INDEPENDENT AUDITORS' REPORT

To the Plan Trustee, Plan Management and
Those Charged with Governance of
Yankee Spirits, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed the audit of the accompanying financial statements of Yankee Spirits, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Yankee Spirits, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified basis of accounting disclosed in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yankee Spirits, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Yankee Spirits, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Yankee Spirits, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Yankee Spirits, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2024 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

YANKEE SPIRITS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN:

The following description of the Yankee Spirits, Inc. 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only and is not intended to be a complete description of the benefits available to the participants in the Plan. Participants should refer to the Summary Plan Description or Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering all employees of Yankee Spirits, Inc. (the "Company") who are at least 18 years of age and have attained one year of service during which the employee completed at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration of the Plan

Yankee Spirits, Inc. (the "Company") is the plan sponsor and is responsible for the monitoring and administration of the Plan. The Rose Financial Group, LLC ("Rose"), the Plan's third-party administrator, is responsible for the general administration of the Plan. John Hancock Life Insurance Company ("John Hancock") serves as the asset custodian for the Plan.

Eligibility provisions

Employees are eligible to participate in the Plan at age 18 after having met 1 year of service with 1,000 hours of service and may enter the Plan on specified enrollment dates.

Contributions

Each year, participants may contribute up to the maximum allowable under the Internal Revenue Code, as defined in the Plan. For 2024, the maximum amount totaled \$23,000. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company's safe harbor matching contribution is equal to a discretionary percentage of the participants' contributions to be determined by the Company each plan year. For 2024 and 2023, the Company chose to match a sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation.

Rollover contributions from other qualifying plans, as determined by the Plan administrator, may be contributed to the Plan. Participants shall be 100% vested in the value of their rollover account at all times.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants' accounts

Each participant's account is credited with the participant's voluntary contributions, the Company's discretionary matching and discretionary profit-sharing contribution and plan earnings (losses) and reduced by any expenses, if applicable. Allocations are based on participant account balances, participant earnings, compensation or transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

YANKEE SPIRITS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN: (CONTINUED)

Notes receivable from participants

The provisions of the Plan allow participants to borrow a portion of their vested account balances. Borrowings may not exceed the lesser of \$50,000 or 50% of the vested account balance with a minimum loan of \$1,000. Loans shall bear a reasonable rate of interest commensurate with local prevailing rates, presently the prime rate plus 1%, must be repaid ratably within 5 years, or a longer reasonable period of time if used to acquire a principal residence and are secured by the balance in the participants' account. Interest rates charged to participant loans ranged from 4.25% to 9.00%. Principal and interest is paid ratably through payroll deductions so long as the participant is employed by the Company and thereafter by regular installment payments.

Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings.

Prior to January 1, 2021, graduated vesting in the Company's matching contribution is based on years of continuous service. A participant is 100% vested after six years of credited service. A participant is credited with a year of vesting service for each plan year in which they complete at least 1,000 hours of service.

Vesting Schedule

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Effective January 1, 2021, the Plan was amended and restated and a safe harbor matching contribution was implemented and thus all safe harbor matching contributions are 100% vested.

Payment of benefits

On termination of service, death, or permanent disability, a participant or their beneficiaries may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in the participant's account or payments over a specified time, as defined in the Plan. Distributions are subject to the applicable provisions of the Plan document. Hardship distributions are allowed if the participant satisfies certain conditions. Additionally, on attainment of the normal retirement age of 59½, a participant may elect to withdraw funds from the Plan.

Forfeited accounts

A forfeiture is a loss of all, or a portion of employer contributions and earnings thereon allocated to an account of a participant separating from service before becoming fully vested. Forfeitures of terminated participants' nonvested accounts will be used to reduce administrative expenses or allocated to the Company's discretionary matching contribution for each Plan year, if necessary, until such forfeitures have been exhausted. There were \$1,040 and \$2,152 of forfeitures added to the Plan for the years ended December 31, 2024 and 2023, respectively. There were no forfeitures used to reduce discretionary matching contributions for the year ended December 31, 2024. There were \$7,535 of forfeitures used to reduce discretionary matching contributions for the year ended December 31, 2023. Forfeited nonvested accounts totaled \$2,513 and \$1,473 at December 31, 2024 and 2023, respectively.

YANKEE SPIRITS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN: (CONTINUED)

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100% vested in their participant accounts.

SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments required by the Act generally need not to be made until the end of the first plan year beginning on or after January 1, 2026, however, plans must operate in accordance with effective date of each new provision.

There are several voluntary provisions of this Act that Plan management may elect to adopt. However, mandatory provisions of this Act that affect the Plan include:

- Effective January 1, 2025, the limit on catch up contributions for participants ages 60 to 63 is increased to the greater of \$10,000 or 50% more than the regular catch up amount, effective January 1, 2025.
- Effective January 1, 2026, catch up contributions for any participants over age 50 who earn over \$145,000 are now required to be made on a Roth basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). The modified cash basis of accounting differs from GAAP primarily because employee and employer contributions are recorded in the period received rather than when the obligation is incurred and revenue from investments and loans receivable is recorded when received instead of being recognized in the period earned.

Investment valuation and income recognition

Investment contracts held by a defined contribution plan are required to be reported at fair value. The Plan's investments are held by John Hancock Life Insurance Company ("John Hancock"), as custodian, and consist of balances invested in a John Hancock pooled funds account. The John Hancock pooled funds account is divided into sub-accounts which invest in shares of an underlying mutual fund. Fair value is the price that would be received to sell an asset or paid to transfer a liability between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian (see Note 4).

Purchases and sales of securities are recorded on a settlement date basis. Interest income is recorded when received. Dividends are recorded on the dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's realized gains and losses and the unrealized appreciation (depreciation) on those investments.

YANKEE SPIRITS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Investment valuation and income recognition (continued)

Earnings on investments, with the exception of participant loans, are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account.

Benefit payments

Benefit payments to participants are recorded when paid.

Plan expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid balance plus any accrued but unpaid interest. Since the participant's remaining vested investment balance is sufficient to cover the outstanding loan amount, there is no allowance for doubtful accounts at December 31, 2024 and 2023. Interest is calculated and included in the repayment terms of the loan when the loan is initiated and is recognized with the amortization of the loan as each payment is remitted. Loans are monitored for repayment under the original loan terms and defaulted when active participants cease payments past the allowed grace period. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. For terminated participants, once a distribution is requested, the outstanding loan balance will be netted against the remaining vested investment balance.

Excess contributions

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") or the Plan agreement are recorded as a liability with a corresponding reduction to contributions. The Plan distributes excess contributions to participants prior to March 15 of the following year.

Excess employer contributions may be utilized to reduce Company contributions in subsequent years. The Plan applies the excess to the Plan forfeiture account to reduce future employer contributions. There were no excess employer contributions as of December 31, 2024. The Plan's excess employer contributions were \$372 as of December 31, 2023.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

YANKEE SPIRITS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates. The Plan's significant estimate is the valuation of its investments.

3. INFORMATION CERTIFIED BY THE CUSTODIAN:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974. Accordingly, John Hancock, the custodian of the Plan, certified to the Plan administrator the fair value and physical custody of investments, participant loans and investment transactions to be complete and accurate as of December 31, 2024 and 2023, which are included in the Statements of Net Assets Available for Benefits, as well as investment income, net appreciation in the fair value of investments included in the Statements of Changes in Net Assets Available for Benefits and the information contained in Notes 4 and 5 concerning investments, and the information included in the Schedule of Assets (Held at End of Year).

4. FAIR VALUE MEASUREMENTS:

The Plan follows established guidelines for a fair value hierarchy that prioritizes the inputs used to measure fair value. An asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. The hierarchy prioritizes the inputs into three broad levels as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities. Market price is generally obtained from exchange or dealer markets.
- Level 2 Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Inputs are obtained from various sources including market participants, dealers and brokers.
- Level 3 Unobservable inputs that are supported by little or no market activity as they trade infrequently or not at all and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

YANKEE SPIRITS, INC. 401(k) PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

4. FAIR VALUE MEASUREMENTS: (CONTINUED)

Cash, interest bearing account: An account in which forfeitures and contributions that cannot be allocated to participants due to insufficient information are credited. Contributions credited to the cash account will earn interest at the rate John Hancock USA credits to the funds on deposit.

Pooled separate accounts: Valued daily based upon the quoted market prices of the underlying investments.

Common collective trust fund: Fair value for these investments is determined by the net asset value ("NAV") based on the quoted market price of the underlying funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Fair Value Measurements at December 31, 2024				
	Total Fair Value	Level 1	Level 2	Level 3
Investments at fair value:				
Pooled separate accounts	\$ 5,213,878	\$ 5,213,878	\$ -	\$ -
Investments measured at net asset value:				
Common collective trust fund	11,251			
Total investments	\$ 5,225,129			

Fair Value Measurements at December 31, 2023				
	Total Fair Value	Level 1	Level 2	Level 3
Investments at fair value:				
Pooled separate accounts	\$ 3,811,820	\$ 3,811,820	\$ -	\$ -
Investments measured at net asset value:				
Common collective trust fund	4,646			
Total investments	\$ 3,816,466

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

4. FAIR VALUE MEASUREMENTS: (CONTINUED)

Fair value of investments in entities that use NAV

The following table summarizes the Plan's investment in common collective trust funds measured at fair value based on NAV per share as of December 31:

	<u>2024</u>	<u>2023</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
John Hancock Stable Value (a)	\$ <u>11,251</u>	\$ <u>4,646</u>	N/A	Daily	None

(a) Indicates a common/collective trust fund that is designed to provide stability of principal while guaranteeing minimum rates of interest and may credit interest that exceeds the minimum guaranteed rate. These funds are available through annuity contracts issued by John Hancock Life Insurance Company.

5. INVESTMENT CONTRACT:

The Plan provides for an investment option an annuity contract with John Hancock Life Insurance Company. The John Hancock Stable Value Fund is a common collective trust and invests primarily in guaranteed investment contracts (GIC's) and security backed investment contracts. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fund is included in the financial statements at fair value and is based upon the NAV practical expedient of the contract. The fair value of the contract represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting rate was 2.50% and 2.25% for 2024 and 2023, respectively. Such interest rate is reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are likely to not occur.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

6. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS:

The Rose Financial Group, LLC is third-party administrator of the Plan. As such, fees by the Plan to The Rose Financial Group, LLC are party-in-interest transactions. Fees paid by the Plan for the years ended December 31, 2024 and 2023 totaled \$6,774 and \$4,775, respectively.

Certain Plan investments are held and managed by John Hancock. John Hancock is the custodian, as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. For the years ended December 31, 2024 and 2023, fees paid by the Plan to John Hancock for investment management services totaled \$24,470 and \$17,035, respectively.

Wilshire Associates, Inc. provides investment advisory services for Participants of the Plan. For the years ended December 31, 2024 and 2023, fees paid by the Plan to Wilshire Associates, Inc. for investment advisory services totaled \$967 and \$670, respectively.

Edward D. Jones & Co., L.P. provides investment advisory services for Participants of the Plan. For the years ended December 31, 2024 and 2023, fees paid by the Plan to Edward D. Jones & Co., L.P. for investment advisory services totaled \$16,500 and \$11,386, respectively.

Audit fees for the Plan were paid by the Plan Sponsor. For the years ended December 31, 2024 and 2023, audit fees paid by the Plan Sponsor on behalf of the Plan totaled \$19,500 each year.

Certain employees of the Company, who may also be participants in the Plan, perform administrative services at no cost to the Plan.

7. TAX STATUS:

The Plan's Internal Revenue Service determination letter, dated March 1, 1990, stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

During the year ended December 31, 2024, the Company failed to remit certain participant contributions to the Plan totaling \$6,148 within the time period prescribed by the Department of Labor Regulations. Delays in remitting contributions to the Plan were due to procedural errors. Any lost earnings due to delays were immaterial.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

7. TAX STATUS: (CONTINUED)

During the year ended December 31, 2024, Plan management discovered an operational failure whereby the Plan did not properly apply their employer matching contribution formula for two participants in which the Plan failed to contribute the full 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. Plan management believes the final outcome of the correction process will not have a material impact on the Plan's financial statements or the Plan's qualified tax status.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax period. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021, and that there are no uncertain tax positions.
