## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
The College of St. Scholastica  
403(b) Retirement Plan  
Duluth, Minnesota

### **Report on the Audit of the Financial Statements**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements***

We were engaged to perform an audit of the accompanying financial statements of The College of St. Scholastica 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The College of St. Scholastica 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Disclaimer of Opinion on the Financial Statements***

We do not express an opinion on the financial statements referred to above of The College of St. Scholastica 403(b) Retirement Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

***Basis for Disclaimer of Opinion on the Financial Statements***

The College of St. Scholastica 403(b) Retirement Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements referred to above may have been affected by these conditions.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The College of St. Scholastica 403(b) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our responsibility is to conduct an audit of The College of St. Scholastica 403(b) Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion on the Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

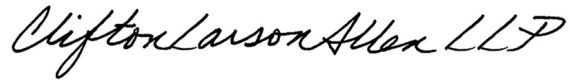

We are required to be independent of The College of St. Scholastica 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

Board of Trustees  
The College of St. Scholastica  
403(b) Retirement Plan

**Other Matters**

**Supplemental Schedule Required by ERISA**

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

**THE COLLEGE OF ST. SCHOLASTICA 403(B) RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of the College of St. Scholastica (the Employer) 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan originally effective January 1, 1973. The Plan was most recently restated effective July 1, 2024.

The Plan excludes nonresident aliens, students, independent contractors, and leased employees. Employees eligible to participate in the Plan are segregated into four categories: Regular Nonexempt Active Participants, Regular Exempt Active Participants, Engineer Union Active Participants, and Outside Union Active Participants. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Eligibility**

Employees are eligible to participate in the Plan for salary deferrals as soon as administratively feasible. Employees are eligible to participate in the Plan for Employer matching contributions, Employer base contributions, and mandatory employee contributions after attaining age 21 and completing one year of service (1,000 hours). Participants enter the Plan with regards to employee mandatory contributions, Employer base contributions and Employer match contributions the first day of the month following the completion of the eligibility requirements.

**Contributions**

Eligible participants are permitted to elect to have 100% of their eligible compensation contributed as pre-tax contributions, Roth contributions, or a combination thereof, to the Plan. Eligible participants (excluding Outside Union Active participants) have mandatory employee contributions made on their behalf by the Employer. Regular Nonexempt Active and Engineer Union Active participants contribute 3% of their eligible compensation and Regular Exempt Active participants contribute 4% of their eligible compensation.

The Employer may contribute a discretionary base contribution for all eligible participants. The Employer elected to contribute 5% of eligible compensation during the years ended December 31, 2024 and 2023. For Outside Union Active participants, the Employer also contributes match contributions of 100% of the first 3% of the participants elected salary deferrals.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRAs. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

**THE COLLEGE OF ST. SCHOLASTICA 403(B) RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, the Employer's contributions, and an allocation of Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

**Vesting**

Participants are immediately vested in all of their contributions plus actual earnings thereon.

**Plan Loans**

Participants may borrow amounts from TIAA, the Plan insurance company. Plan loans may be requested by a participant, using their account as collateral for the Plan loan. A Plan loan is not treated as distribution from the Plan and is not considered a Plan asset. Therefore, Plan loans are not reported on the statements of net assets available for benefits.

A participant may apply for a Plan loan to be made from his or her vested account balance in the Plan not to exceed the lesser of (i) \$50,000 or (ii) 50% of the participant's vested account balance in the Plan. Loans may be further limited by the funding vehicles.

At December 31, 2024 and 2023, there were \$74,562 and \$140,341, respectively, held within participant accounts in the TIAA Traditional Fixed Account on the statements of net assets available for benefits, which served as collateral against outstanding Plan loan balances. At December 31, 2024, interest rates of Plan loans ranged from 4.00% to 5.73%.

**Benefit Payments**

Upon termination of service, death, disability, or retirement (age 65), the participant may receive the value of the vested interest in his or her account in the form of a lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate determined by the Plan administrator based on how the participant's account balance is invested. Principal and interest is paid ratably through payroll deductions.

**THE COLLEGE OF ST. SCHOLASTICA 403(B) RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are valued at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

**Administrative Expenses**

The Employer pays certain administrative expenses on behalf of the Plan.

**Benefit Payments**

Benefits are recorded when paid.

**Subsequent Events**

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through July 23, 2025, the date the financial statements were available to be issued.

**THE COLLEGE OF ST. SCHOLASTICA 403(B) RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION**

TIAA and CREF, and TIAA on behalf of TIAA Trust, N.A., the qualified institutions, have supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2024.

**NOTE 4 FAIR VALUE OF INVESTMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

**THE COLLEGE OF ST. SCHOLASTICA 403(B) RETIREMENT PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The NAV is a readily determinable fair value and is the basis for current transactions.

*Sub-Accounts of Variable Annuities:* Valued at NAV of shares, which are valued by CREF at accumulation unit value based on the estimated value of the underlying investments, held by the Plan at year-end. The NAV is a readily determinable fair value and is the basis for current transactions.

*Pooled Separate Account:* Valued based on the NAV of units, which are based on market prices of the underlying investments, held by the Plan at year-end. The NAV is a readily determinable fair value and is the basis for current transactions.

*Investments in the Nonbenefit-Responsive Fixed Account:* Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. The Retirement Plan Committee has various processes and controls in place to ensure that fair value is reasonably estimated. Valuation approaches are reviewed on an ongoing basis and revised as necessary based on changing market conditions to ensure values represent a reasonable exit price.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

**NOTE 5 ANNUITY CONTRACTS WITH INSURANCE COMPANY**

Participants invest in annuity contracts with TIAA and/or CREF. The Retirement Choice (RC) and Retirement Choice Plus (RCP) are owned and controlled by the Plan sponsor. The Retirement Annuity (RA), Group Retirement Annuity (GRA), Supplemental Retirement Annuity (SRA) and Group Supplemental Retirement Annuity (GSRA) are owned by the participant.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 5 ANNUITY CONTRACTS WITH INSURANCE COMPANY (CONTINUED)**

As part of the contracts, TIAA may maintain a portion of the contributions in a “guaranteed account,” which is called the TIAA Traditional Fixed Account. The account is credited with earnings on the underlying investments and charged for withdrawals and administrative expenses charged by TIAA. The guaranteed minimum rate of interest is based on a formula established by the TIAA and is between 1% and 3%. Any additional interest is not guaranteed. The Traditional Fixed Account does not permit TIAA to terminate the agreement prior the scheduled maturity date.

The RA, GRA, and RC annuity contracts are considered to be nonbenefit-responsive. These contracts are included in the financial statements at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. These contracts are subject to a 10-year withdrawal period. Upon termination of the contracts, the amount of each transfer payout annuity payment will be determined as of the annuity starting date for the transfer payout annuity by the amount of the Traditional Fixed Account accumulation and the interest rates in the rate schedules under which any premiums, additional amounts, and internal transfers were applied to the account.

The SRA, GSRA, and RCP annuity contracts meet the fully benefit-responsive criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Upon termination of the investment contract, the lump sum liquidation value of the guaranteed account portion of the participant’s accumulation value shall be equal to the product of (a) the participant’s guaranteed account accumulation value on the liquidation date, reduced by the liquidation charge applicable on the liquidation date and (b) a market value adjustment percentage. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured breach of the Plan's investment guidelines, (2) a material amendment to the contract without the issuer's consent, (3) a violation of a material obligation under the contract, or (4) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 6 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 7 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would remain 100% vested in their Employer contributions.

**NOTE 8 PLAN TAX STATUS**

The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 PARTY-IN-INTEREST TRANSACTIONS**

The Plan investments are managed by TIAA Trust, N.A., and TIAA and CREF, the qualified institutions, as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions.

**NOTE 10 HISTORICAL PLAN ADMINISTRATION**

Prior to 2009, the Plan's third-party administrator, TIAA, tracked contributions, investment earnings, distributions, and other activity on a "contract" basis. Each participant was setup as having a separate "contract" and Plan level activity was not captured. This method of administration was utilized prior to January 1, 2009 as the regulations governing 403(b) plans did not require plan level reporting. As a result of this administration and lack of historical plan level financial reporting, the Plan administrator is unable to obtain plan level information prior to January 1, 2009.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 11 DELINQUENT PARTICIPANT CONTRIBUTIONS**

During 2024 and 2023, there were instances where the Plan Sponsor failed to timely remit to the Plan employee deferral contributions for certain payroll periods within the timeframe prescribed by the Department of Labor. These are deemed prohibited transactions in accordance with ERISA and the IRC. As of December 31, 2024, \$233 in participant contributions remain to be corrected by the Plan. The Plan Sponsor intends to correct these transactions in 2025.
