## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of  
Gross Residential 401(k) Plan  
North Royalton, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Gross Residential 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company, the trustee of the Plan, a qualified institution, as of December 31, 2024 and for the period January 24, 2024 to December 31, 2024 and Newport Trust Company, the trustee of the Plan, a qualified institution, as of December 31, 2023 and for the period January 1, 2024 to January 23, 2024, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule as listed in the table of contents as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE A - DESCRIPTION OF PLAN**

The following description of Gross Residential 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all employees of I. & M.J. Gross Company (the Company, Plan Sponsor, and Plan Administrator) who have completed six months of service and attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### **Change in Service Providers**

On January 24, 2024, the Plan transferred custodians from Newport Trust Company to Fidelity Management Trust Company.

#### **Contributions**

Participants may elect to defer up to 100% of their compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan provides for a discretionary employer matching contribution for each participant, which was 25% of the first 6% of annual compensation that a participant contributed to the Plan for the year ended December 31, 2024. The Plan also provides for a discretionary employer profit sharing contribution. There was no discretionary employer profit sharing contribution during the year ended December 31, 2024. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as an allocation of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in discretionary employer matching and profit sharing contributions plus actual earnings thereon is based on years of continuous service after two years at a rate of 20% per year. Participants are fully vested in their discretionary employer matching contributions after six years of credited service.

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE A - DESCRIPTION OF PLAN (CONTINUED)**

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance subject to certain Department of Labor and IRS requirements. Notes receivable terms range from 1 - 5 years. Notes receivable are secured by the balance in the participants' accounts and bear interest at the prime rate. Interest rates on notes receivable ranged from 4.25% to 9.50% at December 31, 2024. Principal and interest are paid ratably through bi-weekly payroll deductions.

#### **Payment of Benefits**

Upon reaching age 59½ or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the value of the vested benefits credited to the participant's account is \$1,000 or less at the time of termination, the entire amount will be distributed to a participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Sponsor.

Active participants may make hardship withdrawals of the vested employee contribution portion of their account balances, subject to Plan provisions.

During 2024, the Plan was amended to allow for certain distribution types, subject to IRS provisions, under the SECURE 2.0 Act of 2022. Each of these distribution types allow for repayments within 3 years of the date of distribution.

#### **Forfeited Accounts**

Forfeitures are used to reduce discretionary employer contributions or to pay Plan expenses. The unallocated forfeiture balance was \$133 and \$374 at December 31, 2024 and 2023, respectively. Forfeitures of \$7,923 were used to reduce employer contributions for the year ended December 31, 2024.

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

#### **Investment Valuation**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

---

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **Investment Income Recognition**

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make payments on a note receivable and the Plan Administrator deems the note receivable to be in default, the balance on the note receivable from participant is reclassified to benefits paid to participants.

#### **Contributions and Contributions Receivable**

Contributions from Plan participants and related discretionary employer matching contributions are recorded in the year in which the employee's participant contributions are withheld from compensation. Any contributions attributable to the Plan year but not received by the trust by the last day of the Plan year are recorded as a receivable.

The carrying amount of contributions receivable are assessed for the need to record a valuation allowance. The valuation allowance is an estimate derived from the Plan's historical losses of contributions receivable, adjusted for the Plan Sponsor's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. Based on the Plan Sponsor's assessment as of December 31, 2024 and 2023, no allowances for contributions receivable were recorded as of December 31, 2024 and 2023.

#### **Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the December 31, 2024 and 2023, excess contributions to the applicable participants prior to March 15, 2025 and 2024, respectively.

#### **Payment of Benefits**

Benefits are recorded when paid.

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Participant accounts are charged a fee ratably based on their account balances for expenses incurred to maintain the Plan. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

#### **Income Taxes**

The Company adopted a non-standard pre-approved profit sharing plan with a cash or deferred arrangement which received an opinion letter from the IRS dated June 30, 2020 stating that the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is currently being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Subsequent Events**

The Plan has evaluated subsequent events through July 29, 2025, the date which the financial statements were available to be issued.

### **NOTE C - CERTIFICATION**

Investment information and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in the fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024 were obtained by management and agreed to or derived from information certified as complete and accurate by the trustees.

## Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

### NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan's investments accounted for at fair value as of December 31, 2024 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 6,151,079</u>	<u>\$ 6,151,079</u>
Total investments in the fair value hierarchy	<u>\$ 6,151,079</u>	6,151,079
Investments measured at net asset value:		
Common/collective trust		<u>1,452,159</u>
Total investments at fair value		<u>\$ 7,603,238</u>

# GROSS RESIDENTIAL 401(K) PLAN

## Notes to Financial Statements

December 31, 2024 and 2023 and Year Ended December 31, 2024

### NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of December 31, 2023 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 5,768,472</u>	<u>\$ 5,768,472</u>
Total investments in the fair value hierarchy	<u>\$ 5,768,472</u>	5,768,472
Investments measured at net asset value:		
Common/collective trust		<u>876,451</u>
Total investments at fair value		<u>\$ 6,644,923</u>

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2024 and 2023.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

The common/collective trusts (see Note E) are valued at the net asset value of units held by the Plan at year end. The net asset value, as provided by the trustees, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the trust's underlying assets, less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported net asset value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements as of the reporting date.

## **Notes to Financial Statements**

**December 31, 2024 and 2023 and Year Ended December 31, 2024**

### **NOTE E - INVESTMENT IN COMMON/COLLECTIVE TRUSTS**

The Plan has an investment in the T Rowe Price Stable Value Common Trust (TRP Fund), which is a common/collective trust fund with a balance of \$1,405,800 and \$837,800 at December 31, 2024 and 2023, respectively. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance within the TRP Fund on a daily basis, except to a competing investment option. Participant transfers to a competing investment fund must first be directed into a non-competing investment option for 90 days. Plan sponsor initiated withdrawals require a twelve month advance notice and may be subject to a market value adjustment.

The Plan has an investment in the Principal US REIT Tier 1 Collective Investment Trust (REIT Fund), which is a common/collective trust fund with a balance of \$46,359 and \$38,651 at December 31, 2024 and 2023, respectively. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance within the REIT Fund on a daily basis without restrictions.

### **NOTE F - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their total participant account balances.

### **NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **NOTE H - RELATED-PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS**

Parties-in-interest transactions include the payment of investment and administrative expenses by the Plan to the trustee. Such transactions are exempt from being prohibited transactions.

Fidelity Management Trust Company (Fidelity) provides certain administrative services to the Plan. Fidelity receives revenue from these services at crediting rates per investment ranging from 0.01% to 0.82% of the funds' balances as of December 31, 2024. These fees reduce the rate of return credited to the Plan for these investments and are netted within net appreciation in fair value of investments on the statement of changes in net assets available for benefits.
