## INDEPENDENT AUDITOR'S REPORT

To Those Charged With Governance of  
Social Finance, Inc. 401(k) Plan  
San Francisco, California

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements***

We have performed an audit of the financial statements of Social Finance, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2024 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

---

(Continued)

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

---

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *2024 Supplemental Schedules Required by ERISA*

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2024 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2023 Financial Statements*

The 2023 financial statements of Social Finance, Inc. 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by qualified institutions. Their report dated September 23, 2024, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SOCIAL FINANCE, INC. 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 and 2023

---

**NOTE 1 – DESCRIPTION OF PLAN**

The Social Finance, Inc. 401(k) Plan (the Plan) is a qualified defined contribution plan adopted by Social Finance, Inc. (the Company), to enable eligible its employees to save for retirement on a tax-advantaged basis. The Plan was originally effective July 1, 2013, and amended effective July 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The summary of significant provisions of the Plan presented below provides only general information. Participants should refer to the terms of the plan documents and trust agreement for a more complete description of the Plan's provision.

Eligibility: All employees are eligible to participate in the Plan on their date of hire, with entry into the Plan occurring on the first day of the month following the satisfaction of eligibility requirements, unless they are classified as Excluded Employees. Excluded Employees include union employees covered by a collective bargaining agreement without retirement benefit provisions, certain nonresident aliens, leased employees, and those not meeting minimum service thresholds.

Employees classified as Long-Term Part-Time (LTPT) may also be eligible to make deferrals upon attaining age 21 and completing at least 500 hours of service in three consecutive eligibility computation periods, as defined under the Plan.

Contributions: Participants may contribute to the Plan using either pre-tax compensation as salary deferrals or after-tax compensation as Roth 401(k) contributions. Participants may elect to contribute up to 80% of eligible compensation subject to the annual Internal Revenue Service (IRS) limit. Participants who attain age 50 or older before the end of a calendar year may elect to contribute additional amounts as catch-up contributions. Participants may modify or revoke their salary deferral election during the Plan year.

The Plan also contains an automatic enrollment feature in which the Company will automatically deduct 3% from a participant's pay as a pre-tax deferral contribution to the Plan. The Company will automatically increase the deferral percentage by 1% annually until a deferral rate of 80% is reached. Participants can increase, decrease, suspend or resume their deferral contributions or automatic contributions at any time.

Participants may also make rollover contributions from other qualified plans or IRAs, subject to Plan Administrator approval.

During the year, the Company made a Qualified Nonelective Contribution (QNEC) to correct plan operations errors identified in participant deferral processing. Contributions of \$26,250 were made during the year ended December 31, 2024.

All contributions are subject to certain limitations of the Internal Revenue Code (IRC).

Participant Accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) Plan earnings and losses, and (c) forfeitures of employer nonelective contributions and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death, and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death, or disability.

**NOTE 1 – DESCRIPTION OF PLAN** (Continued)

Vesting: A participant is immediately vested with respect to the portion of their account attributable to participant contributions, rollover contributions, safe harbor matching contributions, and the related earnings or losses thereon. Any Company nonelective contributions are fully vested after two years of service. Upon death, disability, or reaching normal retirement age, participants become fully vested in their accounts.

Payment of Benefits: Upon termination of service before normal retirement age, a participant may elect to receive a single lump-sum payment in cash equal to the value of the participant's vested account balance, or to rollover the distribution directly to another qualified plan under section 401 of the IRC. If a participant's vested account balance does not exceed \$5,000 upon termination of employment, it will be automatically distributed regardless of whether a participant consents to receive it.

Upon normal retirement, disability, or death, the participant or beneficiary is entitled to receive the full amount credited to their account. Benefits may be paid to the participant in a single lump-sum payment in cash or a direct rollover to another qualified plan. If the participant or their beneficiary is required to take minimum distributions, benefits may be paid in a series of payments as required by the IRC.

Participants may receive an in-service distribution upon attaining age 59½, incurring financial hardship, or incurring a disability. Hardship withdrawals are allowed only to satisfy certain immediate and heavy financial needs. Such withdrawals may only be made from the participant's elective deferral contributions (including Roth deferrals) and related earnings, and do not include Qualified Nonelective Contributions (QNECs), Qualified Matching Contributions (QMACs), or their earnings.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance, or \$50,000 reduced by the highest outstanding loan balance in the last 12 months. The loans are secured by the balance in the participant's account. All Plan loans bear a reasonable rate of interest that is determined based upon prevailing rates for similar type loans. The interest rate remains fixed throughout the term of the loan. All loans must be repaid in level payments on at least a quarterly basis over a five-year period, unless the loan is for the purchase of the participant's principal residence. Participants may only have one Plan loan outstanding at any given time.

Forfeitures: Forfeitures may be used to pay administrative expenses or to reduce future employer contributions. At December 31, 2024 and 2023, the forfeited non-vested account balance was \$30 and \$5,956, respectively. In 2024, \$6,214 of forfeitures were used to reduce employer safe harbor matching contributions, respectively.

Plan Termination: Although the Company intends to maintain the Plan indefinitely, the Company reserves the right to terminate the Plan at any time. Upon termination of the Plan, no further contributions will be made to the Plan and participants shall have a vested interest in their account of 100%, as provided in the Plan documents. The Company will direct the distribution of participant accounts in a manner permitted by the Plan as soon as practicable.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through July 29, 2025, which is the date the financial statements were available to be issued. Management has determined that no events occurred subsequent to year-end that would require adjustment to or disclosure in the financial statements.

**NOTE 2 – SUMMARY OF ACCOUNTING POLICIES**

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses. Repayments of principal and interest are made from a bank account designated by the participant. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits: Benefits are recorded when paid.

Risks and Uncertainties: The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market, credit and the risks that arise from global events. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such change could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits. Additionally, global economic conditions, including inflationary pressures, interest rate changes, geopolitical instability, and other events, could impact the value of the Plan's investments. Plan management regularly monitors these risks and evaluates the potential impact on the Plan's financial position and participant accounts.

**NOTE 3 – CERTIFIED INFORMATION**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, net appreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company.

December 31, 2024 and 2023

**NOTE 4 – FAIR VALUE MEASUREMENTS**

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

*Level 3:* Significant unobservable inputs that reflect the Plan’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31:

	2024			Total
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

**NOTE 5 – PARTY IN INTEREST TRANSACTIONS**

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Plan holds investments managed by Empower Trust Company (Empower) or an affiliate of Empower. Empower is a service provider to the Plan and, therefore, these transactions and the Plan's payment of fees to Empower or an affiliate qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

**NOTE 6 – TAX STATUS**

The Internal Revenue Service issued an opinion letter dated November 14, 2022 indicating that the non-standardized pre-approved plan adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original non-standardized pre-approved plan document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 – RECONCILIATION TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 193,155,142	\$ 139,681,110

Net assets per the Form 5500	<u>\$ 192,947,644</u>	<u>\$ 139,681,110</u>

The following is a reconciliation of the change in net assets available for benefits for the year ended December 31, 2024, per the financial statements to the net income reported in the 2024 Form 5500:

Net increase per the financial statements	\$ 53,474,032
Less: deemed distributed loans	<u>(207,498)</u>
Net income per the Form 5500	<u>\$ 53,266,534</u>
