Equitable pays base compensation to its producers which is payable as a percentage of annual premium on a graded or flat schedule. Equitable also pays supplemental compensation to its producers who meet certain pre-defined annual sales thresholds or number of lines of coverage.

Equitable pays additional compensation, which could include, but is not limited to, overrides, administration fees, marketing fees, and non-cash compensation in the form of gifts, meals, entertainment and meetings.

The payment of any supplemental or additional compensation or fees as to any particular sale does not impact the cost of the product(s) purchased because the cost of such compensation is considered part of the general overhead expenses for all of Equitable's Employee Benefits products. While Equitable has associated such supplemental or additional compensation with your policy for reporting purposes, the expenses associated with such compensation are not allocated on the same basis in setting premium rates for your policy.

Equitable is the brand name of Equitable Holdings, Inc. and its family of companies, including Equitable Financial Life Insurance Company (Equitable Financial) (NY, NY), Equitable Financial Life Insurance Company of America (AZ stock corp., admin. office: Jersey City, NJ), and Equitable Distributors, LLC.
