## Independent Auditor's Report

To the Plan Administrator of the  
MobilityWare, LLC 401(K) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

I have performed audits of the accompanying financial statements of the MobilityWare, LLC 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **David L. Buck, CPA**

## **Basis for Opinion**

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## David L. Buck, CPA

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

## Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **MOBILITYWARE, LLC 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2024 AND 2023**

#### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the MobilityWare, LLC 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General** - The Plan is a defined contribution retirement plan for the eligible employees of MobilityWare, LLC and its affiliates (the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator oversees governance of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

**Participant Eligibility** - The Company’s employees are eligible to participate in the Plan on the first day of any month of the Plan year after their date of hire.

**Contributions** - Participants may contribute a percentage of their pretax compensation or after-tax compensation (Roth deferral contributions), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified benefit plans. Participants may also elect to have certain portions of their account be considered designated Roth contributions (In-Plan Roth Rollover Contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a designated default investment until changed by the participant. For the year ended December 31, 2024, the Company chose to make an additional profit sharing contribution of 2% of compensation for all eligible participants. Additional matching contributions may be contributed at the option of the Company. Contributions are subject to certain statutory limitations. Participants direct the investment of all contributions to their account into various investment options offered by the Plan.

**Participant Accounts** - Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s matching contributions, (b) the Company’s profit sharing contributions, and (c) Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, participant contributions, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

## NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

**Vesting** - Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the portion of their account from the Company's contributions is based on years of continuous service. A participant is 100% vested after five years of credited service. In addition, active employees will become 100% vested upon attaining the age of fifty-five. All participants will become 100% vested upon attaining the age of sixty-five.

**Notes Receivable from Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

**Payment of Benefits** - On termination of service due to death, disability, retirement, or for other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments over a period not to exceed certain prescribed life expectancy limits.

**Forfeited Accounts** - At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$284,943 and \$88,375, respectively. These accounts will be used to reduce the Company's contributions and to pay Plan expenses. During the year ended December 31, 2024, there were no forfeited nonvested accounts used to reduce the Company's contributions or to pay Plan expenses.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Date of Management's Review of Subsequent Events** - Subsequent events were evaluated through July 21, 2025, which is the date the financial statements were available to be issued.

**Use of Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting.

**Notes Receivable from Participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Investment Valuation and Income Recognition** - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Excess Contributions Payable** - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

**Payment of Benefits** - Benefits are recorded when paid.

**Expenses** - Certain expenses incurred maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in investment income.

## NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

**Level 1** - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

**Level 2** - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

### **NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)**

**Level 3** - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

#### *Mutual Funds*

The fair value of mutual funds is based on the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

#### *Common/Collective Trusts (MetLife Reliance Stable Value Fund Only)*

The MetLife Reliance Stable Value Fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily and have a two business day redemption notice period. If the Plan initiates a full redemption of the collective trust, the Plan will receive the lesser of the contract value or the contract's proportionate share of the fair value of the investments in the collective trust and has a 60 day redemption notice period. Certain events limit the Plan's ability to transact at contract value. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring. As of December 31, 2024 and 2023, there were no unfunded commitments.

### NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	<b>Total</b>	<b>Fair Value Measurements at the End of the Reporting Period Using Quoted Prices in Active Markets for Identical Assets (Level 1)</b>
<b><u>December 31, 2024</u></b>		
Mutual funds	\$ 27,755,781	\$ 27,755,781
Total assets in the fair value hierarchy	27,755,781	<u>\$ 27,755,781</u>
Investments measured at net assets value <sup>(a)</sup>	<u>4,848,602</u>	
Total investments at fair value	<u>\$ 32,604,383</u>	
<b><u>December 31, 2023</u></b>		
Mutual funds	\$ 21,902,199	\$ 21,902,199
Total assets in the fair value hierarchy	21,902,199	<u>\$ 21,902,199</u>
Investments measured at net assets value <sup>(a)</sup>	<u>4,730,849</u>	
Total investments at fair value	<u>\$ 26,633,048</u>	

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

#### **NOTE 4 - CERTIFIED INFORMATION**

The Plan Administrator has elected to have an audit of the Plan as permitted by ERISA Section 103(a)(3)(C). The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Reliance Trust Company as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

- Investments and notes receivable from participants reflected on the accompanying statement of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation (depreciation) in fair value of investments, interest income from notes receivable from participants, and interest and dividend income on investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Investments and participant loans reflected on the schedule of assets (held at end of year) as of December 31, 2024.

#### **NOTE 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **NOTE 6 - TAX STATUS**

The Company has adopted a pre-approved plan document that has received an opinion letter from the IRS stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**NOTE 7 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

Also, certain Plan investments are shares of common/collective trusts managed by Reliance Trust Company. Reliance Trust Company is the trustee and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants represent loans to employees and are considered party-in-interest transactions under ERISA regulations.

**NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 33,615,205	\$ 27,532,832

Net assets available for benefits per Schedule H of Form 5500	<u>\$ 32,773,757</u>	<u>\$ 26,868,977</u>

The following is a reconciliation of contributions per the financial statements for the year ended December 31, 2024 to Schedule H of Form 5500:

Contributions per the financial statements	\$ 4,092,583
Contributions receivable at December 31, 2023	601,782
Contributions receivable at December 31, 2024	<u>(775,777)</u>
Contributions per Schedule H of Form 5500	<u>\$ 3,918,588</u>

The following is a reconciliation of benefit payments, corrective distributions, and deemed distributions of participant loans per the financial statements for the year ended December 31, 2024 to Schedule H of Form 5500:

Benefit payments, corrective distributions, and deemed distributions of participant loans per the financial statements	\$ 1,791,220
Deemed distributed loans at December 31, 2023	(62,073)
Deemed distributed loans at December 31, 2024	<u>65,671</u>
Benefit payments, corrective distributions, and deemed distributions of participant loans per Schedule H of Form 5500	<u>\$ 1,794,818</u>

## **NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
