## **Independent Auditors' Report**

To the VEBA Commission of  
Wisconsin Evangelical Lutheran Synod Employee VEBA Group Health Plan

### **Opinion**

We have audited the financial statements of Wisconsin Evangelical Lutheran Synod Employee VEBA Group Health Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

## **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Line 4j – Schedule of Reportable Transactions, as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**WISCONSIN EVANGELICAL LUTHERAN SYNOD  
VEBA GROUP HEALTH CARE PLAN  
NOTES TO FINANCIAL STATEMENTS  
Years Ended December 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Wisconsin Evangelical Lutheran Synod (WELS) Voluntary Employees' Beneficiary Association (VEBA) Group Health Care Plan (the Plan) provides only general information. Reference should be made to the Plan document for a more complete description of the Plan's provisions, copies of which may be obtained from WELS.

**General**

The Plan is a defined benefit health and welfare benefit plan which was established effective February 1, 1984. The assets of the Plan are held in a VEBA trust which provides financial assistance to members and their enrolled dependents through a group health care plan consisting of medical, group term life, long-term disability, vision and dental. The Plan is available to workers of WELS and Sponsoring Organizations who meet certain qualifications. Sponsoring Organizations include Member Congregations and Affiliated Agencies that are listed in the WELS Yearbook. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan was amended effective January 1, 2011 to comply with the provisions of the Affordable Care Act (ACA). As required under the ACA, the Plan paid the Patient-Centered Outcomes Research Trust Fund fees of \$23,641 and \$21,399 for the years ended December 31, 2024 and 2023, respectively.

**Eligibility**

Substantially all full-time workers, part-time workers who work twenty or more hours per week, temporary workers who work more than five months per year and, certain retired members, and employees of Sponsoring Organizations who become eligible due to specific qualifying events as defined by the Plan, including students who are enrolled in a Synodical school for the primary purpose of entering into a full-time teaching or preaching ministry, and their dependents are eligible for membership.

**Benefits**

The Plan provides medical (including prescription drugs), group term life, long-term disability, vision and dental benefits.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

**WISCONSIN EVANGELICAL LUTHERAN SYNOD  
VEBA GROUP HEALTH CARE PLAN  
NOTES TO FINANCIAL STATEMENTS  
Years Ended December 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN** (continued)

**Contributions**

The Plan provides that members of the Plan or their Sponsoring Organizations make monthly contributions to the Plan of a specified amount, as determined by the WELS VEBA Commission (Commission) with the advice of an actuary.

The costs of the postretirement benefit plan are shared by retirees. Retiree contribution rates are the same as if they were an active member. The Commission, which consists of a group of appointed individuals who have oversight responsibility of the Plan, may divide members into different classes and may require different contribution amounts for each class. The Commission may change the classes and contribution amounts at the beginning of any calendar quarter. All contributions to the Plan are committed in trust to the Commission and forwarded to a trust fund administered by Midwest Institutional Trust Company (formerly BMO) (the trust custodian).

The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

**Stop Loss Agreement**

The Plan was supplemented by a specific stop loss insurance agreement, which insures the Plan for medical claims greater than \$700,000 per incident for all but two members. The agreement's per-incident limit was \$1,000,000 for one specified member and \$1,500,000 for one specified member. The agreement also includes an aggregating specific corridor in which the Plan begins receiving reimbursements for stop loss claims once an overall Plan threshold of \$300,000 is exceeded for all Plan incidents greater than the applicable per-incident limit. The maximum includes both medical and prescription drug benefits. Reimbursements for stop loss coverage are netted against benefits paid. Stop loss recoveries recorded were \$656,564 for 2024 and \$1,723,922 for 2023.

**Obligation for Medical Benefits**

The Plan is required to pay medical benefits, subject to deductibles and co-payments, for members upon presentation of written proof of covered services.

**Obligation for Group Term Life, Long-Term Disability, Vision and Dental Benefits**

The Commission has contracted with an insurance company to provide fully insured group term life, long-term disability, and dental benefits for Plan members. The Plan provides long-term disability insurance, based on earnings, up to a maximum monthly benefit of \$10,000. If not currently enrolled in the Plan, an otherwise eligible member has an option to elect long-term disability, up to the maximum monthly benefit.

**WISCONSIN EVANGELICAL LUTHERAN SYNOD  
VEBA GROUP HEALTH CARE PLAN

Years Ended December 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN** (continued)

**Obligation for Group Term Life, Long-Term Disability, Vision and Dental Benefits**  
(continued)

In addition, optional group term life insurance is available which provides for varying amounts of benefits for a member ranging from \$10,000 to \$400,000. Additionally, there are group term life benefits available for the member's spouse up to \$200,000, and dependent coverage available for the member's children in the amount of \$5,000 per child.

Optional dental insurance is available to all members under a preferred provider organization plan.

The Plan provides vision insurance to all members under a preferred provider organization plan.

**Plan Termination**

The Commission reserves the right to amend the Plan at any time. Although it has not expressed any intent to do so, WELS Synodical Council has the right under the Plan to terminate the Plan subject to the provisions of the Plan agreement. In the event of termination, net assets in the Plan shall be used to provide benefits to Plan members and their beneficiaries as defined in the Plan agreement in accordance with applicable law.

**NOTE 2 - ACTUARIAL PRESENT VALUE OF POSTRETIREMENT BENEFIT OBLIGATIONS**

The amount reported as the postretirement benefit obligations represents the actuarial present value of those estimated future benefits attributed by the terms of the Plan to employees' service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current Plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with Sponsoring Organizations. The postretirement benefit obligations represent the amount that is to be funded by contributions from the Plan's Sponsoring Organizations and from existing Plan assets.

The actuarial present value of the postretirement benefit obligations is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimated future annual incurred claims costs per participant and to adjust such estimates for the time value of money and the probability of payment between the valuation date and the expected date of payment.

For measurement purposes, the December 31, 2024, assumed annual rate of increase in the per capita cost of covered health care benefits was 6.50% in 2025, decreasing by 0.40% per year reaching 4.50% in 2030 and beyond. The December 31, 2023 assumed annual rate of increase in the per capita cost of covered health care benefits was 6.50% for 2024 through 2025, decreasing by 0.40% per year reaching 4.50% in 2030 and beyond.

NOTES TO FINANCIAL STATEMENTS  
Years Ended December 31, 2024 and 2023**

**NOTE 2 - ACTUARIAL PRESENT VALUE OF POSTRETIREMENT BENEFIT OBLIGATIONS**  
(continued)

The assumed mortality rates for the valuations as of December 31, 2024 and 2023 were based on the White Collar Pri-2012 mortality table with separate rates for retirees/contingent annuitants and contingent survivors for males and females, then projected forward from 2012 using unadjusted projection scale MP-2021.

The assumed weighted-average discount rate was 5.25% and 4.90% for the valuations as of December 31, 2024 and 2023, respectively.

The following were the assumed retirement rates used in the valuations as of December 31, 2024 and 2023.

<b>For 2024</b>		<b>For 2023</b>	
<b>Age</b>	<b>Retirement Rates</b>	<b>Age</b>	<b>Retirement Rates</b>
55 – 59	3.00%	55 – 58	4.00%
60	4.00%	59 – 60	5.00%
61	5.00%	61 – 63	10.00%
62 – 64	7.00%	64 – 69	25.00%
65	15.00%	70 – 72	50.00%
66 – 69	30.00%	73+	100.00%
70 – 72	40.00%		
73+	100.00%		

The postretirement benefit obligation is reported based on certain assumptions pertaining to the interest rates, health care trend rates, and employee demographics, all of which are subject to change. The estimate for claims incurred but not reported is based on certain assumptions pertaining to health care trend rates, claims lag, and historical claims data. Due to uncertainties inherent in the estimates and assumptions process, it is at least reasonably possible that changes in the estimates and assumptions in the near term would be material to the financial statements.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligations.

**NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies followed by the Plan conform to accounting principles generally accepted in the United States of America (U.S. GAAP). The more significant policies are as follows:

**Basis of Accounting**

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

**WISCONSIN EVANGELICAL LUTHERAN SYNOD  
VEBA GROUP HEALTH CARE PLAN  
NOTES TO FINANCIAL STATEMENTS  
Years Ended December 31, 2024 and 2023**

**NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividend income is recorded on the ex-dividend date. Total investment income includes the gains and losses on investments bought and sold as well as held during the year.

**Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments and the level of uncertainty related to the changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the Statements of Benefit Obligations and Statements of Net Assets Available for Benefits, and the Statements of Changes in Benefit Obligations and Statements of Changes in Net Assets Available for Benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

**Contributions**

Contributions are recognized when earned. Contributions received prior to the due date are accounted for as deferred contributions and contributions earned but not collected are accounted for as contributions receivable in the Statements of Net Assets Available for Benefits. The carrying amount of the contributions receivable is reduced by a valuation allowance that reflects management's best estimate of amounts that will not be collected.

**WISCONSIN EVANGELICAL LUTHERAN SYNOD  
VEBA GROUP HEALTH CARE PLAN  
NOTES TO FINANCIAL STATEMENTS  
Years Ended December 31, 2024 and 2023**

**NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Payment of Benefits**

Medical benefit payments are recognized as an expense of the period when paid.

**Pharmacy Refunds & Rebates**

Refunds due from the Plan's PBM are recorded when received. Rebates due from the Plan's PBM are recorded when earned. Rebates due as of the financial statement date have been reported as a receivable, with the accrued rebates netted against medical claims paid. Pharmacy refunds and rebates totaling \$5,655,758 and \$5,197,771 have been netted with medical benefits paid in the accompanying Statements of Changes in Net Assets Available for Benefits for 2024 and 2023, respectively.

**Administrative Expenses**

The Plan's expenses are paid by the Plan, as provided by the Plan document. In addition, certain investment related expenses are included in net gain in fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits.

**Claims Incurred but not Reported**

Plan obligations at December 31 for medical and prescription drug claims incurred by participants but not reported at that date are estimated by Plan management based on actual claims paid after year end and adjusted based on past claims experience.

**WISCONSIN EVANGELICAL LUTHERAN SYNOD  
VEBA GROUP HEALTH CARE PLAN  
NOTES TO FINANCIAL STATEMENTS  
Years Ended December 31, 2024 and 2023**

**NOTE 4 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Money market funds:* Valued at a stable \$1.00 net asset value (NAV) of shares held by the Plan at year end.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Hedge funds:* Valued based on the NAV per unit (or its equivalent) based upon the fair value of the underlying investments. NAV is used as a practical expedient to estimate fair value. The hedge fund's objective is to provide favorable risk adjusted performance relative to the S&P 500 Index over the long term with significantly lower volatility.

**NOTE 4 - FAIR VALUE MEASUREMENTS** (continued)

*Fixed income limited partnership:* Valued based on the NAV per unit (or its equivalent) based upon the fair value of the underlying investments. NAV is used as a practical expedient to estimate fair value. The fixed income fund's objective is to maximize total return (i.e., current income and capital appreciation) by investing primarily in securities and debt obligations of non-investment grade ("high yield") companies.

*Real estate limited partnerships:* Valued based on the NAV per unit (or its equivalent) based upon the fair value of the underlying investments. NAV is used as a practical expedient to estimate fair value. The real estate funds' objectives are to combine an attractive income yield with long-term capital growth by acquiring or otherwise investing in real estate assets and real estate-related investments within the United States.

The Plan did not own any Level 3 investments as of December 31, 2024 and 2023.

The Plan is responsible for the determination of fair value. Accordingly, they perform periodic analysis on the prices received from the pricing services used to determine whether the prices are reasonable estimates of fair value. As a result of these reviews, the Plan has not historically adjusted the prices obtained from the pricing services. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 5 - ADMINISTRATIVE EXPENSES, PROFESSIONAL EXPENSES AND PARTY-IN-INTEREST TRANSACTIONS**

Included in expenses for the years ended December 31, 2024 and 2023 is \$1,146,861 and \$1,108,782, respectively, of amounts the Plan reimbursed to WELS for Plan professional and administrative expenses which were paid by WELS on behalf of the Plan. **NOTE 6 - INCOME TAXES**

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code (the IRC) and, accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained a favorable tax determination letter from the Internal Revenue Service (IRS) dated May 25, 1988. The Plan administrator believes that the Trust, as amended, continues to qualify and to operate in accordance with the applicable provisions of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has been amended since receiving the determination letter. However, the Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
