## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
StoneX Group Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of StoneX Group Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## STONEX GROUP INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### ( 1 ) Description of plan

The following description of the StoneX Group Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

**General** - The Plan is a defined contribution plan sponsored by StoneX Group Inc. (the "Company") available to all full-time employees of the Company who have attained age twenty-one excluding employees covered by a collective bargaining agreement, leased employees, temporary employees and contractors. Effective January 1, 2024, the Plan was amended to change the age requirement for participation to 18. Participating employers of the Plan are StoneX Group Inc., INTL FCStone Securities Inc., INTL FCStone Financial Inc., INTL Commodities, Inc., FCStone Group Inc., FCStone, LLC, FCStone Merchant Services, LLC, INTL FCStone Markets, LLC, INTL Hencorp Futures, LLC, Risk Management Inc., RMI Consulting Inc., INTL FCStone Partners L.P., G.X. Clarke & Co., Sterne, Agee & Leach, Inc., Sterne, Agee Asset Management, Inc., Sterne, Agee Clearing, Inc., Sterne, Agee Financial Services, Inc., Sterne, Agee Investment Advisor Services, Inc., PayCommerce Financial Solutions, LLC, effective July 31, 2020 GAIN Capital Group, LLC, Global Asset Advisors, LLC, and GAIN GTX, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by the Company's Investment Committee ("Committee"), which is a committee of the members of management of the Company. The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

**Plan amendments** - Effective January 1, 2024, the Plan was amended to change the following provisions:

- The Company changed the employer matching contribution formula to 100% of the first 3% of compensation plus 50% of the next 4% of compensation.
- The age requirement to participate in the Plan was changed to 18 years of age.
- Participants are 100% vested in all employer contributions upon entering the Plan.
- In-service distributions from all accounts for participants age 59.5 are allowed.
- In-plan Roth rollover contributions are allowed from accounts which are fully vested except for loan accounts.
- The number of loans outstanding per participant was decreased to one.

**Contributions** - Participants may contribute up to 80% of annual compensation as pre-tax or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan has an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation. Contribution percentages will automatically escalate by 1% per year, up to a maximum of 8%. Participants can opt out of the enrollment at any time.

**STONEX GROUP INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**( 1 ) Description of plan (continued)**

**Contributions (continued)** - The Company contributes 62.5% of the first 8% of base compensation that a participant contributes to the Plan. Effective January 1, 2024, the company changed the employer matching contribution formula to 100% of the first 3% of compensation plus 50% of the next 4% of compensation. Additional amounts may be contributed at the option of the Company. Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

**Participant investment account options** - The Plan currently offers various mutual funds and a common collective trust as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment option at any time.

As of December 31, 2024 and 2023, the Plan held 2,660 shares and 4,730 shares, respectively, of Company common stock that was remitted to the Plan in previous years by the Company. Only participant directed employer matching contributions could be invested in the Company common stock. Participants are no longer allowed to direct employer matching contributions into this investment.

**Participant accounts** - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon.

All active participants in the Plan who work at least one hour of service on or after January 1, 2014 are subject to the following vesting schedule for both employer matching contributions and profit sharing contributions:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2 years	0%
2	33%
3	66%
4	100%

Effective January 1, 2024, participants are 100% vested in all employer contributions upon entering the Plan.

**Notes receivable from participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

## STONEX GROUP INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### ( 1 ) Description of plan (continued)

**Payment of benefits** - On termination of service, a participant may elect to receive either a lump sum payment equal to the value of his or her vested account, or installment payments over various periods as elected by the participant. Upon termination, if the participant's vested balance is \$5,000 or less, and the participant does not elect to receive the distribution or roll it over to an eligible retirement plan, the plan administrator will automatically distribute the participant's account balance in the following manner:

- If the sum of the participant's non-Roth account balance is greater than \$1,000 and less than or equal to \$5,000, this account will automatically rollover to a Merrill Lynch Individual Retirement Rollover Account ("IRRA").
- If the sum of the participant's non-Roth account balance is \$1,000 or less, the total non-Roth account balance will be distributed to the participant.
- If the sum of the participant's Roth account balance is greater than \$1,000 and less than or equal to \$5,000, this account will automatically rollover to a Merrill Lynch Roth Rollover Account ("RRA").
- If the sum of the participant's Roth account balance is \$1,000 or less, the total Roth account balance will be distributed to the participant.

**Forfeited accounts** - At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,784,489 and \$1,738,838, respectively. These accounts may be used to reduce future employer contributions or pay Plan expenses. For the years ended December 31, 2024 and 2023, employer contributions were reduced by \$1,270,087 and \$963, respectively, from forfeited nonvested accounts. For the years ended December 31, 2024 and 2023, \$143,852 and \$49,824 were used to pay plan expenses, respectively.

#### ( 2 ) Summary of significant accounting policies

**Basis of accounting** - The accompanying financial statements are prepared on the accrual method of accounting.

**Use of estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Investment valuation and income recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment trustees. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

## STONEX GROUP INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### ( 2 ) Summary of significant accounting policies (continued)

**Contributions** - Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

**Notes receivable from participants** - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Administrative expenses** - Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### ( 3 ) Information prepared and certified by the trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A., the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value
- Non-interest bearing cash
- Notes receivable from participants
- Accrued income
- Net appreciation in fair value of investments
- Dividends
- Other income
- Fee rebates
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

#### ( 4 ) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described below:

## STONEX GROUP INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### ( 4 ) Fair value measurements (continued)

- Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2            Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Company common stock:* Valued at the closing price reported on the active market on which the individual securities are traded.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable value common collective trust:* A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

*Interest bearing cash:* Valued at amortized cost.

## STONEX GROUP INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### ( 5 ) Related party transactions and party-in-interest transactions

Certain Plan investments include the Merrill Lynch Bank Deposit Program managed by Bank of America, N.A., who is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

Merrill Lynch, Pierce, Fenner & Smith, the recordkeeper of the Plan, is a wholly-owned subsidiary of Bank of America, N.A. As described in Note 2, the Plan made direct payments to the recordkeeper of \$30,501 and \$27,129 for the years ended December 31, 2024 and 2023, respectively, which was not covered by revenue sharing.

A portion of the Plan's assets are invested in the Company's common stock. Because the Company is the Plan Sponsor, transactions involving the Company's common stock qualify as related party transactions.

#### ( 6 ) Delinquent participant contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. Contributions of \$37,446, \$1,703, \$50,423 and \$3,098,292 were not remitted within the required time period for the years ended December 31, 2023, 2022, 2021 and 2020, respectively. The Company has remitted all of the delinquent employee contributions for the years ended December 31, 2023, 2022, 2021 and 2020. The lost earnings for the 2023 delinquent employee contributions were corrected in September 2024 and June 2025. The lost earnings for the 2022 delinquent employee contributions were corrected in May 2024. The lost earnings for the 2021 delinquent employee contributions were corrected in February 2024. The lost earnings for the 2020 delinquent employee contributions were corrected in April 2024.

#### ( 7 ) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

#### ( 8 ) Tax status

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although, the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified.

## STONEX GROUP INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

( 8 ) **Tax status (continued)**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

( 9 ) **Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic, tariffs, or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

( 10 ) **Subsequent events**

The Plan has evaluated subsequent events through July 30, 2025, which is the date the financial statements were available to be issued and noted the following items for disclosure:

Effective January 1, 2025, the Plan was amended to change the following provisions:

- Participants may make After-tax voluntary employee contributions.
- Increased the automatic enrollment percentage from 2% to 4% of compensation.

Effective April 1, 2025, the plan was amended to update the plan entry date to the date on which the participant meets the eligibility requirements.

As described in Note 6, the remaining lost earnings for the 2023 delinquent participant contributions were corrected in June 2025.
