## **Independent Auditors' Report**

**To the Administrators  
Lockwood Hills Federal, Inc. Health & Welfare Plan  
San Jose, California**

### **Opinion**

We have audited the accompanying financial statements of Lockwood Hills Federal, Inc. Health & Welfare Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and accumulated plan benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and changes in its accumulated plan benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audits of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The Plan and Trust were established on March 1, 2020 to provide health and other benefits to eligible employees of Lockwood Hills Federal, LLC (the Company) effective March 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective February 28, 2023, the Company has changed the trustee of the Plan to KeyBank National Association and has changed the recordkeeper to CBIZ Benefits & Insurance Services, Inc.

#### **Benefits**

The Plan provides dental, vision, legal accidental death and dismemberment, supplemental accident and hospital indemnity, critical illness and life benefits for eligible participants and their beneficiaries. The Plan provides these benefits through various annual contracts with insurance companies. The Plan provides medical and prescription drug coverage through annual contracts with insurance companies. Premiums for these insured benefits are paid to the insurance company directly from the assets of the Plan.

#### **Contributions**

For employees covered under the Service Contract Labor Standards and applicable associated Collective Bargaining Agreements, the Plan Sponsor contributes a maximum amount per employee based on a prevailing wage Health & Welfare amount of \$5.52 per hour paid to a maximum of 40 hours per week, and the Participant pays any cost of benefits exceed this maximum employer contribution. For all other employees, the Plan Sponsor contributes a percentage of the total cost of the insurance premiums with the employee contributing the balance of the cost through payroll deduction.

#### **Eligibility and Vesting**

All the eligible employees employed on the Lockwood Hills Federal contract on March 1, 2020, when the contract was awarded to the Company, were immediately eligible to receive benefits upon the transfer of the contract to the Company and were not required to meet further eligibility requirements.

Employees of the Company that are hired subsequent to March 1, 2020 and on the first of a month are eligible to participate in the Plan on the first day of the month following one month of continuous employment. Any employees hired by the Company subsequent to March 1, 2020 that are hired on a date other than the first of a month will be eligible to participate in the Plan on the first day of the month following two consecutive months of continuous employment.

# **Lockwood Hills Federal, Inc. Health & Welfare Plan**

## **Notes to Financial Statements**

### **Note 2 – Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The Plan's financial statements are presented on the accrual basis of accounting.

#### **Cash**

Cash equivalents are generally comprised of certain highly liquid investments with maturities of three months or less at the date of purchase.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefits obligations and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### **Concentrations of Credit Risk**

The Plan maintains its cash balances at a financial institution. At times such investments may exceed federally insured limits. The Plan has not experienced any losses in such accounts. The Plan believes it is not exposed to any significant credit risk on cash.

#### **Contributions Receivable**

Employer contributions due but not paid at year-end are recorded as contributions receivable. There was no allowance for credit losses as of December 31, 2024 and 2023.

#### **Payment of Benefits**

Premiums paid by the Plan are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Benefits are recorded when paid. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statement of plan's benefit obligations.

#### **Prepaid Contributions**

The prepaid contributions (liability) represent the initial deposit paid by the Plan sponsor and subsequent funding that exceeded their contracted obligation to the Plan. This liability will be used in subsequent years as a "premium holiday" based on available funds to pay benefits as they come due. The Plan sponsor is ultimately liable to fund any deficiency in the Plan's obligations.

#### **Insurance Premiums Payable**

Insurance premiums payable are based upon the actual premiums due for December 31, 2024 and 2023, but paid by the Plan after year-end.

#### **Administrative Expenses**

All administrative expenses may be paid out of the Plan unless paid by the Company. During the year ended December 31, 2024, the Plan paid for substantially all administrative expenses, which consisted of administration fees, trustee fees, and other miscellaneous expenses.

# **Lockwood Hills Federal, Inc. Health & Welfare Plan**

## **Notes to Financial Statements**

### **Income Taxes**

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from California or federal income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code Section 512(e)(3)(E). Unrelated business income consists of the investment income earned on the excess of the net assets (deficit) available for benefits over the required reserve balance allowable under the Internal Revenue Code. The Plan did not have any net taxable income for the year ended December 31, 2024 and, therefore, no tax liability is reflected in these financial statements.

### **Subsequent Events**

The plan administrator has evaluated subsequent events through July 30, 2025, which is also the date the financial statements were available to be issued. No subsequent events were noted during this evaluation that require recognition or disclosure in these financial statements.

### **Note 3 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants, or the payment of reasonable administrative expenses of the Plan.

### **Note 4 – Income Tax Status**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examinations by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Note 5 – Excess Loss Coverage**

The Plan's self-insured benefits expired on December 31, 2022, however the run-out liability goes through 2023. The Plan Maintained an insurance policy with Fidelity Select Life Insurance Company (FSLI) for the period from March 1, 2021 to February 28, 2022. The policies provide reimbursement to the Plan for claim amounts paid in excess of the monthly funding factor for each participant. There is no limit on the maximum eligible claim expense per covered person under the policy. FSLI has set a limit of \$1,000,000 as the maximum reimbursement amount during the policy coverage period. This limitation has been met. Therefore, any claims presented are the responsibility of the Plan and Plan Sponsor.

**Lockwood Hills Federal, Inc. Health & Welfare Plan**  
**Notes to Financial Statements**

The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants from Plan assets and the Plan is subsequently reimbursed by the insurance company if the funding factor is exceeded. As of December 31, 2024 and 2023, there are reimbursement due from the insurance carrier totaling \$0 and \$3,811 respectively. These reimbursements due from the insurance carrier are presented as stop loss receivable in the accompanying statements of net assets available for benefits.
