SEATTLE POLICE OFFICERS GUILD BENEFIT TRUST

FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Seattle Police Officers Guild
Benefit Trust
P.O. Box 80666
Seattle, Washington 98108

Opinion

We have audited the accompanying financial statements of Seattle Police Officers Guild Benefit Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and plan benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audits evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including

Plan Administrator
Seattle Police Officers Guild
Benefit Trust

maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Seattle Police Officers Guild Benefit Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan provides long term disability, legal service, life insurance and retiree medical expense reimbursements as benefits to eligible members of the Seattle Police Officers Guild (SPOG), and the Seattle Police Management Association (SPMA). The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the Code).

B. Administration

Plan assets are maintained for the benefit of eligible members in the Plan. The Board of Trustees of the Plan (the Board) administers the Plan. The Board engaged SPOG to provide administrative services to the Plan pursuant to a written contract between SPOG and the Trust. The Board designated a professional investment manager to manage Plan investments subject to the Trust's investment policy.

C. Eligibility and Contributions for Disability Benefits

Seattle Police Officers participate in the Plan pursuant to collective bargaining agreements with the city of Seattle (the City). The Plan covers all city of Seattle police officers who hold the rank of Captain or below, who are subject to the Law Enforcement Officer and Firefighters Plan 2 (LEOFF2) Retirement System, including members of the SPOG and SPMA. The city of Seattle provides long term disability insurance benefits to eligible members through the Plan pursuant to a Memorandum of Understanding between the city of Seattle and SPOG dated February 3, 1999.

Disability benefits are currently provided under an insurance contract the Board negotiated with Standard Insurance Company (Standard). Standard sets contribution rates subject to Board approval. The applicable premium rate for the 2024 Plan year is 0.96% of the first \$11,667 of each participants' base pay. The city of Seattle transmits amounts withheld from members' pay monthly, and the plan administrator remits premium payments to Standard.

D. Long Term Disability Benefits

Long term disability benefits are fully insured under a group long term disability insurance contract, effective March 1, 1999, with Standard. Benefits administration is provided by Standard pursuant to terms of the policy. All disability benefits under the Plan are obligations of Standard.

E. Legal Services Benefits

In April 2015, the Board approved payment from the Trust of member contributions to the Police Officers Relief Association of California (PORAC) Legal Defense Fund for legal services benefits. PORAC is a trust established under provisions of the Employee Retirement Income Security Act of 1974 (ERISA) to provide legal service benefits for public safety personnel.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Life Insurance Benefits

Effective July 2019, life insurance benefits were added to the Plan and are fully insured under an insurance contract with Standard. Benefits administration is provided by Standard pursuant to terms of the policy.

G. Retiree Medical Benefits

Effective April 2020, the Plan entered into a Joinder Agreement with the Medical Expense Reimbursement Plan of the PORAC Retiree Medical Trust (the "PORAC Plan") whereby all active LEOFF2 officers represented by SPOG and SPMA who have not retired or separated service with the City of Seattle as of April 1, 2020 become participating employees of the PORAC Plan. The PORAC Plan is an ERISA employee welfare plan and exempt under 501(c)(9) of the Code and provides medical expense reimbursement benefits to eligible retirees.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

C. Cash and Cash Equivalents

Cash balances are automatically deposited or swept into interest bearing Federal Deposit Insurance Corporation (FDIC) insured bank deposit accounts. Cash balances may at times exceed federally insured limits. The Plan administrator mitigates this risk by placing its cash with a financial institution that the Board believes is credit worthy.

D. Premium Surplus

The group long term disability insurance contract is experience rated. The difference between premiums and the total of claims paid and fees charged for benefits administration are determined periodically by Standard in accordance with the Experience Rating Refund Agreement between Standard and SPOG and may result in a premium surplus or deficit. Trust assets are principally attributable to experience rating adjustments which have historically resulted in rebates of surplus premiums to the Plan. The Plan noted no premium rebate receivable at December 31, 2024 or 2023.

E. Premium Stabilization Reserve

A claims reserve equal to 50% of annual premiums is maintained by Standard under the group long term disability contract. Amounts held in reserve are maintained in Standard's general account. Standard may draw additional premiums from the account during periods when claims

incurred plus administrative expenses exceed premiums paid. The Board may withdraw amounts on deposit in excess of 50% of the annual premium by mutual agreement with Standard subject to terms of the LTD Claims Fluctuation Reserve Agreement entered into by Standard, SPOG and another city of Seattle labor organization. Following payment of premium deficits, benefits administration and related costs incurred by Standard under the contract, the Plan is entitled to a refund of its reserve balance at termination of the contract. The reserve account balance at December 31, 2024 and 2023 was \$163,448 and \$2,781,070, respectively.

F. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Mutual fund and exchange traded fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

G. Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with Plan investments, it is at least reasonably possible that changes in securities markets, interest rates, or other factors in the near term would materially affect amounts reported in the financial statements.

NOTE 3 - ADMINISTRATIVE EXPENSES

Trust expenses were as follows for the year ended December 31, 2024:

Administration and Trustee Services	\$ 139,080
Training	63,648
Accounting Fees	39,883
Audit Fees	18,700
Legal Fees	48,161
Liability Insurance	11,581
Other	5,506
	<u>\$ 326,559</u>

Costs of Plan administration are determined pursuant to an April 1, 2015 Administrative Services Contract between the Plan and SPOG. The Plan reimburses SPOG for facilities and administrative services provided by SPOG personnel. Effective July 2022, the monthly administration fee paid to SPOG increased from \$7,150 per month to \$7,865 per month.

Effective March 2023, the Plan compensates SPOG for one of its retired members to serve as chairman of the Board. A monthly fee of \$3,100 is paid by the Plan to SPOG.

NOTE 4 - INCOME TAX STATUS

The Trust received an exemption letter dated October 28, 2014 stating that the Trust is exempt effective June 1, 2012 under Section 501(c)(9) of the Code. The Board believes the Plan is operated in accordance with and qualifies under applicable requirements of the Code and the Trust, which forms a part of the Plan, is exempt from federal income taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RELATED PARTY TRANSACTIONS

Morgan Stanley Smith Barney is custodian of Trust investments and provides investment advisory services to the Plan for which it receives compensation. Payments for Plan administrative costs and trustee services to SPOG as described in Note 3 are related-party transactions. The Plan reimburses the City for Trustees attending employee benefit plan related training during work hours. The reimbursements to the City are reported as part of Training expenses in Note 3. Such transactions are permitted under the provisions of the Plan.

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. Mutual funds and exchange traded funds are Level 1 securities valued at closing market prices of shares held by the Plan at year end. The following table summarizes Plan investments at December 31 based on inputs used to value them:

	Level 1	
	2024	2023
Mutual Funds	\$ 3,697,537	\$ 4,752,204
Exchange Traded Funds	1,718,959	1,779,852
	\$ 5,416,496	\$ 6,532,056

NOTE 7 - SUBSEQUENT EVENTS

Effective January 1, 2025, the Trust will move to be a taxable entity.

Management has evaluated subsequent events through June 6, 2025, the date on which the financial statements were available to be issued. Other than noted above, there were no subsequent events that required recognition or additional disclosures in these financial statements.
