Independent Auditors' Report

To the Trustees
Pepsi-Cola Bottling Company Employees Health Plan
Oskaloosa, Iowa

Opinion

We have audited the accompanying financial statements of Pepsi-Cola Bottling Company Employees Health Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits - modified cash basis as of October 31, 2024 and 2023, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended October 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits - modified cash basis of the Plan as of October 31, 2024 and 2023, and the changes in its net assets available for benefits – modified cash basis for the year ended October 31, 2024, in accordance with the modified cash basis of accounting.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agree to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA
- the certified investment information in the supplemental schedule agrees to, or is/are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

OCTOBER 31, 2024

1. Description of Plan

The following description of the Pepsi-Cola Bottling Company Employee Health Plan, (the "Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan provides comprehensive major medical benefits for the employees of Mahaska Bottling Company (the Sponsor); Pepsi-Cola Bottling Company of Salina, Inc.; Pepsi-Cola Bottling Company of Norfolk, Inc.; MBC Management Co., Inc.; Mahaska Brew Co. LLC; and Jomast Corporation. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

b. Benefits

The Plan provides health benefits, (medical and prescription drug), to full-time employees of the Sponsor, (working at least 30 hours per week), and to their covered dependents upon completion of 60 days of employment by the employee. Health benefit claims for participants and dependents are processed by Wellmark Blue Cross and Blue Shield of Iowa, and/or Wellmark Health Plan of Iowa, Inc., but the responsibility for payments to providers is retained by the Plan.

Current health claims of active participants and their dependents are provided by funding payments made into the Plan, its affiliates, and participants. In addition, the Plan has entered into a stop-loss insurance contract with Wellmark, Inc., an Iowa mutual insurance company for health claims over a specified amount.

c. Contributions

The Plan's trustee computes the expected cost of coverage for each year and sets rates for single and family coverage under HMO and PPO options. The Plan Sponsor determines the portion of the total premium to be paid by the participants for each option and then contributes the remaining necessary funds.

In addition, under the Consolidated Omnibus Budget Reconciliation Act (COBRA), participants have the right to choose continuation coverage in instances where coverage under the Plan would otherwise end. COBRA participants are required to pay their entire premium for the continuation of coverage.

1. **Description of Plan (Continued)**

d. **Administrative Expenses**

The Plan Sponsor bears some of the administrative costs of the Plan, including the costs of officers and employees who perform certain administrative functions. Administrative expenses that are paid by the Plan consist of fees charged for claim administration.

e. **Other**

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

2. **Summary of Significant Accounting Policies**

a. **Basis of Accounting**

The Plan prepares its financial statements on the modified cash basis which is a comprehensive basis of accounting other than generally accepted accounting principles (GAAP). The principal differences between the modified cash basis and the accrual basis of accounting are that contributions and interest income are recognized when received rather than when earned, and expenses of the Plan, including claims, are recognized when paid rather than when incurred.

b. **Payment of Benefits**

Premiums paid by either the Plan Sponsor or the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

c. **Stop Loss**

Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop loss reimbursements totaling \$214,780 have been netted with claims paid in the accompanying Statement of Changes in Net Assets for the year ended October 31, 2024.

2. Summary of Significant Accounting Policies (Continued)

d. Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

e. Income Taxes

The Plan's income tax filings are subject to examination by various taxing authorities. The Plan's open examination periods are 2021 and forward.

f. Subsequent Events

Subsequent events have been evaluated up to July 18, 2025, the date these financial statements were available to be issued.

3. Benefit Obligations

The following tables present the components of the plan's benefit obligations and related changes in the plan's benefit obligations at October 31:

	<u>2024</u>	<u>2023</u>
Total benefit obligations	\$ <u>156,869</u>	\$ <u>90,429</u>
Changes in Benefit Obligations For the Year Ended October 31, 2024		
Benefit obligations, beginning of year		\$ 90,429
Claims incurred		1,727,328
Claims paid		<u>(1,660,888)</u>
Benefit obligations, end of year		\$ <u>156,869</u>

4. **Plan Termination**

Under certain conditions, the Plan may be terminated. Upon termination, the assets then remaining shall be subject to the applicable provisions of the Plan then in effect and shall be used until exhausted to pay benefits to employees in the order of their entitlement.

5. **Concentrations of Risk**

The Plan at times has cash deposits which exceed the insured limits provided by the Federal Deposit Insurance Corporation (FDIC). At December 31, 2024, there were no uninsured balances.

6. **Income Taxes**

The Plan obtained its latest determination letter on June 21, 1984, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.
