INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
HealthNet Aeromedical Services 401(k) Plan
Charleston, West Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HealthNet Aeromedical Services 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and reportable transactions are presented for purposes of additional analysis are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEALTHNET AEROMEDICAL SERVICES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1 – DESCRIPTION OF PLAN

Plan description – The following description of the HealthNet Aeromedical Services 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan document for more complete information.

General – The Plan was established January 1, 2021, for the benefit of the employees of HealthNet Aeromedical Services, Inc. and Subsidiaries (“Plan Sponsor”). An eligible person becomes a participant as of the date certain eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Prior to January 1, 2021, the Plan Sponsor participated in a multiemployer plan. The assets held by the Plan Sponsor in the multiemployer plan were carved out and brought over into the Plan as of January 1, 2021.

Effective January 1, 2022, the Plan was amended to remove the 1,000-hour year of service eligibility requirement.

Plan Administration – A member of the Plan Sponsor has been designated as the plan administrator and as such, is responsible for providing participants with information regarding rights and benefits under the Plan. Effective January 1, 2021, the Plan Sponsor contracted the Massachusetts Mutual Life Insurance Company for investment custodial and participant record keeping services. During January 2021, Empower Retirement acquired Massachusetts Mutual Life Insurance Company’s retirement business.

Contributions – Participants may elect to defer a portion of their compensation or make after-tax contributions as defined in the Plan document, limited to the maximum allowed under the Internal Revenue Code for such Plan year. The Plan allows rollovers from other qualified plans.

Participant Investment Options – Each Plan participant has the right to direct contributions and earnings of their account among alternative investment funds provided under the Plan. Participants should refer to the most recent annual report of each investment fund for information on risk factors, asset concentrations, use of derivative financial instruments and other financial data.

Participant Accounts – Each participant account is credited with the participant’s elective deferrals, participant rollover contributions and any employer contributions. In addition, each participant’s account is credited with their share of appreciation/depreciation in the value of investments and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting – Participants are immediately vested in elective deferral contributions, rollover contributions, and qualified non-elective contributions. Participants’ interest in employer matching contributions will vest based on years of vesting service according to a 1-5 year graded vesting schedule (20% per year starting with one year of vesting service).

Payment of Benefits – Upon retirement (normal retirement age is 65), death, disability or other termination of employment, as defined in the Plan document, participants or their spouses and/or beneficiaries receive their account as a lump sum cash payment.

HEALTHNET AEROMEDICAL SERVICES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

The Plan allows for in service withdrawals of elective deferrals and employer contributions if the participant has attained age 59 ½. The Plan also allows for hardship distributions from employer and employee contributions. Further, upon termination of employment, the participant may elect to transfer his or her account balances to another qualified plan or individual retirement account. If the participant's account balance is less than \$1,000, the entire vested balance will be paid in a lump sum.

Forfeited Accounts – Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Any forfeitures may be used to reduce the Plan Sponsor's contributions and pay administrative expenses. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$499 and \$1,194 for the year. In 2024 and 2023, \$15,003 and \$10,441 in forfeitures were used to reduce employer contributions.

Notes receivable from participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

2 – SIGNIFICANT ACCOUNTING POLICIES

The accounting and reporting policies of the Plan conform to accounting principles generally accepted in the United States of America and to general practices within the employee benefit plan industry. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. The principles and policies which significantly affect the determination of net assets and the changes in net assets are summarized below:

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefit payments are recorded upon distribution.

Subsequent Events – The Plan has evaluated subsequent events through the date of the Auditor's Report, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

3 – TAX STATUS

The determination letter dated June 4, 2021, has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Plan management evaluates tax positions taken by the Plan to determine if any uncertain tax positions exist that comprise the Plan's tax-exempt status that could result in tax obligations requiring recognition or disclosure in the Plan's tax-exempt status that could result in tax obligations requiring recognition or disclosure in the Plan's financial statements. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participant accounts will become fully vested and nonforfeitable.

5 – PARTIES-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under United States Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. During the year ended December 31, 2024 and 2023, transactions with parties-in-interest primarily include administrative expenses of \$42,313 and \$32,152, related to participant account maintenance and custodial services.

Certain other administrative expenses for legal, auditing, and other professional services are paid directly by the Plan Sponsor and certain administrative functions are performed by officers or employees of the Plan Sponsor at no cost to the Plan.

6 – INFORMATION CERTIFIED BY THE CUSTODIAN

Investments, notes receivable from participants, net appreciation and participant loan interest income are present in these financial statements based on information prepared and certified to as complete and accurate by Empower Annuity Insurance Company of America (Empower), as of and for the years ended December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

7 – FAIR VALUE MEASUREMENT

ASC Topic 820 “*Fair Value Measurements and Disclosure*” (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts: The value of a unit in a pooled separate account is the fair market value of investments in the account as of the valuation date, plus cash balances and accruals less accounts payable, expenses and taxes that are allocable to the account, divided by the number of outstanding participation units in the account. Securities held in the pooled separate accounts are valued based on quoted market prices. If there is no readily available market value for a particular security, the investment manager will determine the fair market value of such investment in accordance with accepted practices and applicable laws and regulations. As of any date, the value of the Plan’s share of a pooled separate account will equal the number of participation units held by the Plan multiplied by the participation unit value, which represents Net Asset Value (NAV).

HEALTHNET AEROMEDICAL SERVICES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	\$7,579,839	\$ -	\$7,579,839
Total Assets at Fair Value	\$ -	\$7,579,839	\$ -	\$7,579,839

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	\$6,540,105	\$ -	\$6,540,105
Total Assets at Fair Value	\$ -	\$6,540,105	\$ -	\$6,540,105

8 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Effective January 1, 2021, Empower acquired Massachusetts Mutual Life Insurance Company. The Plan's funding agreement with Empower contains a fully benefit responsive, fixed fund offering referred to as The Fixed Income Account. The Fixed Income Account is part of Empower's general account and is subject to claims of Empower's general creditors. Empower credits interest on contributions made to the Fixed Income Account at a rate it declares for a period of time that it determines; this interest rate is referred to as the Declared Interest Rate. The Declared Interest Rate is determined at the discretion of Empower. Any change to the Declared Interest Rate will be made before the start of the quarter to which the rate applies. Empower guarantees a minimum rate of interest, which is referred to as the Minimum Guaranteed Interest Rate. The Minimum Guaranteed Interest Rate is determined such that it shall meet or exceed the minimum non-forfeiture rate required by the Plan's state's standard non-forfeiture law. The Declared Interest Rate for the entire plan year ending December 31, 2024 and 2023 is 2.8% and 1.5%; which is the Minimum Guaranteed Interest Rate.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The contract value of the account at December 31, 2024 and 2023, was \$15,418 and \$7,664, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 7,739,331	\$ 6,656,038
Additional contributions receivable reported in the financial statements	<u>(34,245)</u>	<u>(25,062)</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 7,705,086</u></u>	<u><u>\$ 6,630,976</u></u>
