Services, Inc., a broker-dealer affiliate of Empower Retirement, LLC), which allows the participant to make investments in or transfers to a wide range of securities, including publicly traded stocks, bonds, and mutual funds. A participant who has a self-directed brokerage account pays a quarterly fee in addition to any trading fees incurred with any investment changes.

Empower Retirement Advisory Group, LLC has services available to participants with Online Advice or the Professional Management Program provided by Advised Assets Group, LLC, a registered investment advisor. Online Advice provides investment recommendations, at no additional cost, that a participant can implement. The Professional Management Program manages the participant's account, for additional fees.

A participant may change their level of contribution, change their investment elections for future contributions, and make transfers between investment options at any time by contacting Empower.

Certain mutual funds may charge redemption fees that are paid out of the participant's account. A redemption fee is charged when shares are transferred or exchanged out of the fund before the fund's minimum holding period has been met. None of the investment options included in the Plan as of December 31, 2024, currently charge redemption fees.

ALLETE sponsors an employee stock ownership plan (ESOP) within the RSOP. Eligible employees of the Companies receive Common Stock ownership benefits in the ALLETE RSOP Stock Fund. Employer contributions are paid either in cash or the issuance of ALLETE common stock at the Company's discretion. Shares of Common Stock or cash are allocated to each eligible employee as provided by the Plan (see *Basic Account, Special Account, Partnership Account, Bargaining Unit Account, Matching Account, BNI Matching Contribution Account, and BNI Non-Elective Contribution Account*). The shares of Common Stock allocated to a participant's account in the ALLETE RSOP Stock Fund come from issued shares, as determined by ALLETE. Each participant's account value, however, is determined on a unit basis and consists of both Common Stock and cash. (See Note 4. Investments.) The unit value is adjusted each business day to reflect investment results, including cash. After the close of the Merger, Company contributions to the RSOP will no longer be made in shares of Common Stock and instead will be made in another manner, such as a cash contribution.

Dividends are automatically reinvested in Common Stock held in the ALLETE RSOP Stock Fund; however, a participant may make an election, at any time, to receive cash dividends paid. Units within a participant's Pre-1989 Basic Account can be withdrawn at any time, while all other units within a participant's account in the ALLETE RSOP Stock Fund can be withdrawn when the participant reaches age 59 ½, terminates employment, severs employment to perform service in the uniformed services on active duty, becomes disabled, or dies. A participant may transfer all or any part of their ALLETE RSOP Stock Fund to other 401(k) investment options at any time.

Basic Account. Participants' Basic Accounts received shares of Common Stock purchased with incremental investment tax credit contributions and payroll-based tax credit contributions. Contributions to the participants' Basic Accounts ceased after 1986.

Special Account. For the years 1985 through 1989, eligible Companies received a tax deduction for cash dividends paid to participants on ALLETE RSOP Stock Fund shares in their Basic Account. The Companies contributed, to the ALLETE RSOP Stock Fund, an amount equal to the estimated income tax benefit of the dividend deduction associated with eligible shares in the Basic Account. Shares of Common Stock issued with these contributions were allocated to the participants' Special Account.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Partnership Account. The fixed-percentage partnership contribution to each non-union participant hired before October 1, 2006, ranges from 6 percent to 12 percent depending on the participant's age (not including ARRI, BNI and NEE participants). The fixed-percentage partnership contribution to each non-union participant hired on or after October 1, 2006, is 6 percent (not including BNI and NEE participants). The fixed-percentage partnership contribution to each Minnesota Power Bargaining Unit Local 31 union participant hired on or after February 1, 2011, to each SWL&P Bargaining Unit Local 31 union participant hired after January 1, 2022, to each ARRI Bargaining Unit participant, and to each Minnesota Power Bargaining Unit Local 1593 union participant is 6 percent. The partnership contributions are made quarterly and are based on periodic pay for the period.

Bargaining Unit Account. Quarterly non-elective allocations are made to the ALLETE RSOP Stock Fund equal to 1 percent of each union participant's eligible compensation (not including Minnesota Power Bargaining Unit Local 1593 union participants and BNI Bargaining Unit union participants).

Matching Account. For a non-union participant hired before October 1, 2006, (not including BNI and NEE participants), quarterly matching contributions are made equal to 100 percent of each non-union participant's 401(k) before-tax contributions and Roth 401(k) contributions, disregarding contributions in excess of 4 percent of the participant's periodic pay for the period.

For a non-union participant hired on or after October 1, 2006, (not including BNI and NEE participants), quarterly matching contributions are made equal to 100 percent of each non-union participant's 401(k) before-tax contributions and Roth 401(k) contributions, disregarding contributions in excess of 5 percent of the participant's periodic pay for the period.

For each Minnesota Power Bargaining Unit Local 31 union participant hired on or after February 1, 2011, to each SWL&P Bargaining Unit Local 31 union participant hired after January 1, 2022, to each ARRI Bargaining Unit participant, and to each Minnesota Power Bargaining Unit Local 1593 union participant, quarterly matching contributions are made equal to 100 percent of each union participant's 401(k) before-tax contributions and Roth 401(k) contributions, disregarding contributions in excess of 5 percent of the participant's periodic pay for the period.

BNI Matching Contribution Account. Effective January 1, 2020, for each BNI participant, bi-weekly matching contributions are made equal to 100 percent of each BNI participant's 401(k) before-tax contributions and Roth 401(k) contributions, disregarding contributions in excess of 5 percent of the participant's salary for the period.

BNI Non-Elective Contribution Account. Effective January 1, 2020, for each BNI bargaining unit employee, bi-weekly non-elective contributions are made equal to 1.5 percent of the participant's salary for the period. For each BNI non-bargaining unit employee, bi-weekly non-elective contributions are made equal to the greater of \$1,400 or 1.5 percent of the participant's salary for the period.

In addition, an additional Company Non-Elective Contribution will be made for non-bargaining unit employees and participants hired prior to and effective July 15, 2019, and for bargaining unit employees hired prior to and effective November 16, 2019, who are not a "Grandfathered OPEB Eligible Participant". For this purpose, a Grandfathered OPEB Eligible Participant means a participant who: (i) has attained age 50 as of July 15, 2019; and (ii) would be credited with at least 20 years of aggregate continuous service prior to such participant attaining age 61 ½, if such participant would not incur a termination of employment prior to attainment of age 61 ½. The amount of additional Non-Elective Contribution for each eligible participant who is not a Grandfathered OPEB Eligible Participant ranges from 4 percent to 8 percent. For each participant eligible for such contribution who was hired on or after July 15, 2019, for non-bargaining unit employees or hired on or after November 16, 2019, for bargaining unit employees, the additional Company Non-Elective Contribution is 4.0 percent of the participants salary for each pay period.

NEE Matching Contribution Account. Effective April 3, 2023, for each NEE participant, bi-weekly matching contributions are made equal to 100 percent of each NEE participant's 401(k) before-tax contributions and Roth 401(k) contributions, disregarding contributions in excess of 4.5 percent of the participant's salary for the period.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

NEE Non-Elective Contribution Account. Effective April 3, 2023, for each NEE participant, bi-weekly non-elective contributions are made equal to 3 percent of the participant's salary for the period.

Contributions

Participant Contributions. Participant contributions to the Plan consist of the following:

- **Before-Tax Contributions.** Before-tax contributions are salary reduction contributions equal to an amount the participant has elected to reduce his or her compensation pursuant to a salary reduction agreement.
- **Voluntary Contributions (After-Tax Contributions).** Each participant is also allowed to make voluntary after-tax contributions to the Plan through payroll deductions. Total voluntary contributions made by a participant may not exceed 25 percent of the participant's compensation in any pay period.
- **Rollovers.** Contributions by a participant may also be made through rollovers from other qualified plans or individual retirement accounts.
- **Roth 401(k) Contributions.** Roth 401(k) contributions are after-tax salary reduction contributions equal to an amount the participant has elected to reduce their compensation pursuant to a salary reduction agreement.

Contribution Limits. Total combined before-tax and Roth 401(k) contributions in 2024 could not exceed \$23,000 for a participant less than age 50 or \$30,500 for a participant at least age 50, as permitted under Section 401(k) of the Internal Revenue Code (Code).

Employer Contributions. Each year, employer contributions are paid to the trustee either in cash or in Common Stock. Expenses incurred in discretionary activities relating to the design, formation, and modification of the Plan (commonly characterized as "setlor" functions) are paid by the Companies.

Vesting and Forfeiture Account

All contributions to the Plan, plus actual earnings thereon, are fully vested and non-forfeitable, except for BNI Bargaining Unit non-elective contributions, which are 100 percent vested only after three years of service (except if the participant dies or becomes disabled while employed, or terminates employment after age 55). In 2005, the Plan was amended to allow distribution checks issued and outstanding for more than 180 days (unclaimed benefits) to be re-deposited into the Plan and treated as forfeitures. The forfeiture account consists of previously forfeited non-vested accounts and unclaimed benefits, totaling \$159,613 at December 31, 2024 (\$99,496 at December 31, 2023), and is invested in the Vanguard Federal Money Market Inv Fund. In 2024, \$56,498 from the forfeiture account was used to offset Plan expenses.

Distributions and Withdrawals

A participant may elect, at any time, to receive future cash dividends paid on Common Stock shares in their ALLETE RSOP Stock Fund and ALLETE Stock Fund.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Prior to termination of employment, a participant may withdraw, at any time, all or any part of the amounts in their:

- Plan accounts, if the participant has attained age 59 ½;
- After-tax account;
- Pre-1989 Basic Account;
- Rollover Account; or
- Prior BNI Money Purchase Pension Account, if participant has reached normal retirement age.

A participant may withdraw amounts from their account, regardless of age for:

- Deemed Severance;
- Qualified Reservist;
- Disability; or
- Hardship.

When a participant terminates employment, becomes disabled, or dies, they or their beneficiaries may elect to receive any part or all of their Plan accounts.

Transfers to Retirement and Other Plans. Upon retirement an eligible participant may elect to transfer their Plan account balances to an ALLETE and Affiliated Companies Retirement Plan if the participant has elected to receive a benefit from one of these retirement plans. The amount of transfers to these retirement plans totaled \$7,473,150 for 2024 (\$6,948,362 for 2023). Starting in plan year 2015, certain limitations were implemented regarding eligibility, timing of elections, and the value of account balances that can be transferred to retirement plans.

Notes Receivable from Participants. The Plan allows a participant to borrow money from their Plan accounts. The maximum amount a participant may borrow is equal to the lesser of: (a) 50 percent of their total Plan balance; or (b) \$50,000, less the largest outstanding loan balance owed in the prior 12-month period. The loans may not be less than \$1,000. The loans are for terms up to five years for a general-purpose loan and ten years for the acquisition of a primary residence. The interest rate for loans is fixed for the life of the loan. The interest rate is 1% over the Prime Rate published in the Wall Street Journal on the first business date of the month the loan is originated. As loans are repaid, generally through payroll deductions, principal and interest amounts are re-deposited into the participant's Plan. A participant may repay principal amounts, pay off the entire loan balance, or continue paying loan payments after separation from service by providing payment directly to Empower. A participant is required to pay a \$50 loan application fee to cover the cost of processing the loan.

Plan Termination

The Companies reserve the right to reduce, suspend, or discontinue their contributions to the Plan at any time, or to terminate the Plan in its entirety subject to the provisions of ERISA and the Code. If the Plan is terminated, all of the account balances of the participants will be distributed in accordance with the terms of the Plan. The Companies have no intention of terminating the Plan.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

The Plan uses the accrual basis of accounting and, accordingly, reflects income in the year earned and expenses when incurred. Common stock and mutual fund investments are reported at fair value based on quoted market prices. Collective fund investments are reported at net asset value, which approximates fair value. Participant loans are classified as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses on disposed investments and the unrealized appreciation (depreciation) on those investments owned at year-end.

The Plan invests in various funds that contain a combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits.

Certain expenses of maintaining the Plan are paid by the participants, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Fees related to the administration of self-directed brokerage accounts, managed accounts, approval of hardship distributions, processing of qualified domestic relations order splits, and notes receivable from participants are charged directly to the participants' accounts and included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments in the Statement of Net Assets Available for Benefits.

Subsequent Events. Management has evaluated subsequent events for possible recognition or disclosure through the date of financial statement issuance (June 27, 2025). See Note 1 regarding the merger with CPP Investments and GIP.

NOTE 3. INCOME TAX STATUS

A favorable determination letter dated March 14, 2018, was obtained from the Internal Revenue Service (IRS) stating that the RSOP, as amended and restated effective December 1, 2016, qualified as an employee stock ownership plan and a profit sharing plan under Section 401(a) of the Code.

The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code; therefore, no provision for income tax has been made in the Plan financial statements. The Company is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that “more-likely-than-not” would not be sustained upon audit. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset), or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process.

NOTE 5. FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). We utilize market data or assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable. These inputs, which are used to measure fair value, are prioritized through the fair value hierarchy. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Quoted prices are available in active markets for identical assets or liabilities as of the reported date. Active markets are those in which transactions for the asset or liability occur in sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 - Pricing inputs are other than quoted prices in active markets, but are either directly or indirectly observable as of the reported date. The types of assets and liabilities included in Level 2 are typically either comparable to actively traded securities or contracts, such as treasury securities with pricing interpolated from recent trades of similar securities, or priced with models using highly observable inputs, such as commodity options priced using observable forward prices and volatilities.

Level 3 - Significant inputs that are generally less observable from objective sources. The types of assets and liabilities included in Level 3 are those with inputs requiring significant management judgment or estimation, such as the complex and subjective models and forecasts used to determine the fair value.

Common stock and mutual funds are valued using their closing prices from the applicable exchanges. Self-directed brokerage accounts are valued using closing prices for the underlying securities from the applicable exchanges. Money market funds are valued using pricing for the underlying securities which may be based on recent trades of the same or similar securities. Collective trust funds, managed brokerage funds and pooled separate accounts are valued at the net asset value (NAV) of shares of bank collective trust and managed brokerage funds held by the Plan on a daily basis. The NAV is based on the fair value of the underlying investments held by the funds. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There have been no changes in the valuation methodologies used as of December 31, 2024, and 2023.

The following table presents, for each of these hierarchy levels, the Plan's assets that are measured at fair value on a recurring basis as of December 31, 2024.

The Plan's policy is to recognize transfers in and transfers out of a given hierarchy level as of the actual date of the event or of the change in circumstances that caused the transfer. For the years ended December 31, 2024, and 2023, there were no transfers in or out of Levels 1, 2, or 3. There was no activity in Level 3 during the years ended December 31, 2024, and 2023.

NOTE 6. RELATED PARTY TRANSACTIONS

The Plan's investments include shares of ALLETE common stock. (See Note 4. Investments.) Transactions related to this investment qualify as party-in-interest transactions. All transactions involving Empower, the Companies, or plan participants are considered party-in-interest transactions.

On May 6, 2024, ALLETE and a partnership led by CPP Investments and GIP, (the "partnership"), jointly announced that they have entered into a definitive agreement under which the partnership will acquire ALLETE for \$67.00 per share in cash, or \$6.2 billion including the assumption of debt. (See Note 1. Description of the Plan.)

The ALLETE stock in the Plan will be sold as part of the transaction. Empower Retirement, LLC (Empower), a recordkeeping service provider will process the sale of the stock and allocate the proceeds from the sale to each impacted participants' account.

ALLETE & Affiliated Companies Retirement Savings and Stock Ownership Plan

Opinion

We have audited the accompanying financial statements of ALLETE & Affiliated Companies Retirement Savings and Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of ALLETE & Affiliated Companies Retirement Savings and Stock Ownership Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ALLETE & Affiliated Companies Retirement Savings and Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ALLETE & Affiliated Companies Retirement Savings and Stock Ownership Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ALLETE & Affiliated Companies Retirement Savings and Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ALLETE & Affiliated Companies Retirement Savings and Stock Ownership Plan's ability to continue as a going concern for a reasonable period of time.

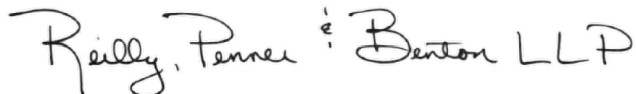

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
