Independent Auditors' Report

The Plan Administrator Ascend Learning, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ascend Learning, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a "qualified institution").

Management has obtained certifications from the qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and (2) Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Ascend Learning, Inc. 403(b) Plan

Notes to Financial Statements
December 31, 2024

1. Description of Plan

The following description of the Ascend Learning, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the plan document workpaper 9000.01 for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of Ascend Learning, Inc. (the “Organization”). Principal Trust Company (“Principal”) serves as the trustee of the Plan. The following are adopting employers of the Plan, Brooklyn Ascend Charter School, Brownsville Ascend Charter School and Bushwick Ascend Charter School.

Eligibility

Eligible Employees (as defined by the Plan Document) are able to participate in the Plan immediately upon their date of hire for purposes of making elective deferral contributions. Eligible employees (as defined by the Plan Document) are able to receive employer discretionary matching contributions upon completion of one year of service and attainment of age 21.

Contributions

Each year, participants may contribute a portion of their annual compensation on a pre-tax or after-tax (Roth) basis, as defined in the Plan Document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Transfers from qualified plans (rollover contributions) are also permitted. Participants direct the investment of their contributions into various investment options offered by the Plan. There is an annual dollar limit as to the amount that can be deducted from eligible compensation that is determined by the Internal Revenue Code (“IRC”).

Effective through July 12, 2018, the Organization contributed a discretionary matching contribution to an eligible participant's account equal to 100% of the contribution made by the participant based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Matching Percentage</u>
Less than 1 year	0%
1 year or more but less than 3 years	2%
3 years or more but less than 5 years	3%
5 years or more	4%

Ascend Learning, Inc. 403(b) Plan

Notes to Financial Statements
December 31, 2024

1. Description of Plan *(continued)*

Contributions *(continued)*

As of July 13, 2018, the Organization contributes a discretionary matching contribution to an eligible participant's account equal to 100% of the contribution made by the participant based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Matching Percentage</u>
Less than 1 year	1%
1 year of more but less than 3 years	2%
3 years or more but less than 5 years	3%
5 years or more	5%

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's discretionary matching contributions, and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

Vesting

A participant is 100% vested in their contributions immediately. The Organization's discretionary matching contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	60%
3 or more	100%

Forfeitures

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$105,124 and \$78,813. In 2024, none of the forfeitures were used to offset Employer contributions or pay administrative expenses.

Notes Receivable from Participants

Participants may borrow from their vested accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The minimum amount of any loan is \$1,000. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest at the time funds are borrowed. Principal and interest are paid ratably through payroll deductions. Participants may only have one loan outstanding at a time, which must be repaid within five years. The number of loans approved for any participant in a 12 month period shall be limited to two loans.

2. Summary of Significant Accounting Policies

Payment of Benefits

Participants are eligible to receive benefit payments when they terminate service or reach age 59 1/2, a participant is entitled to receive a distribution in the amount up to the value of the participant's vested interest in his or her account. The Plan also provides for hardship withdrawals subject to the approval of the plan administrator. If a participant dies before his Annuity Starting Date, his Vested Account shall be distributed according to the distribution of benefits provisions. On a Participant's Retirement Date, his Vested Account shall be distributed to him according to the distribution of benefits provisions.

Expenses

Certain expenses related to maintaining the Plan are paid by the Organization and are excluded from these financial statements. Any expenses not paid by the Organization are paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

Compliance Testing Correction

The 2014 through 2021 nondiscrimination testing for the Plan was completed and the Plan initially failed the required testing. The Plan is using the one-to-one method for correcting the failed tests. This method requires the Organization to refund amounts to the highly compensated employees and contribute a similar amount to the Plan to be allocated to the non-highly compensated. These amounts are shown on the statements of net assets available for benefits as the other receivable and excess contributions.

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2024 and 2023, all of the Plan's investments were valued using level 1 inputs.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. In the event of default, foreclosure on the note and attachment of security or use of amounts pledged to satisfy the amount then due shall not occur until a distributable event occurs in accordance with the Plan, and shall not occur to an extent greater than the amount then available upon any distributable event which has occurred under the Plan.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is July 31, 2025.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, a qualified institution.

4. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their Organization discretionary matching contributions.

5. Tax Status

The Organization has adopted a plan document restated effective August 1, 2020 which is intended to satisfy the Internal Revenue Service's final 403(b) regulations. The plan document preparer received an IRS Opinion Letter dated March 31, 2017. The Plan has since been amended, however, the Organization believes that the Plan, as amended, is designed and currently being operated in accordance with applicable sections of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

6. Party-in-Interest Transactions

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain administrative functions are performed by employees of the Organization. No such employees receive compensation from the Plan.

7. Non-Exempt Party-in-Interest Transactions

During 2020, 2019, 2018, 2017, 2016, 2015 and 2014, the Employer failed to transmit to the Plan participant's contributions in the amount of \$249,715, \$477,405, \$451,729, \$133,255, \$184,681, \$229,501 and \$208,733 within the period prescribed by Department of Labor regulations. The total of these amounts is reported on the supplemental Schedule of Delinquent Participant Contributions in the amount of \$1,935,019. Delays in remitting amounts to the Plan were due to an administrative oversight. The Employer has made the necessary corrections and submitted a Voluntary Fiduciary Correction Program ("VFCP") application to the Department of Labor ("DOL") and has received an approval closing letter from the DOL dated March 29, 2024 indicating the corrective actions taken were satisfactory.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2024 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
