Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **AAFCPAS INC.**

(2) EIN: **04-2571780**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

To the Plan Administrator of
403(b) Thrift Plan of Thundermist Health Center:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan of Thundermist Health Center, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Thundermist Health Center's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Thundermist Health Center, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Thundermist Health Center's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Thundermist Health Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Thundermist Health Center's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(B) THRIFT PLAN OF THUNDERMIST HEALTH CENTER

Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF PLAN

The following description of 403(b) Thrift Plan of Thundermist Health Center (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution 403(b) plan covering all employees of Thundermist Health Center (the Health Center) (the Plan Sponsor), except leased employees. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor's Finance Committee. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Eligibility

Eligible employees may enroll in the Plan on the date they begin working for the Health Center. Participants are eligible to receive the Health Center's employer non-elective base contribution once the participant has completed one year of service (1,000 hours of service) and attained the age of 21.

c. Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, subject to statutory limits. Participants can also elect to defer all or a portion of their deferrals as post-tax (Roth) deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants are automatically enrolled at 1% and deferrals are automatically escalated 1% per year until 5% is reached unless they affirmatively elect otherwise.

The Health Center contributes an amount equal to a percentage of the participant's compensation. The employer non-elective base contribution that is allocated to the participant's account is determined based on the years of vesting service, defined as the time beginning on the day an employee first performs an hour of service and ending on their employment severance date, in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Percentage of Compensation</u>
Fewer than 5 years	3%
At least 5 but fewer than 15 years	5%
At least 15 but fewer than 20 years	7%
20 or more years	10%

During 2024, the Health Center contributed \$2,177,499 to the Plan.

Notes to Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF PLAN (Continued)

d. Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions and an allocation of plan earnings or losses thereon, less administrative fees paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

e. Vesting

Participants are immediately vested in their contributions plus actual earnings or losses thereon. If employment with the Health Center terminates on or after their normal retirement date, early retirement date, or due to death or permanent disability, the participant will be fully vested in their entire account balance. Vesting in the Health Center's non-elective base contributions plus actual earnings or losses thereon is based on years of continuous service of 1,000 hours of service.

The following represents the vesting schedule of the Health Center's non-elective base contributions:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 3 years	0%
3 years or more	100%

f. Participant Loans

Participants may borrow up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount allowed is \$1,000. There shall be no limit on the number of loans that a borrower may have outstanding under this Plan at one time. The loans are made through Mutual of America Life Insurance Company (Mutual of America) and are secured by the balance in the participant's account. Loans bear interest at a rate which is commensurate with regional bank rates for similar loans. Principal and interest are paid through payroll deductions.

Outstanding loans as of December 31, 2024 and 2023, totaled \$472,102 and \$294,815, respectively, and are included in the investment contract on the accompanying statements of net assets available for benefits.

g. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65, and early retirement is available at the age of 55. Upon termination of service due to death, disability or retirement, a participant receives either a lump-sum amount equal to the value of their account, a single life annuity, or a joint and survivor annuity. The Plan requires balances up to \$1,000 be paid out to participants upon termination. The Plan provides for the direct rollover to an individual retirement account (IRA) for terminated participants with balances greater than \$1,000 and less than \$5,000, unless directed otherwise by the participant.

1. DESCRIPTION OF PLAN (Continued)

g. Payment of Benefits (Continued)

The Plan allows in-service withdrawals upon attainment of age 59 ½. A participant may also request a withdrawal upon demonstration to the Plan Administrator that he or she is suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to the applicable section of the Internal Revenue Code (the Code) or standards established by the Secretary of the Treasury or their delegate.

h. Forfeiture Accounts

Forfeitures represent non-vested employer non-elective base contributions forfeited by participants who terminate their employment or who withdraw from the Plan. Forfeitures by non-vested participants are available to reduce future employer non-elective base contributions, in accordance with the provisions of the plan document. At December 31, 2024 and 2023, forfeited accounts totaled \$3,224 and \$1,128, respectively. forfeitures of \$141,849 were used to reduce employer non-elective base contributions in 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Separate accounts are reported at fair value. Units held by the Plan in separate accounts are measured based on each fund's daily net asset value (NAV) used as a practical expedient, which is considered by the Plan Administrator to be the best approximation of fair value. The investment contract is valued at contract value as it is fully-benefit-responsive (see Note 5). The Plan Administrator determines the Plan's valuation policies utilizing information provided by Mutual of America, the qualified institution of the Plan. See Note 4 for discussion of fair value measurement.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully-benefit-responsive investment contracts. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

403(B) THRIFT PLAN OF THUNDERMIST HEALTH CENTER

Notes to Financial Statements
December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

Contributions from plan participants and the non-elective base contributions from the Health Center are recorded in the year in which the contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Health Center and are excluded from these financial statements. Fees related to the administration of participant loans and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of investments.

Subsequent Events

Subsequent events have been evaluated through July 30, 2025, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTION

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America, a qualified institution, has certified to the completeness and accuracy of all investments reported in accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, and the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2024, and the related investment transactions and investment income reported in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs).

The fair value hierarchy is as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

403(B) THRIFT PLAN OF THUNDERMIST HEALTH CENTER

Notes to Financial Statements
December 31, 2024 and 2023

4. FAIR VALUE MEASUREMENT (Continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Separate accounts: The separate accounts equal the number of participation units owned in the subaccount multiplied by unit value of the participation unit. The unit values of participation units in the subaccounts are determined by Mutual of America based on the value of the underlying mutual fund held in the subaccount, minus the fund's liabilities, which are the contract charges imposed by Mutual of America, divided by the number of participation units outstanding. This value is also commonly referred to as the NAV of the participation units, which is considered by plan management to be a practical expedient to determine fair market value. The NAV is used as a practical expedient to estimate the fair value, unless it is probable that all or a portion of the separate account will be sold for an amount different from NAV. As of December 31, 2024 and 2023, the Plan had no plans to sell the separate accounts at amounts different from NAV. The daily charges imposed on these subaccounts for any valuation period are equal to the daily mortality and expense risk charge and the daily administrative charge multiplied by the number of calendar days in the valuation period. The value of each accumulation unit is published each business day. There are no unfunded commitments from participants in the Plan who invest in these accounts.

There has been no change in the methodology used at December 31, 2024 and 2023.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

403(B) THRIFT PLAN OF THUNDERMIST HEALTH CENTER

Notes to Financial Statements
December 31, 2024 and 2023

4. FAIR VALUE MEASUREMENT (Continued)

The following table presents the category, fair value, redemption frequency, and redemption notice period for the Plan's investments and respective fair values of which are estimated using the NAV per share as a practical expedient, as of December 31:

	Fair Value		Redemption Frequency (if currently eligible)	Redemption Notice Period
	2024	2023		
Target date funds (a)	\$ 36,012,090	\$ 28,683,298	Daily	Daily
Large U.S. equity funds (b)	8,438,919	6,975,721	Daily	Daily
Small/mid U.S. equity funds (c)	2,992,731	2,190,336	Daily	Daily
Fixed income funds (d)	1,537,402	1,308,624	Daily	Daily
International equity funds (e)	<u>1,095,131</u>	<u>1,080,289</u>	Daily	Daily
Total separate accounts, at fair value	<u>\$ 50,076,273</u>	<u>\$ 40,238,268</u>		

- (a) These funds' objective seeks the highest total return over time with an increased emphasis on capital preservation as the target date approaches. Thereafter, an emphasis will be placed on high current income with a secondary focus on capital appreciation.
- (b) These funds seek to provide investment results that correspond to the performance of the Standard & Poor's (S&P) Composite Index of 500 stocks. These funds invest primarily in common stocks that are included in the S&P 500 Index in the order of their weightings in the Index and may also purchase futures contracts on the Index.
- (c) These funds invest mostly in common stocks of small capitalization companies, foreign securities, and derivative instruments. The mid-cap funds invest primarily in common stocks of established U.S. companies that have above-average potential for capital growth. These funds also may invest in other securities, including convertibles, warrants, preferred stocks, corporate and government debt, bank loans and options.
- (d) These funds invest in various types of debt securities to achieve a long-term rate of return while preserving capital.
- (e) These funds invest predominantly in the stocks of companies located outside the United States and is expected to diversify its assets in countries across developed and emerging markets. In selecting stocks, the fund's advisors evaluate foreign markets around the world and choose large-, mid-, and small-capitalization companies considered to have above-average growth potential. These funds use multiple investment advisors.

5. INVESTMENT CONTRACT WITH MUTUAL OF AMERICA

The Plan has a deposit administration contract with Mutual of America. The deposit administration contract is intended to provide future benefits to present employees through payments to Mutual of America that are credited to an account, which is not applied to the purchase of single payment deferred annuities for individual participants. Contributions are held in the Mutual of America general account and are maintained in a group annuity account. The account is credited with earnings or losses on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is considered fully-benefit-responsive and is presented at contract value. Contract value represents contributions made under the contract, plus earnings or losses, less participant withdrawals, and administrative expenses.

403(B) THRIFT PLAN OF THUNDERMIST HEALTH CENTER

Notes to Financial Statements
December 31, 2024 and 2023

5. INVESTMENT CONTRACT WITH MUTUAL OF AMERICA (Continued)

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no front- or back-end charges, so the investments in the Mutual of America Interest Accumulation Account are completely liquid. The interest credited to investments in the Mutual of America Interest Accumulation Account is a current rate and is not dependent upon the length of time the assets are invested with Mutual of America. Requests for withdrawal can be made at any time and are processed on the day that they are received.

The interest rate is determined by Mutual of America from time to time and Mutual of America reserves the right to change the interest rates applicable to amounts held in the Interest Accumulation Account at their discretion, but not below the minimum guaranteed interest rate of 2.85%.

6. TAX STATUS

The Plan is required to operate in accordance with the Code to maintain the tax exempt status for plan participants under Section 403(b). Plan management believes the Plan is currently designed and operating in accordance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financials.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Health Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their employer contributions and all accrued benefits shall be paid to participants in accordance with plan provisions.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institution and loans to participants are considered party-in-interest transactions. During 2024, the Plan paid the qualified institution administrative expenses of \$16,315.

9. RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances, and the amounts reported in the statements of net assets available for benefits.
