## INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Participants  
Legend Automotive Incorporated 401(k) Profit Sharing Plan & Trust  
London, Kentucky

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements***

We have performed audits of the financial statements of Legend Automotive Incorporated 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplementary Schedule Required by ERISA***

The supplementary schedule of assets held at end of year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### NOTE 1 – DESCRIPTION OF PLAN

The following description of Legend Automotive Incorporated 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

Effective January 1, 2019, Legend Automotive Incorporated (the Company) established the Legend Automotive Incorporated 401(k) Profit Sharing Plan & Trust.

The Plan is a defined contribution plan covering all full-time employees of the Company who have six months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### Contributions

Each year, participants may contribute up to a dollar amount set by law of pretax annual compensation, as defined in the Plan. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the participant's contributions. Contributions are subject to certain limitations.

#### Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, allocations of the Company's contribution, if applicable, plan earnings, and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is based on continuous years of service as follows:

Years of Service	Percent Vested
Less than 2	0%
2	20
3	40
4	60
5	80
6 or more	100

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### **Vesting (Continued)**

Upon death or disability, the participant (or his/her beneficiary in case of his/her death) becomes 100% vested in the Plan. Upon reaching normal retirement age or after six years in the Plan, the participant becomes 100% vested in the Plan.

#### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have two loans outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a rate set by the plan administrator. Any loan must be repaid within five years unless otherwise approved. Principal and interest are paid ratably through deductions from each payroll.

#### **Investment Options**

Upon enrollment in the Plan, a participant may direct employee contributions in 1% increments in any of the available investment options. The Plan's investment options are managed by Mid Atlantic Trust Company (MATC), the investment custodian of the Plan.

#### **Administrative Expenses**

The plan sponsor pays some of the expenses related to the operation of the Plan. Those expenses are excluded from these financial statements.

#### **Payment of Benefits**

The benefit to which a participant is entitled equals the value of the participant's vested interest in his or her account. Upon termination of service including death, disability, or retirement, a participant may elect to receive a lump-sum payment equal to the vested portion of his or her account. Upon termination of employment, vested account balances of less than \$5,000 will be distributed to participants as a lump sum distribution.

#### **Forfeited Accounts**

As of December 31, 2024 and 2023, respectively, there were no forfeited, nonvested accounts. Forfeitures may be used to reduce employer contributions or pay plan expenses. No forfeitures were used to pay plan expenses during the year ended December 31, 2024.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared using the accrual method of accounting based on accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

#### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year.

The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual method. Dividends are recorded on the ex-dividend date.

#### **Notes Receivable from Participants**

Notes receivable from participants are recorded at amortized cost, plus accrued but unpaid interest.

#### **Payment of Benefits**

Benefits are recorded when paid.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

### NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as to complete and accurate by the custodian as of December 31:

	2024	2023
Investments, at fair value	\$ 1,286,683	\$ 1,044,639
Investment income:		
Net appreciation in fair value of investments	58,682	
Interest and dividends	66,184	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

**Level 1** consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.

**Level 2** consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.

**Level 3** consists of significant unobservable inputs for the asset or liability and has the lowest priority.

(Continued)

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

### NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methods and assumptions used by the Plan to estimate the fair value of its investments:

**Mutual funds:** The fair value of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

**Collective investment trust funds:** Valued at the net asset value (NAV) of units held by the Plan at year-end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

#### Fair Value Measurements Using:

	Fair Value	Level 1	Level 2
<b>December 31, 2024</b>			
Mutual funds	\$ 1,067,225	\$ 1,067,225	\$ -
Collective investment trust funds	219,458	-	219,458
Total	<u>\$ 1,286,683</u>	<u>\$ 1,067,225</u>	<u>\$ 219,458</u>
<b>December 31, 2023</b>			
Mutual funds	\$ 818,533	\$ 818,533	\$ -
Collective investment trust funds	226,106	-	226,106
Total	<u>\$ 1,044,639</u>	<u>\$ 818,533</u>	<u>\$ 226,106</u>

### NOTE 5 – PARTY-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by the investment custodian. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative and investment management services amounted to \$4,608 for the year ended December 31, 2024. Additional fees paid to the custodian are netted against investment returns.

### NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan obtained its latest determination letter on August 31, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

---

**NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS (Continued)**

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. Based on its evaluation, the Plan has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Plan's evaluation was performed for the tax years ended December 31, 2021, through December 31, 2024, for U.S. Federal Income Tax. These are the years which remain subject to examination by major tax jurisdictions as of the year ended December 31, 2024.

**NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS**

As of December 31, 2024, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$87,292. Of those balances, none had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end.

**NOTE 8 – SUBSEQUENT EVENTS**

The plan administrator evaluated events and transactions subsequent to December 31, 2024, through the July 31, 2025, (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.

## INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Participants  
Legend Automotive Incorporated 401(k) Profit Sharing Plan & Trust  
London, Kentucky

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements***

We have performed audits of the financial statements of Legend Automotive Incorporated 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplementary Schedule Required by ERISA***

The supplementary schedule of assets held at end of year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### NOTE 1 – DESCRIPTION OF PLAN

The following description of Legend Automotive Incorporated 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

Effective January 1, 2019, Legend Automotive Incorporated (the Company) established the Legend Automotive Incorporated 401(k) Profit Sharing Plan & Trust.

The Plan is a defined contribution plan covering all full-time employees of the Company who have six months of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### Contributions

Each year, participants may contribute up to a dollar amount set by law of pretax annual compensation, as defined in the Plan. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the participant's contributions. Contributions are subject to certain limitations.

#### Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, allocations of the Company's contribution, if applicable, plan earnings, and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is based on continuous years of service as follows:

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### **Vesting (Continued)**

Upon death or disability, the participant (or his/her beneficiary in case of his/her death) becomes 100% vested in the Plan. Upon reaching normal retirement age or after six years in the Plan, the participant becomes 100% vested in the Plan.

#### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have two loans outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a rate set by the plan administrator. Any loan must be repaid within five years unless otherwise approved. Principal and interest are paid ratably through deductions from each payroll.

#### **Investment Options**

Upon enrollment in the Plan, a participant may direct employee contributions in 1% increments in any of the available investment options. The Plan's investment options are managed by Mid Atlantic Trust Company (MATC), the investment custodian of the Plan.

#### **Administrative Expenses**

The plan sponsor pays some of the expenses related to the operation of the Plan. Those expenses are excluded from these financial statements.

#### **Payment of Benefits**

The benefit to which a participant is entitled equals the value of the participant's vested interest in his or her account. Upon termination of service including death, disability, or retirement, a participant may elect to receive a lump-sum payment equal to the vested portion of his or her account. Upon termination of employment, vested account balances of less than \$5,000 will be distributed to participants as a lump sum distribution.

#### **Forfeited Accounts**

As of December 31, 2024 and 2023, respectively, there were no forfeited, nonvested accounts. Forfeitures may be used to reduce employer contributions or pay plan expenses. No forfeitures were used to pay plan expenses during the year ended December 31, 2024.

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared using the accrual method of accounting based on accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

#### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year.

The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual method. Dividends are recorded on the ex-dividend date.

#### **Notes Receivable from Participants**

Notes receivable from participants are recorded at amortized cost, plus accrued but unpaid interest.

#### **Payment of Benefits**

Benefits are recorded when paid.

## NOTES TO FINANCIAL STATEMENTS

### NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as to complete and accurate by the custodian as of December 31:

	2024	2023
Investments, at fair value	\$ 1,286,683	\$ 1,044,639
Investment income:		
Net appreciation in fair value of investments	58,682	
Interest and dividends	66,184	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

**Level 1** consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.

**Level 2** consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.

**Level 3** consists of significant unobservable inputs for the asset or liability and has the lowest priority.

### NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methods and assumptions used by the Plan to estimate the fair value of its investments:

**Mutual funds:** The fair value of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

**Collective investment trust funds:** Valued at the net asset value (NAV) of units held by the Plan at year-end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

#### Fair Value Measurements Using:

	Fair Value	Level 1	Level 2
<b>December 31, 2024</b>			
Mutual funds	\$ 1,067,225	\$ 1,067,225	\$ -
Collective investment trust funds	219,458	-	219,458
Total	<u>\$ 1,286,683</u>	<u>\$ 1,067,225</u>	<u>\$ 219,458</u>
<b>December 31, 2023</b>			
Mutual funds	\$ 818,533	\$ 818,533	\$ -
Collective investment trust funds	226,106	-	226,106
Total	<u>\$ 1,044,639</u>	<u>\$ 818,533</u>	<u>\$ 226,106</u>

### NOTE 5 – PARTY-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by the investment custodian. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative and investment management services amounted to \$4,608 for the year ended December 31, 2024. Additional fees paid to the custodian are netted against investment returns.

### NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan obtained its latest determination letter on August 31, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

**NOTE 6 – TAX STATUS AND UNCERTAIN TAX POSITIONS (Continued)**

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. Based on its evaluation, the Plan has concluded that there are no significant uncertain tax positions requiring recognition in its financial statements. The Plan's evaluation was performed for the tax years ended December 31, 2021, through December 31, 2024, for U.S. Federal Income Tax. These are the years which remain subject to examination by major tax jurisdictions as of the year ended December 31, 2024.

**NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS**

As of December 31, 2024, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$87,292. Of those balances, none had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end.

**NOTE 8 – SUBSEQUENT EVENTS**

The plan administrator evaluated events and transactions subsequent to December 31, 2024, through the July 31, 2025, (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.
