Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lumite, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Lumite, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lumite, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lumite, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lumite, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lumite, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (HELD AT END OF YEAR) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Lumite, Inc. (the "Company") 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time and part-time employees of the Company. The Administrative Committee of the Company controls and manages the operation and administration of the Plan. Empower Retirement, LLC ("Empower" or the "Trustee"), formerly Massachusetts Mutual Life Insurance Company, serves as the trustee of the Plan. Employees must complete six months of service to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the IRS maximum percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may also elect to make Roth 401(k) deferrals which are subject to federal income taxes in the year of deferral. The Company may make discretionary matching contributions and discretionary non-elective contributions. To be eligible for discretionary non-elective contributions the participant must be employed on the last day of the Plan year. To be eligible for discretionary matching contributions the participant must be employed on the last day of the Plan year and complete at least 1,000 hours of service during the Plan year. During the year ended December 31, 2024, the Company elected to make discretionary matching contributions of 50% of the first 6% of eligible compensation contributed by the participant. The Company did not fund discretionary non-elective contributions during the year ended December 31, 2024.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers general fixed and various pooled separate accounts with underlying mutual fund investments as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of any optional Company contribution, and Plan earnings (losses), and charged with benefit payments, transaction fees related to notes receivable from participants and distributions, and allocations of administrative expenses. Allocations of Plan earnings are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Retirement, Death, and Disability

A participant or named beneficiary is entitled to 100% of his or her account balance upon retirement, death, or disability.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The value of the participant's account attributable to matching and profit sharing contributions vests as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from one to five years, or up to ten years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear an interest rate equal to the market rate for similar loan products. At December 31, 2024, outstanding notes bore interest rates of 4.25% - 9.50%. Principal and interest are paid through payroll deductions.

Payment of Benefits

Upon termination of service, a participant or named beneficiary will receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount as provided by the Plan. Hardship distributions are permitted upon demonstration of financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59.5.

Forfeited Accounts

At December 31, 2024 and 2023, the forfeited non-vested account balance was \$23,016 and \$18,356, respectively. This account can be used to reduce Company contributions and pay administrative expenses. For the year ended December 31, 2024, \$5,353 were used to reduce Company contributions and \$0 were used to pay administrative expenses.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates and assumptions.

LUMITE, INC. 401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's administrative expenses are paid by either plan participants or the Company, as provided by the Plan document. Certain administrative functions are performed by the employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions are charged directly to the participant's account.

Subsequent Events

Management evaluated all events or transactions that occurred after December 31, 2024 through July 29, 2025, the date the financial statements were available to be issued. During this period, management did not have material recognizable subsequent events that required recognition or disclosure in the accompanying financial statements.

NOTE 3 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, provides a framework for measuring fair value. That framework details a fair value hierarchy that gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LUMITE, INC. 401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 3 - FAIR VALUE MEASUREMENT (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, then Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

General fixed account: Guaranteed Interest Account ("GIA") is a stable value investment with a guaranteed rate of return and a guarantee of principal that is backed by the entire general account assets of Empower Annuity Insurance Company of America ("EAIC"). The GIA is provided through a group annuity contract issued by EAIC to a retirement plan. The GIA account is valued at liquidation value based on an actuarial formula as defined under the terms of the contract. There are no unobservable inputs.

Pooled separate accounts: Pooled separate accounts are reported at net asset value (NAV). The NAV is calculated by the Plan's custodian. Each unregistered pooled separate account is divided into investment divisions called Sub-Accounts. The value of each pooled separate account is equal to the sum of the values of the Sub-Accounts it holds. Each Sub-Account invests in shares of an underlying mutual fund ("Fund"). Sub-Account values are measured in terms of Accumulation Units. The Accumulation Units of a Sub-Account are assigned a unit value on a daily basis, at the end of each day the New York Stock Exchange ("NYSE") is open for trading, as of the close of the NYSE on that day ("Valuation Day"). To determine the current Accumulation Unit Value for a Sub-Account, the prior Valuation Day's Accumulation Unit Value for a Sub-Account, the prior Valuation Day's Accumulation Unit Value is multiplied by the Net Investment Factor. The Net Investment Factor is used to measure the investment performance of a Sub-Account from one Valuation Day to the next. The Net Investment Factor for each Sub-Account equals the NAV per share of the underlying fund held in the Sub-Account at the end of the current Valuation Day, divided by the NAV per share of the underlying Fund held in the Sub-Account at the end of each prior Valuation Day, minus any applicable daily mortality and expense risk and administration charges. The shares of the underlying Fund are valued at NAV on a daily basis.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believe its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 - FAIR VALUE MEASUREMENT (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets accounted for at fair value as of December 31, 2024 and 2023:

	Fair Value as of December 31, 2024			
	Total	Level 1	Level 2	Level 3

Total investments at fair value	\$ 5,071,283	\$ -	\$ 5,071,283	\$ -

	Fair Value as of December 31, 2023			
	Total	Level 1	Level 2	Level 3
General fixed account	\$ 1,167,432	\$ -	\$ 1,167,432	\$ -
Pooled separate accounts	3,733,425	-	3,733,425	-
Total investments at fair value	\$ 4,900,857	\$ -	\$ 4,900,857	\$ -

NOTE 4 - INVESTMENTS AND INFORMATION CERTIFIED BY TRUSTEE

Empower holds the Plan's investment assets and executes investment transactions. Management has determined Empower to be a qualified institution and the information prepared by Empower is certified to be complete, accurate, and meets the requirements of ERISA Section 103(a)(3)(C). Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower.

NOTE 5 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 6 - TAX STATUS

The Plan is relying on the IRS approval of the non-standardized pre-approved profit sharing plan sponsored by Dyatech, LLC ("Dyatech"). The IRS has determined and informed Dyatech by a letter dated June 30, 2020 that the non-standardized pre-approved profit sharing plan document was designed in accordance with applicable sections of the IRS. The Plan has been amended since its determination letter was received in order to comply with changes in tax laws. The Plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

LUMITE, INC. 401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 6 - TAX STATUS (CONTINUED)

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan's investments include shares of a general fixed and pooled separate accounts managed by Empower and its affiliates. Empower is the Plan trustee, and, therefore, these transactions qualify as party-in-interest transactions. The independent auditor of the Plan's financial statements, Rushton, LLC, is a service provider to the Plan and is considered a party-in-interest. Notes receivable from participants are also party-in-interest transactions.

NOTE 8 - MARKET RISKS

The Plan provides various investments. Such investments are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 - CONCENTRATION OF INVESTMENT RISK

At December 31, 2024, the Plan had \$3,068,824 (2023: \$3,095,231) in three investment accounts representing 61% (2023: 63% in three investment accounts) of the total portfolio balance.
