Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JRN, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JRN, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JRN, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JRN, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of JRN, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ending December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the JRN, Inc., 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have six months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Eligible employees may contribute to the Plan through payroll deductions any amount between 1% to 100% of their annual compensation, not to exceed the Internal Revenue Code of 1986 contributions limit. The Company will match \$0.25 for each \$1.00, up to 4% of employee's compensation.

Participants' Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. All safe harbor enhanced matching contributions will at all times be 100% vested. A participant is vested in the employer contributions and related earnings as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Investment Options

Participants may choose to direct their investments in certain shares of registered investment companies.

Participants can modify their salary deferral election on the first day of any payroll period. The participants are permitted to revoke their salary deferral election any time during the Plan year. Participants may change the investment direction of future contributions online or through a toll-free voice response system daily.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, direct rollover to another qualified plan, or combination of cash distribution and partial direct rollover to another qualified plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in any of the forms previously mentioned.

Operating Expenses

Certain operating and administrative expenses incurred by the Plan are absorbed by the Sponsor.

Forfeited Accounts

Forfeited, nonvested account balances may be used to reduce the Company's contributions and pay plan expenses. The accumulated balance is maintained in several funds until applied to the Company contributions or plan expenses. The amount in the forfeiture account, including investment earnings was \$9,690 and \$5,868 as of December 31, 2023 and 2022, respectfully.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

The Plan administrator is JRN, Inc. The trustee of the Plan is Fidelity Management Trust Company as of December 31, 2023 and 2022. Certain administrative expenses of the plan are paid by the Company. The following companies participate in the plan and are collectively referred to in this financial statement as the "Company": JRN, Inc. and Neal Auction Company.

Basis of Accounting

The Plan's financial statements are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are valued at the amounts reported by Fidelity Management Trust Company. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Events Occurring After Reporting Date

Plan management has evaluated events and transactions that occurred after December 31, 2023 through the date of the issued financial statements. During the period, there were no material recognizable subsequent events that required recognition in our disclosures to the financial statements.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY QUALIFIED INSTITUTION

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company as of December 31:

	2023	2022
Investments, at fair value	\$ 6,501,156	\$ 5,649,209
Investments, at contract value	\$ 1,598,769	\$ 1,872,772
Dividends and interest	\$ 138,037	\$ 138,525
Net appreciation (depreciation) in fair value investments	\$ 1,218,148	\$ (1,637,417)

**JRN, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a fully benefit-responsive investment contract (insurance company/general account) with Fidelity Management Trust Company, the Galliard Stable Return fund ("Stable Return Fund"), which is listed in the statement of net assets available for benefits. Fidelity Management Trust Company maintains the contributions in the general account. The contract value of the investment contract at December 31, 2023 and 2022 amounted to \$1,598,769 and \$1,872,772, respectively.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the Stable Return Fund. The Stable Return Fund is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Fidelity Management Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily withdraw or transfer all or a portion of their investment at contract value.

The Stable Return Fund is backed by the general account of Galliard Capital Management. While Galliard Capital Management declares rates periodically and back the principal and interest of these investment choices, any guarantees are subject to the claims paying ability of the insurance company. This investment choice is not guaranteed by any government agency. Although plan participants generally may withdraw assets from the Stable Return Fund investment choice with restrictions, Fidelity Management Trust Company or Galliard Capital Management may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. These investment choices seek to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment choices have a portfolio investment rate design in which all deposits in the particular investment choice are credited with the same interest rate on a daily basis, and with no set maturity.

Certain events could limit the Plan's ability to transact at contract value with Fidelity Management Trust Company. However, the Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**JRN, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 6 - TAX STATUS

The Plan obtained its latest determination letter in June 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 - FAIR VALUE HIERARCHY

The Plan has implemented Financial Accounting Standards (FASB) ASC 820, *Fair Value* Measurements. Among other things, FASB ASC 820 establishes a three level hierarchy for disclosure of fair value measurements defined as Level 1 – inputs for quoted market prices for identical assets or liabilities in active markets; Level 2 – inputs include quoted market prices for similar assets and liabilities in active markets and inputs that are observable either directly or indirectly and; Level 3 – inputs that are unobservable and significant to the fair value measurement.

YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE 7 - FAIR VALUE HIERARCHY (CONTINUED)

The following tables present the financial assets the Plan measures at fair value on a recurring basis, based on such fair value hierarchy:

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in several investment securities and instruments. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks and values in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.
