Independent Auditor's Report

The Plan Administrator
Spartronics 401(k) Plan
Williamsport, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Spartronics 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the

supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Spartronics 401(k) Plan

Notes to Financial Statements

1. Plan Description

The following description of Spartronics 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a single-employer defined-contribution plan available to eligible employees of EMS Holdco, Inc., holding company of Spartronics, LLC (collectively, the Company or Plan Sponsor). The Plan covers employees of the Company who have attained the age of 20 and have completed at least 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may elect to contribute a portion of their compensation through a pre-tax and/or Roth contribution to the Plan, not to exceed the maximum annual amount allowed under the Internal Revenue Code (IRC).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Effective April 1, 2024, the auto-enrollment provision applies to active participants who are currently electing 0% or have not made an election. Automatically enrolled participants will have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Prior to April 1, 2024, automatically enrolled participants had their deferral rate set at of 3% of eligible compensation. Also effective April 1, 2024, participants will have their automatic elective deferral rate increased annually by 1%, beginning April 1, 2025.

Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows participants to transfer funds from other qualified plans into the Plan; therefore, participants have the option to roll over funds from the previous employer's plan.

The Company may make a discretionary matching contribution based on each participant's contribution. A matching contribution of 50% of a maximum of 6% deferred by each participant was made for the year ended December 31, 2024 and 2023. The Company may also make a discretionary profit-sharing contribution. No profit-sharing contribution was made for the years ended December 31, 2024 or 2023.

Effective January 1, 2023, Spartronics Logan, LLC 401(k) Plan merged into the Plan. Each covered employee who was eligible to participate in the Spartronics Logan, LLC 401(k) Plan immediately prior to the merger date is eligible to participate in the Plan. See further discussion regarding the Plan merger in Note 8.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's matching and discretionary contributions, and Plan earnings and is charged with an

Spartronics 401(k) Plan

Notes to Financial Statements

allocation of administrative expenses. Allocations to participant accounts are specified by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan. Participants may change the direction of their investment accounts and the manner in which they are invested on a daily basis.

Payment of Benefits

Upon normal retirement age, termination of employment, death, or disability, participants or their beneficiaries may elect to receive the value of vested interest in their account in the form of a lump-sum distribution. Additionally, in-service withdrawals are permitted for employees who have reached age 59½. Withdrawals may also be made under circumstances of financial hardship, as defined by the Plan.

Notes Receivable from Participants

Participants may borrow up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum note amount is \$1,000. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate, determined when the participant applies. Interest rates on notes receivable outstanding at December 31, 2023 are 4.25% to 10.50%. Loans must be repaid within five years with the exception of loans for a primary residence, which must be repaid within 15 years. Principal and interest are paid ratably through regular payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Prior to April 1, 2024, active employees who complete an hour of service are 100% vested in the Plan for both employer matching and profit-sharing contributions. The Plan was amended April 1, 2024 to implement a two-year cliff vesting for matching and profit-sharing contributions for participants hired January 1, 2024 or after. Participants with a hire date prior to January 1, 2024 will remain 100% vested in their matching and profit-sharing contributions.

Administrative Fees

Administrative expenses of the Plan are paid by either the Plan or the Company, as provided in the Plan Agreement. Expenses paid by the Plan are allocated to participants proportionately based on the value of account balances. Fees incurred as a result of participant transactions (e.g., loan administration fees, withdrawal processing fees, distribution processing fees, or qualified domestic relation order qualification fees) are charged directly to the participant's account.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the accrual method of accounting.

Spartronics 401(k) Plan

Notes to Financial Statements

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the period.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and are measured at the unpaid principal balance plus unpaid accrued interest. Defaulted loans, if any, are reclassified as deemed distributions based on the terms of the Plan Agreement.

Contribution Receivables

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective/Profit-sharing contributions are recorded in the relevant period in accordance with the terms in the Plan document.

3. Fair Value Measurements

In accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the

Spartronics 401(k) Plan

Notes to Financial Statements

fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Mutual Funds - Mutual funds are valued at quoted market prices in an exchange and active market, which represent the net asset value (NAV) of shares held by the Plan.

Collective Investment Trust (CIT) - The Plan invests in the Invesco Stable Value Trust Class B1, a CIT. The fair value of the Plan's interest in the CIT is estimated using NAV as a practical expedient, as disclosed in audited information reported by the issuer, Invesco National Trust Company (Invesco). Invesco determines NAV based on the underlying investments and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Investments held by a CIT are required to be reported at fair value; however, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT attributable to fully benefit-responsive investment contracts. This is because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined-contribution plans. Participant transactions may occur daily with no advance notice. There are no unfunded commitments related to these investments. If the Plan initiates a full redemption of the stable value fund, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes that the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Spartronics 401(k) Plan

Notes to Financial Statements

The tables below set forth the Plan's investments by level within the fair value hierarchy:

December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 50,772,166	\$ -	\$ -	\$ 50,772,166
Investments, measured at NAV				1,583,758
Total Investments, at fair value				\$ 52,355,924

December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 45,404,645	\$ -	\$ -	\$ 45,404,645
Investments, measured at NAV				1,577,807
Total Investments, at fair value				\$ 46,982,452

4. Certified Investment Information

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company (Principal), a qualified institution.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate or partially terminate the Plan, subject to the provisions of ERISA.

6. Income Tax Status

The Company adopted the non-standardized pre-approved profit-sharing plan of Principal Life Insurance Company (Principal Life). Principal Life received an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan document, as then designed, was in compliance with the applicable requirements of the IRC. The Plan document has since been amended; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.

Spartronics 401(k) Plan
Notes to Financial Statements

7. Party-in-Interest Transactions

Principal is the trustee and recordkeeper for the Plan. Fees paid by the Plan for recordkeeping services were \$162,609 and \$188,043 for the years ended December 31, 2024 and 2023, respectively. The Plan also holds notes receivable from Plan participants. These transactions qualify as party-in-interest transactions.

8. Plan Merger

Effective January 1, 2023, Spartronics Logan, LLC 401(k) Plan merged into the Plan. The amount transferred into the Plan on January 18, 2023 aggregated to \$11,237,483, which included \$271,700 of outstanding loans.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:
