## Independent Auditor's Report

Participants and Profit Sharing Committee  
The HAVI Group Limited Partnership  
Profit Sharing and Savings Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of The HAVI Group Limited Partnership Profit Sharing and Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The HAVI Group Limited Partnership Profit Sharing and Savings Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the Financial Statements” section of our report. We are required to be independent of The HAVI Group Limited Partnership Profit Sharing and Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The HAVI Group Limited Partnership Profit Sharing and Savings Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the Financial Statements***

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The HAVI Group Limited Partnership Profit Sharing and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The HAVI Group Limited Partnership Profit Sharing and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Participants and Profit Sharing Committee  
The HAVI Group Limited Partnership  
Profit Sharing and Savings Plan

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**The HAVI Group Limited Partnership  
Profit Sharing and Savings Plan  
Notes to Financial Statements  
December 31, 2024 and 2023**

---

**Note 1. Description of Plan**

The following description of The HAVI Group Limited Partnership Profit Sharing and Savings Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan is subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation.

***General***

The Plan is a defined contribution and profit sharing savings plan covering most employees of The HAVI Group Inc.; HAVI Global Solutions LLC; The Marketing Store Worldwide US LP; and Pacific Market International LLC (collectively, the Company). The Plan was established effective June 1, 1974, and amended and restated as of March 1, 2023. The primary purpose of the Plan is to provide retirement benefits for eligible employees of the Company.

***Administration***

The Plan is administered by a committee appointed by the General Partner of the Company. Principal Trust Company is the current trustee, custodian and record keeper.

***Contributions***

Beginning in 2023, participants in the Plan may contribute 100% of their eligible compensation in accordance with Section 401(k) of the Internal Revenue Code. Prior to 2023, participants in the Plan could contribute from 1% to 75% of their eligible compensation in accordance with Section 401(k) of the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Employee rollover contributions are also permitted.

The Company matches 100% of each participant's contribution up to a maximum of 3% of his or her eligible annual compensation plus 50% of the elective deferral contributions that are over 3% but not over 5% of compensation. The Company's matching contribution is subject to change by the General Partner upon written notice to employees.

The Company may also make discretionary profit-sharing contributions to the Plan as determined by the General Partner. For the years ended December 31, 2024 and 2023, the discretionary profit-sharing contributions were \$5,092,953 and \$4,687,369, respectively.

**Notes to Financial Statements**

***Participation and Vesting***

Employees become participants in the Plan on the first day of employment and immediately vest in their contributions and employer-matching contributions, as well as earnings thereon. Vesting in the discretionary profit-sharing contribution is based on completed years of continuous service as follows:

<b>Years of Service</b>	<b>Vesting Percentage</b>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Should participants terminate employment with the Company by reason of death, normal retirement or total and permanent disability, they immediately become fully vested in the remainder of their accounts.

***Benefit Payments***

Upon death, retirement, disability or other termination of employment, benefits are payable to the participant in a lump sum equal to the value of the participant's vested account balance.

Participants may for reason of hardship (as defined by the Plan) withdraw all or a portion of their individual contributions.

***Notes Receivable From Participants***

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance collateralized by their account balance as set forth in the plan document. The maximum repayment period is five years and interest rates are based on the Prime interest rate in effect when the loan is approved (7.5% at December 31, 2024). Interest and repayment terms are determined under the provisions of the plan document.

***Participant Accounts***

Each participant's account is credited with the participant's contribution and the Company's matching contributions. Investment income of the Plan is allocated to the account balances of participants in proportion to their respective shares of each investment fund. Administrative expenses are allocated among participants at a fixed rate per month, net of forfeitures, and allocated thereafter in proportion to account balances on the day the monthly allocation is made.

Discretionary profit-sharing contributions are allocated among those participants employed on the last day of the plan year who have completed 1,000 hours of service in the plan year. Allocations are made on the basis of the participant's compensation as compared with the total compensation of all eligible participants.

***Forfeitures***

Unvested account balances of terminated participants can be used to offset administrative expenses or employer contributions. Forfeitures used to offset the 2024 and 2023 administrative expense amounts were \$137,193 and \$149,846, respectively. At December 31, 2024 and 2023, forfeitures available for future use were \$603,331 and \$255,588, respectively.

**The HAVI Group Limited Partnership**

**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

***Termination***

The Company anticipates that the Plan will continue without interruption but reserves the right to amend or discontinue the Plan at any time, subject to the provisions of ERISA. Should the Plan be terminated or partially terminated by the Company, participant account balances as of the date of such termination will become fully vested and will be distributed in accordance with the provisions of the Plan.

***Risks and Uncertainties***

The Plan provides for investments that, in general, are exposed to various risks such as interest rates, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**Note 2. Summary of Significant Accounting Policies**

***Basis of Reporting***

The financial statements of the Plan are reported on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***Use of Estimates***

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the reporting periods and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. The Plan's investments in shares of registered investment companies are valued at quoted market prices of shares held by the Plan at year end.

The common or collective trust funds are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. There are no participant redemption restrictions for these investments and participant redemptions are allowed daily. A redemption notice period is applicable only at the plan level. There are no unfunded commitments at December 31, 2024 and 2023.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Benefit Payments***

Plan benefit payments are recorded when paid.

***Administrative Expenses and Revenue Sharing***

Generally, expenses incurred in the administration of the Plan have been paid from plan assets. During 2024, administrative expenses of the Plan totaled \$246,061, net of revenue credits of \$14,343. During 2023,

**The HAVI Group Limited Partnership**  
**Profit Sharing and Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

administrative expenses of the Plan totaled \$219,058, net of revenue credits of \$17,392. Certain participants of the Plan are employees of the Company and provide administrative and trustee services to the Plan, and the Company is not reimbursed by the Plan for such services. Additionally, certain investment management fees are netted in the net appreciation in the fair value of investments.

The Plan recognizes income from revenue sharing agreements when received. During 2024, the Plan received \$14,343 of revenue sharing income. The total amount was re-allocated to eligible participant accounts. During 2023, the Plan received \$17,392 of revenue sharing income. The total amount was re-allocated to eligible participant accounts.

***Notes Receivable From Participants***

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions.

**Note 3. Certification of Plan Trustee**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate as of and for the years ended December 31, 2024, and 2023.

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits
- Investment income components and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at end of year)

The Plan's independent auditors did not perform auditing procedures with respect to this certified supplemental information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedule.

**Note 4. Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

**Level 1** Quoted prices in active markets for identical assets or liabilities

**Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities

**The HAVI Group Limited Partnership**  
**Profit Sharing and Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The fair value of registered investment companies is determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<b>Fair Value Measurements at Reporting Date Using</b>			
	<b>Fair Value</b>	<b>Quoted Prices in Active Markets for Identical Assets/ Liabilities (Level 1)</b>	<b>Significant Other Observable Inputs (Level 2)</b>	<b>Significant Unobservable Inputs (Level 3)</b>
<b>December 31, 2024</b>				
Registered investment companies (included in fair value hierarchy)	\$ 100,763,964	\$ 100,763,964	\$ -	\$ -
Investments measured at net asset value (a)	<u>252,926,727</u>	<u>-</u>	<u>-</u>	<u>-</u>
<b>Total</b>	<b><u>\$ 353,690,691</u></b>	<b><u>\$ 100,763,964</u></b>	<b><u>\$ -</u></b>	<b><u>\$ -</u></b>
<b>December 31, 2023</b>				
Registered investment companies (included in fair value hierarchy)	\$ 94,986,352	\$ 94,986,352	\$ -	\$ -
Investments measured at net asset value (a)	<u>220,167,262</u>	<u>-</u>	<u>-</u>	<u>-</u>
<b>Total</b>	<b><u>\$ 315,153,614</u></b>	<b><u>\$ 94,986,352</u></b>	<b><u>\$ -</u></b>	<b><u>\$ -</u></b>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**Note 5. Party-in-Interest Transactions**

Certain plan investments are managed by the trustee. Therefore, transactions with the trustee qualify as party-in-interest transactions.

**Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will be fully vested in their accounts and the trustee will distribute plan assets to participants or their beneficiaries in accordance with the plan agreement.

**Note 7. Income Tax Status**

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Principal Life Insurance Company. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8. Subsequent Events**

Subsequent events have been evaluated through July 29, 2025, which is the date the financial statements were available to be issued.
