Plan Administrator  
Sunrise Health Center Employee Stock Ownership Plan  
Lilburn, Georgia

### ***Opinion on the 2024 Financial Statements***

We have audited the financial statements of Sunrise Health Center Employee Stock Ownership Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits in liquidation as of December 31, 2024, and the related statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2024, and the related notes to the financial statements (2024 Financial Statements).

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan in liquidation as of December 31, 2024, and the changes in net assets available for benefits in liquidation for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Emphasis-of-Matter – Plan Termination and Liquidation Basis of Accounting***

As discussed in Notes 1 and 2 to the financial statements, the governing body of the Plan approved a plan of liquidation on March 31, 2022, and management determined liquidation is imminent. As a result, the Plan used the liquidation basis of accounting in presenting the 2024 financial statements. Our opinion is not modified with respect to that matter.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2024 Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Auditor's Report on the 2023 Financial Statements***

The 2023 financial statements of the Plan were audited by other auditors, and their report thereon, dated August 28, 2024, expressed an unmodified opinion on those financial statements.

**Note 1. Plan Description**

The following description of the Sunrise Health Center Employee Stock Ownership Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

***General***

The Plan, which was established on January 1, 2001, and subsequently amended, is classified as a defined-contribution Plan. The Plan was formed by Richmond Health Care, Inc. d/b/a Sunrise Health and Rehabilitation Center. The Plan covered all eligible employees of Richmond Health Care, Inc. d/b/a Sunrise Health and Rehabilitation Center and its wholly owned affiliates, collectively referred to herein as the “Company” or the “Plan Sponsor.” Employees became eligible to participate in the Plan when they completed 1,000 hours of service during the Plan year and were employed as of the last working day of the Plan year. Employees who did not have at least 1,000 hours of service during such Plan year, or were not employed on the last working day of the Plan year, were generally not eligible for an allocation of Company contributions for such year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan permitted contributions of, and investments in, the common and/or preferred shares of the Company and the Company’s affiliates under common control.

***Plan Termination***

On March 31, 2022, the Plan Sponsor approved the termination of the Plan and commenced liquidation on March 31, 2022. See Notes 2 and 4 for further details.

***Contributions***

Prior to Plan termination, the Company could make discretionary contributions to the Plan. Participant contributions were not permitted by the Plan. Company discretionary contributions were allocated based on participants’ annual compensation, as defined by the provisions of the Plan. There were no cash contributions to the Plan during the year ended December 31, 2024.

***Participant Accounts***

Under the Plan, a separate account is maintained for each participant, and, prior to Plan termination, each participant account was credited with an allocation of the Company’s discretionary contribution, forfeitures, and an allocation of Plan earnings or losses. Allocations to participants’ accounts were based on participants’ annual compensation, as defined by the provisions of the Plan.

***Vesting***

As of the date of Plan termination, all participants became fully vested in their accounts.

***Forfeited Accounts***

Forfeitures were allocated in the same manner as Company contributions were allocated. The timing of the allocation of forfeitures depended on whether or not a terminated participant received a cash-out distribution made prior to the date the participant incurred five consecutive years of break in service. Once five consecutive years of break in service was incurred where a terminated participant had not taken a cash-out distribution, the non-vested portion of the account would be allocated as a forfeiture after the close of the Plan year end. There were no unallocated forfeitures at December 31, 2024 and 2023. There were no forfeitures to be reallocated during the year ended December 31, 2024.

***Payment of Benefits***

Prior to Plan termination, no distributions from the Plan could be made until a participant retires, dies, obtains the age of 55, or otherwise terminated employment with the Company. Distributions were made in cash or, if a participant elects, in the form of Company shares, plus cash for any fractional share.

Under the provisions of the Plan, the Company was obligated to support the repurchase of participant shares, which have been distributed under the terms of the Plan, as long as the shares were not publicly traded, or no shares were subject to trading limitations. During the year ended December 31, 2024, the Plan did not purchase any shares from terminated participants. See Note 4 for description of distributions upon Plan termination.

***Administrative Expenses***

During the year ended December 31, 2024, there were no Plan administrative expenses paid directly by the Company on behalf of the Plan.

***Voting Rights***

Each participant was entitled to exercise voting rights attributable to the shares allocated to their account and was notified by the Trustee prior to the time that such rights were to be exercised. The Trustee was not permitted to vote any allocated share for which instructions have not been given by a participant. The Trustee was required, however, to vote any unallocated shares on behalf of the collective best interest of Plan participants and beneficiaries. Participants and/or beneficiaries were entitled to direct the voting of any employer securities allocated to their accounts with respect to any vote required for the approval or disapproval of any corporate merger or consolidation, recapitalization, reclassification, liquidation, dissolution, sale of substantially all of the assets of a trade or business, or other similar transaction prescribed by Internal Revenue Code ("IRC"), Section 409(e), or regulations thereunder.

***Put Option***

Under federal income tax regulations, the employer stock that was held by the Plan and its participants and was not readily tradable on an established market, or subject to trading limitations, included a put option that was exercisable in certain circumstances. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the fair value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option was to ensure that participants have the ability to ultimately obtain cash. No participants elected to exercise the put option during the year ended December 31, 2024.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Accounting***

As discussed in Note 1, the Plan Sponsor elected to terminate the Plan effective March 31, 2022, management determined that liquidation of the Plan is imminent, and, as a result, the Plan changed its basis of accounting from the previously used ongoing basis to the liquidation basis of accounting for presenting the 2024 and 2023 financial statements in accordance with accounting principles generally accepted in the United States of America. Under the liquidation basis of accounting, assets are measured at the expected cash proceeds from liquidation and liabilities are measured in accordance with accounting principles generally accepted in the United States that otherwise apply to those liabilities.

***Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

***Payment of Benefits***

Benefits are recorded when paid.

***Subsequent Events***

The Plan Sponsor evaluated subsequent events for potential reporting and disclosure through July 24, 2025, which is the date the financial statements were available to be issued.

**Note 3. Income Tax Status**

The Plan is intended to be a qualified trust under Section 401(a) of the IRC and is subject to the provisions of ERISA. The Plan received a determination letter from the Internal Revenue Service dated December 1, 2017, stating that the Plan, as amended, is qualified under Section 401(a) of the IRC. The Plan administrator believes that the adopted and amended Plan continues to qualify and will remain exempt from federal income taxes under Section 401(a). Accordingly, no provision or liability for income taxes has been included in the Plan's financial statements.

**Note 4. Plan Termination**

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In March 2022, the Company's Board of Directors approved resolutions to terminate the Plan effective March 31, 2022 (the "Plan Termination Date"). As a result, participants became 100% vested in their accounts. Distribution of approximately 70% of Plan benefits were distributed as soon as administratively feasible after the Plan Termination Date, pending approval from the IRS. The Plan received a determination letter approving the Plan termination in July 2024, and the balance of Plan benefits was fully distributed prior to December 31, 2024, and the Plan was closed effective December 31, 2024.
