Independent Auditor's Report

To the Participants and Plan Administrator of
Kentucky Easter Seals Society, Inc. Retirement Savings Plan
Lexington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kentucky Easter Seals Society, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements sections:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator of
Kentucky Easter Seals Society, Inc. Retirement Savings Plan
Independent Auditor's Report, continued

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Participants and Plan Administrator of
Kentucky Easter Seals Society, Inc. Retirement Savings Plan
Independent Auditor's Report, continued

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - *Supplemental Schedule Required by ERISA*

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

To the Participants and Plan Administrator of
Kentucky Easter Seals Society, Inc. Retirement Savings Plan
Independent Auditor's Report, continued

Other Matter - Supplemental Schedule Required by ERISA, continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KENTUCKY EASTER SEALS SOCIETY, INC. RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

1. Description of Plan

The following brief description of the Kentucky Easter Seal Society, Inc. (the Society) Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the *Plan Agreement* for a complete description of the Plan's provisions.

General

The Plan was established effective January 1, 1998 and was restated effective January 1, 2016.

Effective January 1, 2022, the Plan adopted a plan document through Pension Corporation of America due to the change in recordkeeper services.

Eligibility

The Plan covers substantially all employees of the Society. The Plan allows employees to contribute deferrals immediately after hire once they attained the age of 21. The Plan excludes members of collective bargaining groups.

An employee is eligible to receive the Society's contributions once the employee attains age 21 and works 1,000 hours in the employee's first employment year or any subsequent Plan year. Entry dates for the Society's contributions are January 1st or July 1st coincident with or next following satisfaction of the eligibility requirements.

Contributions

A participant may contribute to the Plan, through salary deduction, an amount up to 100% of the participant's compensation less all applicable withholdings up to the annual *Internal Revenue Code* (IRC) dollar limits. The Society may make a discretionary matching contribution equal to a uniform percentage or dollar amount of a participant's elective deferrals. Each year, the Society will determine the formula for the discretionary matching contribution. The Society made a discretionary contribution matching 100% of the first 4% of employee contributions during 2024.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Society's matching contribution, an allocation of the Society's discretionary contribution, if any, and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions and Qualified Non-Elective contributions, plus actual earnings thereon. Participants are vested in the Plan Sponsor's matching contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one	0%
One but less than two	25%
Two but less than three	50%
Three but less than four	75%
Four or more	100%

Participants are 0% vested in the Plan Sponsor's non-elective contributions with less than three years of service and 100% vested with three or more years of service.

Years of service include periods prior to adoption of the Plan.

Payment of Benefits

In the case of normal retirement, late retirement, death or permanent disability, the participant is entitled to the full value of his or her account balance. Upon termination of employment for any other reason, a participant is entitled to the vested portion of the balance of his or her individual account. Participants age 62 or older who have account balances greater than \$5,000 may elect to be paid in lump sum or in quarterly installments. Upon termination of service, participants with a vested account balance less than \$5,000 have the option to receive their benefits in a lump-sum distribution or to rollover their account balance to an IRA account. Hardship withdrawals are permitted by the Plan.

Forfeited Accounts

For the years ended December 31, 2024 and 2023, forfeited nonvested accounts totaled \$19,435 and \$1,078, respectively. Forfeited nonvested accounts are allocated to participants annually based on annual compensation.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

2. Summary of Significant Accounting Policies, continued

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments, other than insurance contracts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation include the Plan's gains or losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement for insurance contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Contributions

Contributions from Plan participants and the Plan Sponsor's matching contributions are recorded in the year in the employee contributions are withheld from compensation.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

Payment of Benefits

Benefits are recorded when paid.

Investment and Administrative Expenses

The Plan permits payment of expenses using Plan assets. All costs not paid by the Plan are absorbed by the Society.

Risks and Uncertainties

The Plan provides for various investment options. Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through July 30, 2025, the date that the financial statements were available to be issued.

3. Information Certified or Provided by Trustee

The Plan's investment information included in this note and throughout the Plan's financial statements and supplemental schedule were prepared by or derived from information provided by Charles Schwab Trust Company (Schwab), the Trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that investment information provided to the Plan Administrator by the Trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information in this note and which appears throughout the financial statements and the supplemental schedule.

The following table presents the cash and cash equivalents and investments in the Plan that were certified by Schwab:

	<u>2024</u>	<u>2023</u>
Cash and cash equivalents	\$ <u>1,125</u>	\$ <u>522</u>
Mutual funds	\$ <u>16,601,877</u>	\$ 15,239,716
Guaranteed investment contract	<u>1,265,756</u>	<u>1,254,720</u>
Total investments	\$ <u>17,867,633</u>	\$ <u>16,494,436</u>

Schwab also certified the completeness and accuracy of \$1,978,857 of net realized and unrealized appreciation in the fair value of the mutual funds and guaranteed investment contracts and \$355,782 of interest and dividends and capital gain distributions related to the investments for the year ended 2024.

4. Investment Contract with Insurance Company

The Plan has a benefit responsive investment contract with MetLife, Inc. (MetLife). MetLife maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value, as reported to the Plan by MetLife. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Notes to the Financial Statements, continued

4. Investment Contract with Insurance Company, continued

The crediting interest rates as of December 31, 2024 and 2023 were 2.93% and 3.19%, respectively. The average yield in the years ended December 31, 2024 and 2023 were 0.88% and 5.27%, respectively.

5. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Fair Value Measurements, continued

The following table sets forth by levels, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
<u>2024</u>				
Mutual funds	\$ <u>16,601,877</u>	\$ -	\$ -	\$ <u>16,601,877</u>
Total investments	\$ <u>16,601,877</u>	\$ -	\$ -	\$ <u>16,601,877</u>
<u>2023</u>				
Mutual funds	\$ <u>15,239,716</u>	\$ -	\$ -	\$ <u>15,239,716</u>
Total investments	\$ <u>15,239,716</u>	\$ -	\$ -	\$ <u>15,239,716</u>

6. Party-in-Interest Transactions

For the year ended December 31, 2024, administrative fees paid to Charles Schwab amounted to \$69,950.

Certain administrative services are provided by the Society at no cost to the Plan.

7. Income Tax Status

The Plan obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Plan is designed in accordance with applicable sections of the IRC.

8. Plan Termination

Although it has not expressed any intention to do so, the Society has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants become 100% vested in all accounts.
