<b>Part I</b>	<b>Asset and Liability Statement</b>
---------------	--------------------------------------

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
Lomont Molding, LLC 401(k) Savings Plan  
Mount Pleasant, Iowa

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Lomont Molding, LLC 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matter**

### *Supplemental Schedules Required by ERISA*

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2024 and assets (held at end of year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**LOMONT MOLDING, LLC 401(k) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 — DESCRIPTION OF PLAN**

The following description of the Lomont Molding, LLC 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution 401(k) plan covering substantially all employees of Lomont Molding, LLC (the Employer or Plan Administrator) who have completed one year of service and are at least 21 years of age. A year of service is defined as 1,000 hours of service in the first 12 months of employment with the Employer. Employees who are eligible to participate in the Plan are automatically enrolled at a deferral rate of 6%, unless otherwise elected by the participant. Employees can enter the Plan at the start of any quarter coinciding with or following the next date on which eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Plan Administration**

The Employer has contracted with Transamerica Life Insurance Company, Inc. (TLIC) to hold the Plan's assets, execute investment transactions, perform allocations of contributions and investment earnings, and make benefit payments.

**Contributions**

The Plan allows for participant contributions of any amount subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit plans (rollover). The Employer makes safe harbor matching contributions of 100% of the participant's contribution not exceeding 1% of the participant's compensation and 50% of the participant's contribution in excess of 1% but not in excess of 6% of the participant's compensation (maximum match of 3.5% of the participant's contribution). The Employer may also make discretionary contributions from time to time. For the years ended December 31, 2024 and 2023, the Employer made no additional discretionary contributions.

**Participant Accounts**

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is increased or decreased by the participant's contributions, withdrawals and an allocation of Plan earnings (losses), net of administrative expenses and an allocation of the Employer's contributions. Allocations to participants are based on the funds selected by the participant, as defined in the agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

**LOMONT MOLDING, LLC 401(k) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 — DESCRIPTION OF PLAN (Continued)**

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. For Employer contributions made prior to January 1, 2022, a participant is 100% vested after six years of credited service in which they have at least 1,000 hours of service each year. For Employer safe harbor contributions beginning January 1, 2022, a participant is 100% vested after two years of credited service. Participants also become fully vested upon reaching age 65 or upon death or disability. During 2024, the Employer closed its Texas manufacturing location, which resulted in a partial plan termination for the impacted employees. Accordingly, these employees were fully vested in the Employer contributions.

**Participant Loans**

Participants may borrow from their fund accounts a minimum of \$1,000 for any reasonable purpose. The maximum term of any loan is 10 years. The loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

**Forfeitures**

Forfeitures of nonvested participants' accounts are used to pay administrative expenses and offset Employer's future contributions to the Plan. As of December 31, 2024 and 2023, the Plan had unallocated account balances amounting to \$9,355 and \$2,538, respectively. For the years ended December 31, 2024 and 2023, forfeitures of \$3,156 and \$2,463 were used to pay administrative fees, respectively.

**Payment of Benefits**

Active participants may take a withdrawal from the Plan in the event of financial hardship. A hardship withdrawal is limited to elective deferrals. On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in their account in a lump sum or installments if the participant is subject to lifetime required minimum distributions.

**Expense Budget Account**

The Plan has an unallocated expense budget account (EBA), which receives expense reimbursements at 35 basis points of assets and is used to pay Plan administrative fees during the year. As of December 31, 2024 and 2023, the unallocated EBA balance was \$5,380 and \$4,644, respectively.

**LOMONT MOLDING, LLC 401(k) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 2 — SUMMARY OF ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Use of Estimates**

The preparation of the financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments in pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan holds an insurance group contract (Stable Value Option), which is maintained in the general account of TLIC. The Stable Value Option is a fully benefit-responsive investment contract. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of investments at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is reported on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. Such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

**Notes Receivable from Participants**

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Contributions**

Contributions from the Plan participants and the matching contributions from the Employer are recorded in the year in which the participant's contributions are withheld from compensation.

**LOMONT MOLDING, LLC 401(k) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 2 — SUMMARY OF ACCOUNTING POLICIES (Continued)**

**Administrative Expenses**

Certain costs of administering the Plan are paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Participants are responsible for certain transaction-related expenses, investment advisory, third party administrative services, and asset-based recordkeeping fees. Certain investment-related expenses are included as a reduction of net appreciation in fair value of investments.

**Payment of Benefits**

Benefits are recorded when paid.

**NOTE 3 — CERTIFIED INFORMATION**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, Note 4, and supplemental schedule of assets (held at end of year), including investments held at December 31, 2024 and 2023 and net appreciation in fair value of investments and interest on notes receivable from participants for the years then ended was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by TLIC. The following is a summary of this information as of and for the years ended December 31, 2024 and 2023.

	<u>2024</u>	<u>2023</u>
Total investments	\$ 5,836,210	\$ 5,524,641
Notes receivable from participants	75,005	103,790
Net appreciation in fair value of investments	600,017	703,462
Interest on notes receivable from participants	6,260	5,750

**NOTE 4 — FAIR VALUE MEASUREMENT**

A three-tier hierarchy is used to classify fair value measurements for disclosure purposes. Inputs refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable.

Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability and are developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the Employer's own assumptions regarding the assumptions market participants would use in pricing the asset or liability, based on the best information available in the circumstances. The hierarchy of inputs is summarized in the levels listed below.

Level 1            Quoted prices in active markets for identical investments.

**LOMONT MOLDING, LLC 401(k) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 4 — FAIR VALUE MEASUREMENT (Continued)**

- Level 2            Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.).
- Level 3            Significant unobservable inputs (including the Employer's own assumptions in determining the fair value of investments).

Investments carried at fair value are classified, in their entirety, based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets within the levels of the fair value hierarchy.

The Employer uses the following valuation methods and assumptions to estimate fair value:

*Pooled separate accounts:* The pooled separate accounts are measured at net asset value (NAV) as a practical expedient in determining fair value and are not classified in the fair value hierarchy. The majority of the underlying net assets have observable Level 1 and Level 2 quoted pricing inputs, which are used to determine the unit value of the pooled separate accounts.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Employer believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Fair Value of Investments that Calculate NAV**

The following table sets forth a summary of the Plan's investments with a reported NAV at December 31:

	<u>Fair Value at December 31:</u>		<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
	<u>2024</u>	<u>2023</u>			
Pooled separate accounts (a)	\$ 5,185,698	\$ 4,882,518	None	Daily	Daily

(a) The pooled separate accounts consist of separate funds held within a single account with differing investment objectives. The pooled separate accounts may invest in mutual funds and marketable securities to meet the investment objective of the individual pooled separate account.

**NOTE 5 — INVESTMENTS AT CONTRACT VALUE**

As of December 31, 2024 and 2023, the Plan had an investment in the TLIC Stable Value Option. The contract underlying this investment option is considered to be fully benefit responsive. As of December 31, 2024 and 2023, the contract value of the investment in insurance contracts was \$650,512 and \$642,123, respectively.

**LOMONT MOLDING, LLC 401(k) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 5 — INVESTMENTS AT CONTRACT VALUE (Continued)**

Contributions to the Stable Value Option are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value as reported to the Plan by TLIC. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk.

The average crediting interest rate to participants for the Stable Value Option as of December 31, 2024 and 2023 was 1.58% and 1.18%, respectively.

There are no unfunded commitments. Under the terms of the contracts, the Employer must provide a minimum of a 270-day notice to TLIC prior to redemption of the contracts. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) changes to the Plan's prohibition on competing investment options, (2) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (3) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

**NOTE 6 — PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 7 — INCOME TAX STATUS**

The Plan's nonstandardized prototype plan document has received an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan was acceptable under Section 401(a) of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has not applied for a separate determination letter from the IRS; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

**LOMONT MOLDING, LLC 401(k) SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 8 — PARTIES-IN-INTEREST**

Plan investments are managed by TLIC. TLIC is the recordkeeper and insurance company for the Plan and provides investment advice to the Employer as to the selection of investment options. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund. Therefore, these transactions with TLIC qualify as party-in-interest transactions. Additionally, the Plan paid TLIC recordkeeping and transactional fees of \$11,312 and \$11,005 for the years ended December 31, 2024 and 2023, respectively.

The Plan utilizes Beacon Capital, LLC for investment advisory services. The Plan paid \$20,432 and \$17,131 for these services for the years ended December 31, 2024 and 2023, respectively.

The Plan utilizes Mesirow Financial, Inc. for investment advisory services. The Plan paid \$1,174 and \$1,003 for these services for the years ended December 31, 2024 and 2023, respectively.

The Plan utilizes Qualified Plan Consultants (QPC) for third party administrative services. The Plan paid \$5,022 and \$1,844 for these services for the years ended December 31, 2024 and 2023, respectively.

The Plan utilized SuperiorUSA Benefits for third party administrative services. There were no fees paid to SuperiorUSA for the year ended December 31, 2024. The Plan paid \$713 for these services for the year ended December 31, 2023.

**NOTE 9 — PROHIBITED TRANSACTIONS**

During the years ended December 31, 2024 and 2022, the Employer inadvertently failed to deposit participant deferrals of approximately \$1,000 and \$1,185, respectively, within the required timeframe as stated by the Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The Employer made deposits into the Plan for lost earnings attributable to the delinquent contributions and loan payments to fully correct the prohibited transactions of \$1,000 and \$1,185 during the years ended December 31, 2024 and 2023, respectively.

**NOTE 10 — SUBSEQUENT EVENTS**

Management has evaluated subsequent events through July 9, 2025 the date which the financial statements were available to be issued.

Effective June 10, 2025, the Plan was amended to allow employees of the Employer who are at least 18 years of age to be eligible for participation in the Plan. Employees will no longer need to completed one year of service to be eligible.
