To Management and the Board of Directors of
Tori Richard, Ltd 401(k) Retirement Savings Plan

In planning and performing our audit of the financial statements of Tori Richard, Ltd 401(k) Retirement Savings Plan as of and for the year ended December 31, 2024, in accordance with auditing standards generally accepted in the United States of America, we considered the Tori Richard, Ltd 401(k) Retirement Savings Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the Tori Richard, Ltd 401(k) Retirement Savings Plan's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follow:

- *Reasonably possible.* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable.* The future event or events are likely to occur.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Board of Directors, others within the Plan, and is not intended to be and should not be, used by anyone other than these specified parties.

July 25, 2025

July 25, 2025

To the Board of Directors of
Tori Richard, Ltd 401(k) Retirement Savings Plan

We have audited the financial statements of Tori Richard, Ltd 401(k) Retirement Savings Plan as of and for the year ended December 31, 2024, and have issued our report thereon dated July 25, 2025. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated January 6, 2025, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Tori Richard, Ltd 401(k) Retirement Savings Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies and other matters noted during our audit in a separate letter to you dated July 25, 2025.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by Tori Richard, Ltd 401(k) Retirement Savings Plan is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2024. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Tori Richard, Ltd 401(k) Retirement Savings Plan's financial statements relate to fair value measurement.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. None of them are identified.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit. There are no uncorrected and corrected misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The material misstatements that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Tori Richard, Ltd 401(k) Retirement Savings Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated July 25, 2025.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings or Issues

In the normal course of our professional association with Tori Richard, Ltd 401(k) Retirement Savings Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the entity, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Tori Richard, Ltd 401(k) Retirement Savings Plan's auditors.

Other Matters

The ERISA-required supplemental schedules were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

The report is intended solely for the information and use of the Board of Directors, and management of Tori Richard, Ltd 401(k) Retirement Savings Plan and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Tori Richard, Ltd 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the financial statements of Tori Richard, Ltd 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit), which comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tori Richard, Ltd 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2024 and 2023

1. Plan Description

The following description of Tori Richard, Ltd 401(k) Retirement Savings Plan (the “Plan”) provides only general information. For a more complete description of the Plan’s provisions, refer to the document governing the Plan (plan agreement).

General. Tori Richard, Ltd. is a Hawaii corporation principally engaged in the design and manufacture of men’s and women’s apparel, primarily resort wear. Tori Richard, Ltd. (the “Plan Sponsor”) is the sponsor and plan administrator for the Plan. Participation in the Plan is voluntary. The Plan is a defined contribution savings plan covering all eligible employees of Tori Richard, Ltd., who are not covered under a collective bargaining agreement or a non-resident alien. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective January 19, 2024, the Plan was amended to have no age or service requirement to be eligible to participate.

Contributions. Participants may contribute the percentage or dollar amount of their pay to be deducted as a Pre-tax salary and Roth deferrals, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor may elect to make discretionary matching contributions to the Plan. For the years ended December 31, 2024 and 2023, the Company matched 25% of the first 8% of an eligible employee’s contributions. The combined annual contribution to each participant account may not exceed the maximum deductible under the Internal Revenue Code (the “Code”).

Notes receivable from participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The maximum amount of any loan is the lesser of 50% of the participant’s vested interest minus any existing loan balance, or \$50,000 reduced by the participant’s highest outstanding loan balance in the previous twelve months even if all or a portion of this amount has been repaid.

To calculate the maximum loan amount, the participant’s vested interest in all plans established or maintained by the employer or a related employer of the employer will be considered. Notwithstanding, the Plan limits the minimum amount of any loan to \$1,000. The loans are secured by the balance in the participant’s account and bear interest rate at a rate commensurate with local prevailing rates as determined by the plan administrator, ranging from 4.25% to 9.25%. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Vesting. Participants are vested immediately in their contributions and rollover contributions plus actual earnings thereon. Vesting in the employer matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants reach 20% vesting after 2 years of service and vest 20% each year until year 6 when they are fully vested.

Tori Richard, Ltd 401(k) Retirement Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023

1. Plan Description (Continued)

Payment of benefits. Amounts contributed through salary or wage reductions may be withdrawn by, or distributed to, a participant only upon (1) termination of employment or (2) attaining the age of 59½. Withdrawals prior to attaining age 59½ are not permitted, except in the event of retirement, disability, or as a hardship distribution. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½.

Forfeitures. Generally, when a participant terminates participation in the Plan, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures can be utilized to reduce the Plan Sponsor matching contributions and Plan expenses for the plan year. During the years ended December 31, 2024 and 2023, forfeitures of \$26,648 and \$10,810, respectively, were used to reduce Plan expenses. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$0 and \$20,025, respectively. These accounts are kept in a in the money market account.

Termination of the plan. Although it has not expressed any intent to do so, the Plan Sponsor may terminate, amend, modify, or suspend the Plan, in whole or in part, at any time, subject to the provisions of ERISA. In the event of the plan termination, all participants would fully vest in the employer contribution portion of their account balance and remain vested in their employee contribution portion of their account. Upon termination of service for any reason, a participant generally may elect to receive a lump-sum amount equal to the value for the participant's vested account balance. Alternatively, the participant may elect a direct rollover to another qualified plan or, if the vested account balance exceeds \$5,000, the account may be continued until the participant reaches age 70½, when another election must be made.

2. Summary of Significant Accounting Policies

Basis of accounting. The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits. Benefits are recorded when paid.

Tori Richard, Ltd 401(k) Retirement Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023

2. Summary of Significant Accounting Policies (Continued)

Expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Participant accounts. Each participant account is credited with the participant's contributions, rollover contributions, and Plan Sponsor matching contributions and an allocation of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan. Currently, the Plan offers mutual funds as investment options for participants.

Excess contributions payable. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

Risks and Uncertainties. The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements
December 31, 2024 and 2023

3. Fair Value Measurements

Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset. The Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2. Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following valuation methodology was used to measure the fair value of the Plan's investments. There have been no changes in the methodology used as of December 31, 2024 and 2023.

Money market account. Valued at the net asset value (NAV) of the shares held by the Plan at year end and is determined based on the value of the underlying investments of the fund. The money market funds seeks to maintain a \$1.00 NAV.

Mutual funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common-collective trusts. Valued at the NAV units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future values. Although the Plan's management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements (Continued)

The following table summarizes by level, within the fair value hierarchy, the financial assets of the Plan at fair value, as of December 31:

As of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 7,881,010	\$ -	\$ -	\$ 7,881,010
Total investments, in the fair value hierarchy	<u>\$ 7,881,010</u>	<u>\$ -</u>	<u>\$ -</u>	7,881,010
Investments, measured at NAV*				<u>499,898</u>
Total Investments, at fair value				<u><u>\$ 8,380,908</u></u>

As of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market account	\$ 20,025	\$ -	\$ -	\$ 20,025
Mutual funds	<u>6,971,122</u>	<u>-</u>	<u>-</u>	<u>6,971,122</u>
Total Investments, at fair value	<u><u>\$ 6,991,147</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	<u><u>\$ 6,991,147</u></u>

*The investments in the common collective trusts are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower and Capital Bank and Trust Company, a qualified institution.

5. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 8,519,933	\$ 7,119,594
Less: Current year employer contributions receivable	(96,522)	-

Plus: Current year excess contributions payable	<u>21,428</u>	<u>26,596</u>
Net assets available for benefits per the Form 5500	<u>\$ 8,425,815</u>	<u>\$ 7,127,274</u>

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500 for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Net change in net assets per the financial statements	\$ 1,400,339	\$ 1,312,467
Less: Current year employer contributions receivable	(96,522)	-
Less: Current year participant contributions receivable	(19,024)	(18,916)
Plus: Current year excess contributions payable	21,428	26,596
Plus: Prior year participant contributions receivable	18,916	23,773
Less: Prior year excess contributions payable	<u>(26,596)</u>	<u>(29,353)</u>
Net change in net assets per the Form 5500	<u>\$ 1,298,541</u>	<u>\$ 1,314,567</u>

6. Related Party and Party-in-Interest Transactions

Certain Plan investments are a money market account, mutual funds, and a CCT managed by Empower and Capital Bank and Trust Company (CBTC) during 2024 and 2023, respectively. The Plan made a direct payment to Empower and CBTC of \$13,364 and \$10,422 for investment and recordkeeping services, and a direct payment to Hicks Pension Group of \$5,073 and \$14,999 for third-party administrative services, and direct payment to Fisher Asset Management of \$23,968 and \$0 for investment advisor fees during 2024 and 2023, respectively. Empower and CBTC is the trustees as defined by the Plan, Hicks Pension Group is a third-party administrator of the Plan, and Fisher Asset Management is an investment advisor to the Plan; therefore, these transactions qualify as party-in-interest. Notes receivable from participants also qualify as party-in-interest transactions.

Tori Richard, Ltd 401(k) Retirement Savings Plan
Notes to Financial Statements
December 31, 2024 and 2023

7. Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the trustee by a letter dated November 14, 2022, that the Non-Standardized Pre-Approved Profit Sharing Plan with cash or deferred arrangement is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS opinion letter, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Transfer of Assets

In January 2024, the Plan appointed Empower as a Plan trustee. During this time, all Plan assets were transferred from Capital Bank and Trust Company to Empower. The period of January 1, 2024 to January 24, 2024, was a blackout period where participants were unable to make changes to their accounts as Empower prepared to convert Plan assets.

9. Subsequent Events

Subsequent events have been evaluated through the independent auditors' report date, which is the date the financial statements were available to be issued and have determined no additional events require disclosure.
