INDEPENDENT AUDITORS' REPORT

Trustees of the American Council of Engineering Companies
Life/Health Insurance Trust and Subsidiary

Opinion

We have audited the accompanying consolidated financial statements of the American Council of Engineering Companies Life/Health Insurance Trust and Subsidiary (the "Trust"), a trust subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the consolidated statements of net assets available for benefits as of December 31, 2024 and 2023, and the related consolidated statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Trust as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with U.S. generally accepted accounting principles.

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current trust instrument, including all trust amendments, administering the trust, and determining that the trust's transactions that are presented and disclosed in the financial statements are in conformity with the trust's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at year end as of December 31, 2024 and reportable transactions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Supplementary Information

AMERICAN COUNCIL OF ENGINEERING COMPANIES LIFE/HEALTH INSURANCE TRUST AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. PURPOSE OF THE TRUST AND PLAN DESCRIPTION

The Trust was established May 1, 1965 by an agreement between the American Consulting Engineers Council ("ACEC") and seven Trustees. Trustees are principals of participating member firms of ACEC. The Trust provides group medical and group ancillary coverages for eligible members and their employees who elect to participate in coverage levels as permitted by the Trustees.

Applicants applying for coverage under the Plan become eligible upon approval of the Trust. Plan coverage generally terminates at the end of the month for which the last contribution is received.

Until 2015, the Trust had engaged United Healthcare Insurance Company ("UHC") to provide all coverages to ACEC members participating in the Trust generally on a fully insured basis. In 2015, the Trust contracted with Guardian Life Insurance of America ("Guardian") to be an alternate provider of the ancillary coverages. The contract with Guardian was terminated during 2022 and is currently in runout with a final terminal date of May 31, 2025.

Although the Trust is not an employee benefit plan, it files a Form 5500 as a service to members who may have established employee benefit plans by providing benefits to their employees through policies issued to the Trust. The sponsor of the multiple employer plan is the ACEC Life/Health Insurance Trust Benefit Consortium.

Through its wholly owned subsidiary, ACEC Health MGU, Inc. (the "MGU"), the Trust provides management services to a 50% owned Missouri captive insurance company where the Trust owns one "B" share. See Notes 3 and 4 regarding the arrangement with these affiliates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Principles of Consolidation

The consolidated financial statements include the accounts of the Trust and the MGU, after the elimination of intercompany transactions.

Cash and Equivalents

The Trust considers its cash and equivalents to include cash on hand, cash in checking accounts, and cash in money market accounts.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Investment Valuation and Recognition

The Trust uses the equity method to account for its investment in CERC. The amount representing the Trust's ownership interest in CERC's underlying net assets is presented as "Investment in CERC" in the Statement of Net Assets Available for Benefits. The Trust's share of CERC's change in net assets is included in the caption "Share of Change in Net Assets from Operations of CERC" in the Statement of Changes in Net Assets Available for Benefits. The financial information presented for CERC has been prepared using U.S. generally accepted accounting principles.

The Trust's investments, other than its investment in CERC, are stated at fair value. Quoted market prices are used to value all investments. Shares of mutual funds are valued at the net asset value of shares held by the Trust at year end. Net appreciation or depreciation in the fair value of investments is included in the caption "Unrealized Gain (Loss) on Investments" in the Statement of Changes in Net Assets Available for Benefits.

Participant Contributions

Participant contributions are based on the insurance coverage then in force.

Allowance for Credit Losses

An allowance for participant receivables is unnecessary and is not provided because nonpayment of insurance renewals results in cancellation of coverage with little financial impact to the Trust.

Advance Payments

Advance payments by participants are recorded as liabilities since these amounts are received by the Trust for future policy periods.

Premiums

Premiums are billed to member participants monthly for the employee plan.

Benefit Obligations

Claims reported but not paid and claims incurred but not reported at year end will be paid by the insurance companies and, therefore, are not reflected in the accompanying financial statements. Claim reserves held by the insurance companies also are not reflected in the financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Funding Policy

The Trust is funded completely by participant contributions. However, reserves held within the insurance contract also earn investment income and this income is used to pay contract expenses.

Income Taxes

The Trust uses an asset and liability approach to financial accounting and reporting for income taxes. The difference between the financial statements and tax basis of assets and liabilities is determined annually. Deferred income tax assets and liabilities are computed for those differences that have future tax consequences using the currently enacted laws and rates that apply to the periods in which they are expected to affect taxable income. Valuation allowances are established, if necessary, to reduce the deferred tax asset to the amount that will, more likely than not, be realized. Income tax expense is the current tax payable or refundable for the period plus or minus the net change in the deferred tax assets and liabilities.

The Trust continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

Leases

The determination of whether an arrangement is a lease is made at the lease's inception. Under Topic 842, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. Management only reassesses its determination if the terms and conditions of the contract are changed.

The Trust leases office space under an operating lease. Right-of-use (ROU) assets represent the Trust's right to use an underlying asset for the lease term and lease liabilities represent the Trust's obligation to make lease payments. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Trust uses the implicit rate when it is readily determinable. Since the lease does not provide an implicit rate, the Trust has elected to use a risk-free rate as the discount rate for all classes of underlying assets. The Trust's lease terms may include options to extend or terminate the lease when it is reasonably certain that the Trust will exercise the option.

3. TRANSACTIONS WITH PARTIES IN INTEREST AND RELATED PARTIES

Beginning in 2007 and through August of 2017, the Trust had arranged for the ACEC members domiciled in Connecticut, New Jersey, and New York to purchase group health policies directly from Oxford Health Plans, a subsidiary of UHC (hereinafter, the "Oxford Risk"). As part of a plan to allow the member insureds to participate more effectively in the savings by more efficient risk and capital management than a commercial carrier could realize, in 2008 the Trust formed the ACEC Tax Exempt Life/Health Insurance Trust, a tax-exempt voluntary employees' beneficiary association ("VEBA"). The Trust contributed \$6.5 million to the VEBA and the VEBA, in turn, capitalized the Consulting Engineers Reinsurance Company ("CERC"), a newly formed Missouri captive insurer, with \$5 million for 100% ownership.

In 2009, CERC began reinsuring on a quota share basis 90% of the Oxford Risk. In 2012, the Trust made a \$600,000 contribution to the VEBA after a redetermination of the share of the Trust assets pertaining to the ACEC members domiciled in Connecticut, New Jersey, and New York.

Subsequently, CERC developed two additional reinsurance products that support the self-insured healthcare programs of ACEC member firms in states with low access to UHC (the Select Plan) and large firms (the Advantage Plan). To provide additional capital needed to fund the new products, in 2011 the Trust purchased for \$3,700,000 one share of CERC's newly created Class B common which tracks the economic performance of all of CERC's businesses other than the Oxford Risk. In January 2012, September 2015, and September 2022, the Trust made capital contributions of \$1,150,000, \$1,500,000, and \$7,000,000, respectively, to CERC. CERC issued no additional shares in connection with these transactions. Note 4 provides additional information about the Trust's investment in CERC.

As part of the Select Plan (the "Plan"), the Trust formed a wholly owned subsidiary, ACEC Health MGU, Inc., to act as manager of the Plan. The MGU earned \$40,061 and \$160,612 in management fees and commissions from the Plan in 2024 and 2023, respectively. As of December 31, 2024 and 2023, the MGU held \$7,525 and \$27,016 in assets pertaining to the Plan. These funds are reflected as a liability in the accompanying financial statements.

The Trustees and support staff of the Trust and the VEBA and the directors, officers, and support staff of CERC are the same persons; consequently, the expenses incurred by these persons in performance of their duties benefit all three entities.

On December 10, 2015, the Trust entered into an administrative services agreement with the newly created ACEC Administrative Trust. Under its terms, the Trust's employees became employees of the Administrative Trust, and the Administrative Trust pays expenses which are necessary or helpful in connection with the administration and operation of the Trust including, but not limited to, fiduciary liability insurance premiums for coverage with respect to the Trust and expenses relating to the coordination of all meetings and travel of the Trustees of the Trust. The participating employers fund the Administrative Trust by paying a service fee on premium billed by UHC.

3. TRANSACTIONS WITH PARTIES IN INTEREST AND RELATED PARTIES – CONTINUED

As the current administrator of the Trust, UHC incurs administrative costs such as collection and remission of contributions, Trust marketing, claims processing, insurance agent commissions, and Trust management and administration. UHC is paid a fee as the administrator as specified in the administrative agreement to perform these duties. Total fees paid to UHC were \$77,994,957 and \$72,071,535 for the years ended December 31, 2024 and 2023, respectively. These fees included administration expense of \$58,858,185 and \$55,761,576 for the years ended December 31, 2024 and 2023, respectively, which are a portion of the administration expenses reflected in Note 8 on page 14. Total UHC fees also include capitation charges of \$19,136,772 and \$16,309,959 for the years ended December 31, 2024 and 2023, respectively, which are a portion of the claims paid expenses reflected in Note 8 on page 14.

4. INVESTMENT IN CONSULTING ENGINEERS REINSURANCE COMPANY (CERC)

Originally the VEBA was the sole owner of CERC's common stock. Subsequently, CERC amended its Articles of Incorporation to create two classes of common shares with equal voting rights. The VEBA's share became one share of Class A common. Class A stock tracked the economic performance of CERC's business attributable to fully insured ACEC members in New Jersey, New York, and Connecticut. Although Oxford has ceased writing premium to ACEC members, the VEBA continues to hold its Class A equity interest in CERC.

In 2011, the Trust purchased one share of CERC's Class B common for \$3.7 million. Class B stock tracks the economic performance of CERC's other businesses. Currently those businesses consist of two reinsurance products that support self-insured programs of ACEC member firms (the Select Plan and the Advantage Plan).

CERC's Board of Directors may declare dividends on either class of common based on the economic performance of their respective businesses. Also, upon liquidation, the holders of each class are entitled to receive the proceeds of the assets from their respective businesses.

Since the Trust has only 50%, rather than majority voting control, the Trust uses the equity method to account for its ownership in CERC. The following is summarized financial information for CERC as a whole and the portion that relates to the Class B shares in 2024 and 2023.

5. FAIR VALUE MEASUREMENTS

The Trust's investments are reported at fair value in the accompanying statement of net assets available for benefits. FASB ASC 820-20-50, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Trust uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Trust measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

Level 1 inputs are quoted prices in active markets on the actual asset being valued. An active market has sufficient transaction activity to provide pricing information on an ongoing basis.

Level 2 Fair Value Measurements

Level 2 inputs are those other than quoted prices in Level 1 that are observable and include the following: quoted prices on similar assets in active markets; quoted prices for identical or similar assets in markets that are not active; observable inputs other than quoted prices such as yield curves, volatilities, prepayment spreads, or inputs derived principally or corroborated by observable market data by correlation or other means.

Level 3 Fair Value Measurements

Level 3 inputs are unobservable inputs for the asset reflecting internal assumptions used to arrive at an estimate or exit price. Those inputs are based on the best information available in the circumstances.

6. TAX STATUS AND INCOME TAXES

The Trust is treated as a fiduciary for federal and state income tax purposes which subjects certain income net of administrative costs to income taxes at fiduciary rates. The Trust files its tax return and computes its taxable income on a calendar year basis. ACEC Health MGU, Inc., the Trust's wholly owned subsidiary, is a taxable corporation.

The actual provision for income taxes for the years ended December 31, 2024 and 2023 differs from applying the statutory federal income tax rate to income before taxes as follows:

	Trust		MGU	
	2024	2023	2024	2023
Statutory federal income tax rate	37%	37%	21%	21%
Pre-tax book net income	\$ 12,567,364	\$ 11,764,518	\$ 36,968	\$ 156,440

	<u>\$ 191,159</u>	<u>\$ -</u>	<u>\$ 7,867</u>	<u>\$ 33,734</u>

The Trust and MGU routinely evaluate potential uncertain tax positions and believes that they would more likely than not be substantiated upon examination by taxing authorities. The Trust and MGU file income tax returns in the U.S. federal jurisdiction. U.S. tax returns prior to fiscal year 2021 are closed.

7. TRUST INSURANCE COMPANIES

Until 2015 the Trust had appointed United Healthcare Insurance Company (“UHC”) as the Trust insurer for all coverages. UHC assumed those responsibilities effective August 1, 2007. Prior to that time, Trustmark Life Insurance Company (“Trustmark”) was the insurer. As described in Note 8, Trustmark continues to hold reserves and adjust claims related to its contract period. In 2015, the Trust contracted with Guardian Life Insurance of America (“Guardian”) to be an alternate provider of the ancillary coverages offered to the participating firms of the Plan.

8. RESERVES WITH INSURANCE CARRIERS – COMBINED

UHC holds monies for the purpose of paying incurred claims and stabilizing rates effective August 1, 2007. Trustmark Insurance Company holds monies for the purpose of paying claims incurred prior to that date. The reserves fluctuate based upon policy year experience. The contract with Guardian was terminated during 2022. The reserves may be transferred to a successor carrier as set forth in the policy termination provisions or may be transferred back to the Trust if no successor is selected. The reserves are not reflected in the Trust financial statements. The combined group experience as determined by all insurance carriers for the calendar years ended December 31, 2024 and 2023 is as follows:

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2024 and 2023

8. RESERVES WITH INSURANCE CARRIERS – COMBINED – CONTINUED

Under the terms of the group insurance contracts, all carriers have established claim reserves. If the insurance contract is terminated, these reserves will be applied first against any expenses, including the claims run-out, with the remaining balance to be transferred to a successor carrier. These reserves were \$52,690,681 and \$56,004,155 at UHC, at December 31, 2024 and 2023, respectively. These reserves were \$327,109 and \$1,778,849 at Guardian, at December 31, 2024 and 2023, respectively. These reserves were \$1,519,025 and \$1,658,359 at Trustmark, at December 31, 2024 and 2023, respectively. The Trust does not provide reserves for such claims in the financial statements because such claims are obligations of the insurance company and reserves are held by the insurance carrier for claims incurred but not reported or paid.

9. CONCENTRATIONS OF CASH AND EQUIVALENTS

Cash and equivalents consist of monies held in checking accounts; highly liquid, interest-bearing accounts without significant withdrawal restrictions; and money market accounts. Balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 per financial institution. As of December 31, 2024, the Trust's cash and equivalents in excess of FDIC insurance coverage totaled approximately \$19,117,000. The Trust does not anticipate nonperformance by the financial institutions and assesses the risk of loss related to its cash deposits as negligible.

10. RECONCILIATION OF FORM 5500 TO FINANCIAL STATEMENTS

Contributions from participating firms and payments to insurance company, as presented in the Trust's financial statements, are reported in the Trust's Form 5500, Schedule H.

11. LONG-TERM LEASE

The Trust leases its office space under long-term leases through August 2033 with lease payments gradually increasing over the lease term. Until December 9, 2015, the Trust made all contractual payments. Beginning December 10, 2015, the Administrative Trust assumed responsibility for making all subsequent lease payments. While the Administrative Trust will make all future lease payments, the lease is an obligation of the Trust.

The following summarizes the weighted average remaining lease term and discount rate as of December 31:

	<u>2024</u>	<u>2023</u>
Weighted average remaining lease term		
Operating lease	8.7 years	9.7 years
Weighted average discount rate		
Operating lease	3.39%	3.39%

Thereafter	<u>439,685</u>
Total lease payments	979,006
Less: interest	<u>(136,136)</u>
Present value of lease liability	<u>\$ 842,870</u>

12. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Trust in full force and effect. The Trust may be terminated when, in the opinion of the Trustees, the Trust shall be inadequate to carry out the intent and purpose of the Trust agreement.

In the event of termination of the Trust, the Trustees shall distribute the remaining funds in a manner deemed appropriate by the Trustees.

13. SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 28, 2025, the date on which the financial statements were available to be issued.
