INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Bricklayers and Allied Craftworkers
Staff 401(k) Plan

Opinion

We have audited the accompanying financial statements of the Bricklayers and Allied Craftworkers Staff 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Bricklayers and Allied Craftworkers Staff 401(k) Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

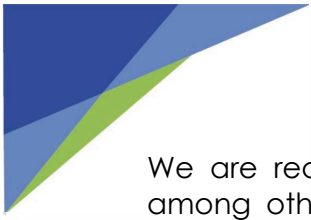

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BRICKLAYERS AND ALLIED CRAFTWORKERS STAFF 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE PLAN

The Executive Board of the International Union of Bricklayers and Allied Craftworkers (the International Union), as Acting Trustees, established the Bricklayers and Allied Craftworkers Staff 401(k) Plan (the Plan) effective January 1, 2003.

The Plan is a 401(k) defined contribution plan established by the International Union. The Plan is open to employees of the International Union and affiliated entities. The Plan is funded solely by participant contributions. Compensation deferred and contributed to the Plan is not subject to federal and, in most cases, state income taxes. Participants are 100% vested in their balance of deferred compensation and rollover contributions. Plan participants also have the option to contribute to a separate Roth account, where such contributions are subject to federal income tax, but qualified distributions are tax-free.

Contributions to the Plan are invested as directed by the participant in one or more collective funds or mutual funds. These funds range from conservative to a more aggressive investment strategy. For participants who opt to not affirmatively select an investment option, contributions are invested in applicable Target Date Funds. Through the internet and by telephone, participants have 24 hours per day access to their accounts which are valued on a daily basis.

Participants must evaluate their own investment goals and, accordingly, choose one or more of these investment accounts. Poor investment performance by the investment accounts selected by the participants may cause their vested balance to be lower than the amounts contributed to the Plan.

The Plan permits participants to borrow up to the lesser of \$50,000 or 50% of their participant account balance. Each loan is treated as a receivable from the participant, and all loan repayments are credited to the participant's selected investment options. All loans carry a reasonable rate of interest, as periodically determined by the Board of Trustees (Trustees) of the Plan, which is currently the prime lending rate of Wells Fargo plus one percent (1%), and generally require repayment within 5 years.

Participants should refer to the Summary Plan Description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements have been prepared using the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are reported on a trade-date basis. Interest and dividend income is reported on an accrual basis. Dividends are reported on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Participant Loans - Loans to participants are reported at their unpaid principal balances.

Benefits - Benefits are recorded when paid.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. TAX STATUS

The Internal Revenue Service (IRS) has advised, in a letter dated November 12, 2015, that the Plan is a qualified Plan under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, exempt from federal income taxes under Section 501(a) of the IRC. The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS and Department of Labor. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

Although they have not expressed any intent to do so, the Trustees have the right under the Plan to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 5. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 5. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Description	12/31/2024	Quoted Market Price for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 834,290	\$ 834,290	\$ -	\$ -
Investments measured at net asset value*	<u>17,194,160</u>			
	<u>\$ 18,028,450</u>			

Description	12/31/2023	Quoted Market Price for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 733,420	\$ 733,420	\$ -	\$ -
Investments measured at net asset value*	<u>14,921,057</u>			
	<u>\$ 15,654,477</u>			

*In accordance with Accounting Standards Codification, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are sold.

Collective funds: Valued at the fair values of the reported entities' audited financial statements and are based on their net asset value as of the last day of the year.

Authoritative guidance on fair value measurements permits the Plan to measure the fair value of an investment in an investment entity that does not have a readily determinable fair value based upon the net asset value (NAV) per share or its equivalent NAV of the investment. This guidance does not apply if it is probable that the investment will be sold at a value different than NAV.

NOTE 5. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investment in these investment entities is subject to the terms of the respective agreements. Income or loss from investments in these investment entities is net of the Plan's proportionate share of fees and expenses incurred or charged by these investment entities.

The Plan's risk of loss in these entities is limited to its investment. The Plan may increase or decrease its level of investment in these entities at its discretion. The Plan typically has the ability to redeem its investment from these entities on a daily or quarterly basis but longer lock-up periods can apply to certain investments.

The following table summarizes the Plan's investments in certain entities that calculate NAV per share as fair value measurement as of December 31, 2024 and 2023 by investment strategy:

	Fair Value		Redemption Frequency	Redemption Notice Period
	2024	2023		
Collective funds	<u>\$ 17,194,160</u>	<u>\$ 14,921,057</u>	Daily	None

All collective funds report as Direct Filing Entities (DFEs). Redemptions are available on a daily basis without notice for participant directed transactions; however, for transactions initiated by the International Union (Plan Sponsor), redemptions may be subject to a 12-month put option. There are no unfunded commitments or restrictions related to investments valued at NAV.

NOTE 6. RELATED PARTIES AND PARTIES-IN-INTEREST

The International Union paid the administrative expenses on behalf of the Plan that are not included in these financial statements. The International Union does not expect to be repaid for these expenses. In addition, Principal was the investment custodian and recordkeeper for the Plan through November 30, 2023, and John Hancock was the investment custodian and recordkeeper for the plan effective December 1, 2023. These transactions are party-in-interest transactions under ERISA.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the Plan's investments per the accompanying financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Investments per financial statements	\$ 18,028,450	\$ 15,654,477
Add: participant loans	<u>194,743</u>	<u>219,857</u>
Investments per the Form 5500	<u>\$ 18,223,193</u>	<u>\$ 15,874,334</u>
Additions per financial statements	\$ 3,384,926	\$ 3,171,919
Add: investment expenses	<u>23,164</u>	<u>39,695</u>
Income per the Form 5500	<u>\$ 3,408,090</u>	<u>\$ 3,211,614</u>
Deductions per financial statements	\$ 1,036,067	\$ 2,363,355
