INDEPENDENT AUDITOR'S REPORT

To The Forbes Company, LLC
Employees Profit Sharing/401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Forbes Company, LLC, Employees Profit Sharing/401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE FORBES COMPANY, LLC EMPLOYEES PROFIT SHARING/401(k) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2024 AND 2023, AND FOR THE YEAR ENDED DECEMBER 31, 2024

1. DESCRIPTION OF PLAN

The following brief description of The Forbes Company, LLC Employees Profit Sharing/401(k) Plan (the “Plan”) is provided for general information purposes. Participants should refer to the Plan document for more complete information.

General—The Plan is a defined contribution plan covering substantially all employees of The Forbes Company, LLC; Somerset Collection Limited Partnership; and Forbes Properties Orlando LLC (collectively, the “Companies”).

Collectively, Empower Annuity Insurance Company (“EAIC”) (“Insurance Carrier”) and Empower Trust Company, LLC (“ETC”) (“Trustee”) serve as the trustee/insurance carrier (the “Trustee/Insurance Carrier”) of the Plan.

Generally, employees of the Companies are eligible to become participants in the Plan on the first day of the quarter following their completion of one year of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions—Employees participating in the Plan may elect a pretax compensation reduction of 1% to 60% of their eligible compensation to be contributed to the Plan (i.e., participant’s contribution). In addition, the Companies may make a profit-sharing contribution equal to 7.5% of each participant’s eligible compensation, not to exceed \$7,500 in any Plan year (i.e., Companies’ contribution). During the year ended December 31, 2024, the Company made a \$1,037,638 profit-sharing contribution to the Plan. Net investment earnings for each investment option are allocated to participants’ accounts in the ratio of each participant’s balance to the aggregate of all participation accounts. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts—Each participant’s account is credited with the participant’s contribution and allocations of (a) the Companies’ contribution and (b) net investment earnings. Participant accounts are also charged with withdrawals and an allocation of plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investments—The Plan offers various investment options, including twelve pooled separate accounts (comprised of six balanced investment funds, three large cap stock funds, one mid cap stock fund, one fixed income fund, and one international stock fund), four mutual funds, two common collective trusts, and one guaranteed investment contract. All investments are participant directed, and participants may change investments and transfer amounts between funds daily.

Vesting—Participants are 100% vested in their participant contributions, regardless of length of participation. Participants vest 100% in the Companies’ contributions on the date following three years of vesting service or upon total disability or death.

Payment of Benefits—Upon retirement, total disability, death, or termination of employment, participants or their beneficiaries may elect to receive their vested portion of the Plan’s assets in a lump sum or in equal installments over a period not to exceed the life expectancy of the participant. Participants may receive a distribution for hardship if certain criteria have been met. Depending on the type of withdrawal, the participant may be ineligible to make further contributions for at least six months.

Forfeited Accounts—As of December 31, 2024 and 2023, forfeited nonvested assets totaled \$31,992 and \$10,610, respectively, which may be used to reduce the Companies’ contributions. For 2024, \$31,992 of profit-sharing contributions were paid to the Plan using forfeited amounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition—The Plan’s investments in common collective trusts and pooled separate accounts are stated at fair value based on the net asset value practical expedient (“NAV”) based on the fair market value of the underlying investments, which represent the NAV of shares held by the Plan at year-end as certified to the Plan administrator by the Trustee/Insurance Carrier.

The Plan’s investments in mutual funds are valued at the daily closing price. Mutual funds held by the Plan are open-ended mutual funds that are registered with the US Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan’s investment in the guaranteed investment contract is valued at contract value. The contract value represents contributions made, plus interest at the contract rate, less any payments of benefits and administrative expenses. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 8).

In the statement of changes in net assets available for benefits, the Plan presents the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and unrealized appreciation or depreciation. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Administrative Costs—The Companies pay substantially all administrative costs on behalf of the Plan. Investment fees are generally assessed as a percentage of assets invested and are primarily deducted directly from investment returns.

The Plan has a revenue-sharing agreement whereby certain investment managers return a portion of the investment fees to the Trustee to offset the Plan’s administrative expenses. Future Plan expenses can be paid from any excess remaining revenue-sharing amounts. For the year ended December 31, 2024, \$38,134 was used to offset Plan expenses. The Plan did not hold undistributed administrative revenue at December 31, 2024 and 2023, respectively.

Payment of Benefits—Benefit payments are recognized at the time of distribution to participants. There were no participants, who elected to withdraw from the Plan, but had not yet been paid at December 31, 2024 or 2023.

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

3. PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies reserve the right to terminate or withdraw from the Plan at any time, subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

4. FEDERAL INCOME TAX STATUS

The Plan uses a pre-approved plan document sponsored by EAIC. The Plan has been provided an Internal Revenue Service (IRS) opinion letter dated September 16, 2022, which states that the pre-approved document was designed in accordance with the applicable regulations of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Companies and Plan management believe the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included in the Plan's financial statements and supplemental schedules that were prepared by or derived from information prepared by ETC and EAIC, the trustee and insurance carrier respectively, furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee and insurance carrier that such information is complete and accurate.

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year).

Note 6: All investment balances, except for leveling classification.

6. FAIR VALUE MEASUREMENTS

In accordance with the FASB Accounting Standard Codification (ASC) 820, *Fair Value Measurements and Disclosures*, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices in active markets for identical assets; Level 2, which refers to securities not traded on an active market, but for which significant other observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. There are no unfunded commitments or redemption restrictions on these investments. A summary of the Plan's investments measured at fair value on a recurring basis as of December 31, 2024 and 2023, is set forth by level within the fair value hierarchy in the following tables:

	Fair Market Value Measurements at December 31, 2024, Using			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Total				<u>\$ 13,944,796</u>

7. EXEMPT PARTIES-IN-INTEREST TRANSACTIONS

The Companies, the Trustee/Insurance Carrier, and the participants have all been identified as parties-in-interest. Certain Plan investments are pooled separate accounts managed by the Trustee/Insurance Carrier, and therefore, transactions related to these investments qualify as exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each fund. Refer to Note 2 for discussion of revenue-sharing arrangements with parties-in-interest.

8. INVESTMENT CONTRACT WITH INSURANCE CARRIER

The Plan has a benefit-responsive investment contract with EAIC through an insurance company issued group annuity. EAIC maintains the contributions in a general account. Under the guaranteed investment contract, participants may ordinarily direct permitted withdrawal or transfers of all, or a portion, of their account balance at contract value within reasonable time frames. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The repayment of principal and interest credited to participants is a financial obligation of EIAC.

Management believes that events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid overtime, are not probable of occurring. There are no events that allow the issuer to terminate the contract and which require the Plan sponsor to settle at an amount different than contract value paid either within 90 days or over time.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

9. SUBSEQUENT EVENTS

For the year ended December 31, 2024, subsequent events were evaluated through July 30, 2025, the date the financial statements were available to be issued.
